Re: Lowe's Store at 1929 N. Coliseum Blvd.

Dear Mr. Berndt,

I represent Forestridge, LLC who is the owner of the Lowe's store located at the Southwest Corner of State and Coliseum Boulevards. Forestridge has executed a purchase agreement to sell the property to Lowe's.

The title work has revealed that there is a 20-foot easement for storm sewer over portion of the subject real estate condemned by the City of Fort Wayne by modified Sewer Easement Resolution 55-1969, adopted October 16, 1969.

The title commitment also revealed the following sewer easements:

1. Storm Sewer Easement over a portion of the subject real estate granted to the City of Fort Wayne by instrument recorded September 16, 1994 as Document Number 94-54214.
2. Easement for Sanitary Sewer over a portion of the real estate granted to the City of Fort Wayne by instrument recorded July 19, 1996 as Document Number 960039729.

Based on the subsequent easements, Lowe's is requesting that the City vacate the Sewer Easement Resolution 55-1969 wherever it crosses the property. The legal description for the property is enclosed in the Document labeled "Exhibit A - Legal Description of ROFO Premises."

**Taylor-Hale Sewer Separation Phase I
Resolution # 75771**

RESOLUTION BY THE BOARD OF PUBLIC WORKS of the City of Fort Wayne, Indiana that:

The Taylor-Hale Sewer Separation Phase I project contains approximately 4,210 linear feet of piping that will disconnect the existing Carver Court storm sewer from the combined sewer system and pick up storm water from Ontario Street, Ontario Circle and Hale Avenue. These separated storm water flows will be conveyed to the St. Mary's River via a new storm water outfall. Approximately 1,110 linear feet of water main replacement and a 1,900 square feet rain garden will also be included in this project.

Said improvements with all their appurtenances shall be constructed in accordance with the plans and specifications titled, **Taylor Hale Sewer Separation Phase I.**

Declares the cost of the said improvements shall be paid by the funds from the Fort Wayne Sewer Utility (Revenue).

Declares the project is necessary for the protection of public health and welfare of the inhabitants of the area and the safeguarding of property within the area.

Declares that this project is of public utility benefit.

Declares Board of Public Works will acquire the property rights described in Attachment "A" (Property Acquisition Summary Sheet).

Declares the engineer's estimate of the project's total cost is 3,068,000.00.

APPROVED THIS 12th DAY OF February, 2014.

**Southwick Village Water Main Replacement/Concrete Repair
RESOLUTION NO. 66272/12373**

RESOLUTION BY THE BOARD OF PUBLIC WORKS of the City of Fort Wayne, Indiana that:

This is a combined project between City Utilities and Public Works. The project will combine water main replacement and concrete street repairs. Combining these projects will be a benefit to the residents of Southwick Village and to the City. There will be a lower cost associated with the combined project and construction will be coordinated by one contractor to complete two major construction projects simultaneously.

Contract A

Includes the installation of 14,720 linear feet of 6-inch water main and 3,731 linear feet of 12-inch water main replacement and associated hydrants, valves, and all other appurtenances.

Said improvements with all their appurtenances shall be constructed in accordance with the plans and specifications titled, "2014 Water Main Replacement Package 2"

Declares the cost of the said improvements shall be paid by the funds from the Fort Wayne Water Utility (Revenue).

Declares the project is necessary for the protection of public health and welfare of the inhabitants of the area and the safeguarding of property within the area.

Declares that this project is of public utility benefit.

States there is no cost associated with the purchase of any land associated with this project.

Declares the engineer's estimate of the project's total cost is \$524,000.

Contract B

That it is deemed necessary to improve: Removal and replacement of approximately 21,777 SY of concrete pavement for streets and residential drives, wingwalks & ramps, and sidewalk also including aggregate base, curb and gutter, perforated underdrains, top soil, hydroseeding, and maintenance of traffic.

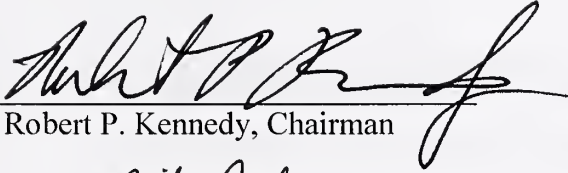

All in accordance with the details, drawings, and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid 100% by the City of Fort Wayne.

APPROVED THIS 5th DAY OF March, 2013.

**St. Joe River CSO Relief Sewer
RESOLUTION NO. 75876**

RESOLUTION BY THE BOARD OF PUBLIC WORKS of the City of Fort Wayne, Indiana that:

The CONTRACTOR shall furnish all labor, materials, supplies, and equipment required to perform the following:

Construction of a relief sewer that will pick up wet weather flows that are currently connected to the combined sewer system in order to reduce CSO volume to the St. Joseph River. The relief sewer will be constructed along Anthony Blvd., Northlawn Dr., Woodrow Ave., Somerset Ln. and Oswego Ave. and will consist of approximately 5,030 linear feet of 24 and 48-inch sewer pipe. It will also consist of 1,460 linear feet of 8" & 12" water main replacement and 1,050 linear feet of new storm sewer construction along Somerset Lane. The storm sewer will pick up existing street inlets and catch basins that are currently connected to the combined system.

Said improvements with all their appurtenances shall be constructed in accordance with the plans and specifications titled, **St. Joe River CSO Relief Sewer**.

Declares the cost of the said improvements shall be paid by the funds from Fort Wayne Sewer Utility (Revenue).

Declares the project is necessary for the protection of public health and welfare of the inhabitants of the area and the safeguarding of property within the area.

Declares that this project is of public utility benefit.

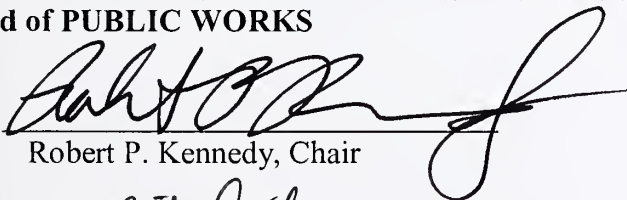

Declares Board of Public Works will acquire the property rights described in Attachment "A" (Property Acquisition Summary Sheet).

Declares the engineer's estimate of the project's total cost is \$3,596,275.00.

Quarter Section Map L-07

THIS RELEASE ("Release") is executed this 9th day of April, 2014, by the City of Fort Wayne Board of Public Works ("City"), to wit:

RECITALS

- A. Fairfield Community Home, LP, is the owner ("Owner") of certain real estate located in the City of Fort Wayne, Allen County, Indiana, and recorded at Document 2013014347 in the office of the Recorder of Allen County, Indiana ("Real Estate").
- B. City obtained an easement described and depicted in the attached Exhibit A over and across the Real Estate through a grant of easement recorded at Document 720026461 in the office of the Recorder of Allen County, Indiana ("Easement"), for the purpose of constructing, operating and maintaining public sewers and related facilities ("City Utilities").
- C. For the purpose of redeveloping the Real Estate, Owner has pursuant to City's approval relocated part of the City Utilities for which the Easement was originally dedicated, and has dedicated new easements for the relocated City Utilities, which relocated City Utilities and new easement have been accepted by City, and Owner has requested and City is willing to vacate and release those parts of the City Utilities and Easement no longer required, pursuant to the terms of this Release.

RELEASE

- 1. City hereby vacates and releases unto Owner all right, title and interest in and to the sewer easement recorded at Document 720026461 in the office of the Recorder of Allen County, Indiana, and described and depicted in the attached Exhibit A.
- 2. City hereby vacates and releases unto Owner all right, title and interest in and to the sewer pipe and related facilities located between the following points: beginning at Str. L07-136 and running east, north, west and north, and terminating at a new structure designated SAN MH #3, which new structure is located approx. 50 ft. north of existing Str. L07-139, all as depicted in the attached

Exhibit B. Str. L07-136 and new structure SAN MH #3 are not vacated hereby and shall remain part of the City's public sewer system.

IN WITNESS WHEREOF, the City of Fort Wayne Board of Public Works has executed this Release as of the date set forth above.

**A RESOLUTION OF THE BOARD OF PUBLIC WORKS
OF THE CITY OF FORT WAYNE, INDIANA,
AUTHORIZING THE SALE OF CERTAIN REAL PROPERTY**

RESOLUTION NUMBER 101-4-9-14-2

WHEREAS, the City of Fort Wayne Board of Public Works (the "Board") owns certain real property (the "Parcel"), the legal description to which is attached hereto as Exhibit "A" and made a part of this Resolution by this reference; and

WHEREAS, Chestnut Group, Inc., wishes to purchase the Parcel from the Board;
and

WHEREAS, Indiana Code Title 36, Article 1, Chapter 11, Section 3(b)(2) [IC 36-1-11-3(b)(2)] requires the Board to conduct a public hearing regarding the sale of the Parcel and to give the Board's recommendation of whether or not the sale of the Parcel should proceed to the Mayor of the City of Fort Wayne, Indiana.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, AS FOLLOWS:

1. That the Board sets Wednesday, April 23, 2014, at 10:00 A.M., in Room 035 of Citizens Square, 200 E. Berry St., Fort Wayne, Indiana, as the time and place at which the Board shall hear all persons who wish to speak in favor or against the sale of the Parcel to Chestnut Group, Inc.
2. That the Board hereby authorizes DeWayne Nodine, Program Manager, Capital Project Services with Fort Wayne City Utilities Engineering to sign, in the name of and on behalf of the Board, any deed associated with the sale of the Parcel in the event that the sale of the Parcel is approved by the Common Council of the City of Fort Wayne, Indiana, as well as the Board.
3. That the Board shall, after conducting the public hearing required by IC 36-1-11-3(b)(2), give the Board's recommendation to the Mayor of the City of Fort Wayne, Indiana, by means of passing a Resolution approving, disapproving, or suggesting modification to the sale of the parcel to Chestnut Group, Inc.

This resolution shall be in full force and effect from and after its adoption by the Board of Public Works of the City of Fort Wayne, Indiana.

**A RESOLUTION OF THE FORT WAYNE, INDIANA BOARD OF PUBLIC WORKS
APPROVING THE PURCHASE OF 520 WAGNER STREET, FORT WAYNE, INDIANA, 46805**

RESOLUTION NUMBER 101-5-28-14-1

WHEREAS, the City of Fort Wayne (the "City") has an ongoing program of purchasing houses on the south side of Wagner Street, immediately adjacent to the north side of the Three Rivers Water Filtration Plant (the "Plant"), for the purposes of tearing down the houses to create a security buffer zone on the north side of the Plant; and

WHEREAS, constructing such a security buffer zone is in the best interests of the public health, safety, and welfare; and

WHEREAS, the City wishes to purchase from Louis Vosmeier and Trudy Vosmeier the property commonly known as 520 Wagner Street, Fort Wayne, Indiana, 46805, also known as Lot 6 in Romy and Martin's Subdivision of Lots 1,2,3,4 and 5 of the Amended Plat of Baltes and Romy's Addition to the City of Fort Wayne, Allen County, Indiana, according to the plat thereof recorded in Plat Record 3, page 12 of the Records in the Office of the Recorder of Allen County, Indiana (the "Real Estate"); and

WHEREAS, Louis Vosmeier and Trudy Vosmeier wish to sell the Real Estate to the City; and

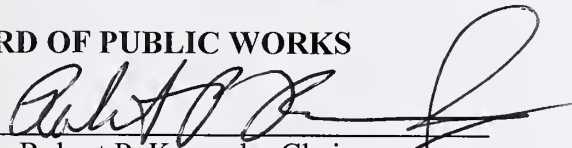

WHEREAS, the agreed purchase price is Forty One Thousand and No/100 Dollars (\$41,000.00), which is the average of two appraisals as mandated by Indiana statute.

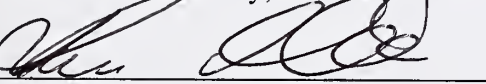

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF FORT WAYNE, INDIANA BOARD OF PUBLIC WORKS AS FOLLOWS:

SECTION 1. The purchase of the Real Estate by the City of Fort Wayne, Indiana, for the price of Forty One Thousand and No/100 Dollars (\$41,000.00) is hereby approved.

**PURCHASE AGREEMENT
(IMPROVED PROPERTY)**

Date: May 15, 2014

A. **BUYER:** City of Fort Wayne ("Buyer") agrees to buy the following property from the owner ("Seller") for the consideration and subject to the following terms, provisions, and conditions:

B. **PROPERTY:** The property ("Property") is known as 520 Wagner St.
In Wayne Township, Allen County, Indiana, 46605 (zip code) legally described as: Lot 6 in Reiny and Martin's Sub. of Lots 1, 2, 3, 4 & 5 of the Amended Plat of Bates & Reiny's Addition
together with any existing permanent improvements and fixtures attached (unless leased or excluded), including, but not limited to, electrical and/or gas fixtures, home heating fuel, heating and central air-conditioning equipment and all attachments thereto, built-in kitchen equipment, sump pumps, water softener, water purifier, gas grills, fireplace inserts, gas logs and grates, central vacuum equipment, window shades/blinds, curtain rods, drapery poles and fixtures, ceiling fans and light fixtures, towel racks and bars, storm doors, windows, awnings, TV antennas, satellite dishes and controls, storage barns, all landscaping, mailbox, garage door opener with controls AND THE FOLLOWING:

EXCLUDES THE FOLLOWING:

The terms of this Agreement will determine what items are included/excluded. All items sold shall be fully paid for by Seller at time of closing the transaction. Buyer should verify total square footage, land, room dimensions or community amenities if material.

C. **PRICE:** Buyer will pay the total purchase price of (\$ 41,000.00) Forty-One Thousand Dollars for the Property. If Buyer obtains an appraisal of the Property, this Agreement is contingent upon the Property appraising at no less than the agreed upon purchase price.

D. **EARNEST MONEY:** Buyer submits \$ 0 as earnest money which shall be applied to the purchase price. The listing broker shall deposit earnest money received into its escrow account within two (2) banking days of acceptance of this Agreement and hold it until time of closing the transaction or termination of this Agreement. If Buyer fails for any reason to submit earnest money, Seller may terminate this Agreement. Earnest money shall be returned promptly in the event this offer is not accepted. If this offer is accepted and Buyer fails or refuses to close the transaction, without legal cause, the earnest money shall be retained by Seller for damages the Seller has or will incur, and Seller retains all rights to seek other legal and equitable remedies. The Broker holding any earnest money is absolved from any responsibility to make payment to the Seller or Buyer unless the parties enter into a Mutual Release or a Court issues an Order for payment, except as permitted in 876 IAC 1-1-23 (release of earnest money). Upon notification that Buyer or Seller intends not to perform, Broker holding the earnest money may release the earnest money as provided in this Agreement. If no provision is made in this Agreement, Broker may send to Buyer and Seller notice of the disbursement by certified mail. If neither Buyer nor Seller enters into a mutual release or initiates litigation within sixty (60) days of the mailing date of the certified letter, Broker may release the earnest money to the party identified in the certified letter. Buyer and Seller agree to hold the Broker harmless from any liability, including attorney's fees and costs, for good faith disbursement of earnest money in accordance with this Agreement and licensing regulations.

E. **METHOD OF PAYMENT:** (Check appropriate paragraph number)

1. **CASH:** The entire purchase price shall be paid in cash and no financing is required.

2. **NEW MORTGAGE:** Completion of this transaction shall be contingent upon the Buyer's ability to obtain a

Conventional Insured Conventional FHA VA Other: _____ first mortgage loan for _____ % of purchase price, payable in not less than _____ years, with an original rate of interest not to exceed _____ % per annum and not to exceed _____ points. Buyer shall pay all costs of obtaining financing, except _____

[The text in this section is extremely faint and illegible. It appears to be a multi-paragraph document with several lines of text per paragraph.]

Any inspections and charges which are required to be made and charged to Buyer or Seller by the lender, FHA, VA, or mortgage insurer, shall be made and charged in accordance with their prevailing rules or regulations and shall supersede any provisions of this Agreement.

- 3. ASSUMPTION: (Attach Financing Addendum)
- 4. CONDITIONAL SALES CONTRACT: (Attach Financing Addendum)
- 5. OTHER METHOD OF PAYMENT: (Attach Financing Addendum)

F. **TIME FOR OBTAINING FINANCING:** Buyer agrees to make written application for any financing necessary to complete this transaction or for approval to assume the unpaid balance of the existing mortgage within N/A days after the acceptance of this Agreement and to make a diligent effort to meet the lender's requirements and to obtain financing in cooperation with the Broker and Seller. No more than 0 days after acceptance of the Agreement shall be allowed for obtaining favorable written commitment(s) or mortgage assumption approval. If a commitment or approval is not obtained within the time specified above, this Agreement shall terminate unless an extension of time for this purpose is mutually agreed to in writing.

G. **CLOSING:** The closing of the sale (the "Closing Date") shall be on or before _____, or within 60 days after acceptance of this offer, whichever is later or this Agreement shall terminate unless an extension of time is mutually agreed to in writing. Any closing date earlier than the latest date above must be by mutual written agreement of the parties. The settlement or closing fee incurred in conducting the settlement charged by the closing agent or company shall be paid by Buyer (included in allowance, if provided) Seller Shared equally.

This Agreement: is not contingent upon the closing of another transaction; is contingent upon the closing of the pending transaction on the property located at _____ scheduled to close by _____.

Notwithstanding terms to the contrary, the Parties agree that as a condition to closing, all funds delivered to the closing agent's escrow account be in such form that the closing agent shall be able to disburse in compliance with I.C. 27-07-3.7 et. seq.. Therefore, all funds from a single source of \$10,000 or more shall be wired unconditionally to the closing agent's escrow account and all funds under \$10,000 from a single source shall be good funds as so defined by statute.

H. **POSSESSION:**

1. The possession of the Property shall be delivered to Buyer at closing within _____ days beginning the day after closing by _____ a.m. p.m. noon or on or before _____ if closed. For each day Seller is entitled to possession after closing, Seller shall pay to Buyer at closing \$ 0 per day. If Seller does not deliver possession by the date and time required in the first sentence of this paragraph, Seller shall pay Buyer \$ 0 per day as liquidated damages until possession is delivered to Buyer; and Buyer shall have all other legal and equitable remedies available against the Seller.
2. **Maintenance of Property:** Seller shall maintain the Property in its present condition until its possession is delivered to Buyer, subject to repairs in response to any inspection. Buyer may inspect the Property prior to closing to determine whether Seller has complied with this paragraph. Seller shall remove all debris and personal property not included in the sale.
3. **Casualty Loss:** Risk of loss by damage or destruction to the Property prior to the closing shall be borne by Seller, including any deductible(s). In the event any damage or destruction is not fully repaired prior to closing, Buyer, at Buyer's option, may either (a) terminate this Agreement with prompt return of earnest money to buyer or (b) elect to close the transaction, in which event Seller's right to all real property insurance proceeds resulting from such damage or destruction shall be assigned in writing by Seller to Buyer.
4. **Utilities/Municipal Services:** Seller shall pay for all municipal services and public utility charges through the day of possession.

I. **SURVEY:** Buyer shall receive a (Check one) SURVEYOR LOCATION REPORT, which is a survey where corner markers are not set; BOUNDARY SURVEY, which is a survey where corner markers of the Property are set prior to closing; WAIVED, no survey unless required by lender; at (Check one) Buyer's expense (included in allowance, if provided) Seller's expense Shared equally. The survey shall (1) be received prior to closing and certified as of a current date, (2) be reasonably satisfactory to Buyer, (3) show the location of all improvements and easements, and (4) show the flood zone designation of the Property. If Buyer waives the right to conduct a survey, the Seller, the Listing and Selling Brokers, and all salespersons associated with Brokers are released from any and all liability relating to any issues that could have been discovered by a survey. This release shall survive the closing.

J. **FLOOD AREA/OTHER:** Buyer may may not terminate this Agreement if the Property requires flood insurance. Buyer may may not terminate this Agreement if the Property is subject to building or use limitations by reason of the location, which materially interfere with Buyer's intended use of the Property.

520 Wagner St.

K. **HOMEOWNER'S INSURANCE:** Completion of this transaction shall be contingent upon the Buyer's ability to obtain a favorable written commitment for homeowner's insurance within N/A days after acceptance of this Agreement.

L. **ENVIRONMENTAL CONTAMINANTS ADVISORY/RELEASE:** Buyer and Seller acknowledge that Listing Broker, Selling Broker and all salespersons associated with Brokers are NOT experts and have NO special training, knowledge or experience with regard to the evaluation or existence of possible lead-based paint, radon, mold and other biological contaminants ("Environmental Contaminants") which might exist and affect the Property. Environmental Contaminants at harmful levels may cause property damage and serious illness, including but not limited to, allergic and/or respiratory problems, particularly in persons with immune system problems, young children and/or the elderly.

Buyer is **STRONGLY ADVISED** to obtain inspections (see below) to fully determine the condition of the Property and its environmental status. The **ONLY** way to determine if Environmental Contaminants are present at the Property at harmful levels is through inspections.

Buyer and Seller agree to consult with appropriate experts and accept all risks for Environmental Contaminants and release and hold harmless all Brokers, their companies and sales associates from any and all liability, including attorney's fees and costs, arising out of or related to any inspection, inspection result, repair, disclosed defect or deficiency affecting the Property, including Environmental Contaminants. This release shall survive the closing.

M. **INSPECTIONS: (Check paragraph 1 or 2)**

Buyer has been made aware that independent inspections disclosing the condition of the property are available and has been afforded the opportunity to require such inspections as a condition of this Agreement.

1. **BUYER WAIVES THE RIGHT TO HAVE INDEPENDENT INSPECTIONS**

Buyer **WAIVES** inspections and relies upon the condition of the Property based upon Buyer's own examination and releases the Seller, the Listing and Selling Brokers and all salespersons associated with Brokers from any and all liability relating to any defect or deficiency affecting the Property, which release shall survive the closing. Required FHA/VA or lender inspections are not included in this waiver.

2. **BUYER RESERVES THE RIGHT TO HAVE INDEPENDENT INSPECTIONS (Including Lead-Based Paint)**

Buyer reserves the right to have independent inspections in addition to any inspection required by FHA, VA, or Buyer's lender(s). All inspections are at Buyer's expense (unless noted otherwise or required by lender) by licensed independent inspectors or qualified independent contractors selected by Buyer within the following time periods. Seller shall have water, gas, electricity and all operable pilot lights on for Buyer's inspections. Seller must make all areas of the Property available and accessible for Buyer's inspection.

INSPECTION/RESPONSE PERIOD: Buyer shall order all independent inspections immediately after acceptance of the Purchase Agreement. Buyer shall have _____ days beginning the day following the date of acceptance of the Purchase Agreement to respond to the inspection report(s) in writing to Seller (see "Buyer's Inspection Response").

Inspections may include but are not limited to the condition of the following systems and components: heating, cooling, electrical, plumbing, roof, walls, ceilings, floors, foundation, basement, crawl space, well/septic, water, wood destroying insects and organisms, lead-based paint (note: intact lead-based paint that is in good condition is not necessarily a hazard), radon, mold and other biological contaminants and/or the following:

If the initial inspection report reveals the presence of lead-based paint, radon, mold and other biological contaminants, or any other condition that requires further examination or testing, then Buyer shall have _____ additional days to order, receive and respond in writing to any additional reports.

If the Buyer does not comply with any inspection/response period or make a written objection to any problem revealed in a report within the applicable inspection/response period, the Property shall be deemed to be acceptable. If one party fails to respond or request in writing an extension of time to respond to the other party's independent inspection response, then that inspection response is accepted. A timely request for extension is not an acceptance of the inspection response, whether or not granted. A REASONABLE TIME PERIOD TO RESPOND IS REQUIRED TO PREVENT MISUSE OF THIS ACCEPTANCE PROVISION. Factors considered in determining reasonable time periods include, but are not limited to, availability of responding party to respond, type and expense of repairs requested and need of responding party to obtain additional opinions to formulate a response.

520 Klugner St.

[Faint, illegible text covering the majority of the page, possibly bleed-through from the reverse side.]

If the Buyer reasonably believes that the Inspection Report reveals a DEFECT with the Property (under Indiana law, "Defect" means a condition that would have a significant adverse effect on the value of the Property, that would significantly impair the health or safety of future occupants of the Property, or that if not repaired, removed, or replaced would significantly shorten or adversely affect the expected normal life of the premises), and the Seller is unable or unwilling to remedy the defect to the Buyer's reasonable satisfaction before closing (or at a time otherwise agreed to by the parties), then Buyer may terminate this Agreement or waive such defect and the transaction shall proceed toward closing. BUYER AGREES THAT ANY PROPERTY DEFECT PREVIOUSLY DISCLOSED BY SELLER, OR ROUTINE MAINTENANCE AND MINOR REPAIR ITEMS MENTIONED IN ANY REPORT, SHALL NOT BE A BASIS FOR TERMINATION OF THIS AGREEMENT.

N. LIMITED HOME WARRANTY PROGRAM:

Buyer acknowledges the availability of a LIMITED HOME WARRANTY PROGRAM with a deductible paid by Buyer which will will not be provided at a cost not to exceed \$ _____ charged to Buyer Seller and ordered by Buyer Seller. Buyer and Seller acknowledge this LIMITED HOME WARRANTY PROGRAM may not cover any pre-existing defects in the Property nor replace the need for an independent home inspection. Broker may receive a fee from the home warranty provider and/or a member benefit. The Limited Home Warranty Program is a contract between Buyer/Seller and the Home Warranty Provider. The Parties agree that Brokers and their companies shall be released and held harmless in the event of claims disputes with the Home Warranty Provider.

O. DISCLOSURES: (Check one)

1. Buyer has has not not applicable received and executed SELLER'S RESIDENTIAL REAL ESTATE SALES DISCLOSURE.
2. Buyer has has not not applicable received and executed a LEAD-BASED PAINT CERTIFICATION AND ACKNOWLEDGMENT.

P. TITLE APPROVAL: Prior to closing, Buyer shall be furnished with a title insurance commitment for the most current and comprehensive ALTA Owner's Title Insurance Policy available in the amount of the purchase price or an abstract of title continued to date, showing marketable title to Property in Seller's name. Seller must convey title free and clear of any encumbrances and title defects, with the exception of any mortgage assumed by Buyer and any restrictions or easements of record not materially interfering with Buyer's intended use of the Property. A title company, at Buyer's request, can provide information about availability of various additional title insurance coverages and endorsements and the associated costs.

Owner's Title Insurance Premium and that portion of Title Service Fees incurred to prepare the Owner's Policy (including title search and examination and commitment preparation), to be paid by Buyer (included in allowance, if provided) Seller Shared equally.

Lender's Title Insurance Premium and that portion of Title Service Fees incurred to prepare the Lender's Policy (including title search and examination and commitment preparation), if applicable, to be paid by Buyer (included in allowance, if provided) Seller Shared equally Other N/A

The parties agree that Seller Buyer will select a title insurance company to issue a title insurance policy and will order the commitment immediately or other: after approval of Common Council
of the City of Fort Wayne

Pursuant to Federal and State law, Seller cannot make Seller's selection of a title insurance provider a condition of this Agreement.

Seller agrees to pay the cost of obtaining all other documents necessary to perfect title (including the cost of the deed and vendor's affidavit), so that marketable title can be conveyed.

Q. TAXES: (Check paragraph 1, 2 or 3)

1. Buyer will assume and pay all taxes on the Property beginning with the taxes due and payable on _____, and all taxes due thereafter. At or before closing, Seller shall pay all taxes for the Property payable before that date.

2. All taxes that have accrued for any prior calendar year that remain unpaid shall be paid by Seller either to the County Treasurer and/or the Buyer in the form of a credit at closing. All taxes that have accrued for the current calendar year shall be prorated on a calendar-year basis as of the day immediately prior to the Closing Date.

For purposes of paragraph 1 and 2: For the purpose of determining the credit amount for accrued but unpaid taxes, taxes shall be assumed to be the same as the most recent year when taxes were billed based upon certified tax rates. This shall be a final settlement.

3. FOR RECENT CONSTRUCTION OR OTHER TAX SITUATIONS. Seller will give a tax credit of \$ _____ to Buyer at closing. This shall be a final settlement.

WARNING: THE SUCCEEDING YEAR TAX BILL FOR RECENTLY CONSTRUCTED HOMES OR FOLLOWING REASSESSMENT PERIODS MAY GREATLY EXCEED THE LAST TAX BILL AVAILABLE TO THE CLOSING AGENT.

Buyer acknowledges Seller's tax exemptions and/or credits may not be reflected on future tax bills.

Buyer may apply for current-year exemptions/credits at or after closing.

- R. **PRORATIONS AND SPECIAL ASSESSMENTS:** Insurance, if assigned to Buyer, interest on any debt assumed or taken subject to, any rents, all other income and ordinary operating expenses of the Property, including but not limited to, public utility charges, shall be prorated as of the day immediately prior to the Closing Date. Seller shall pay any special assessments applicable to the Property for municipal improvements previously made to benefit the Property. Seller warrants that Seller has no knowledge of any planned improvements which may result in assessments and that no governmental or private agency has served notice requiring repairs, alterations or corrections of any existing conditions. Public or municipal improvements which are not completed as of the date above but which will result in a lien or charge shall be paid by Buyer. Buyer will assume and pay all special assessments for municipal improvements completed after the date of this Agreement.
- S. **TIME:** Time is of the essence. Time periods specified in this Agreement and any subsequent Addenda to the Purchase Agreement are calendar days and shall expire at 11:59 PM of the date stated unless the parties agree in writing to a different date and/or time.

Note: Seller and Buyer have the right to withdraw any offer/counter offer prior to written acceptance and delivery of such offer/counter offer.

- T. **HOMEOWNERS ASSOCIATION/CONDOMINIUM ASSOCIATION ("Association"):** Documents for a mandatory membership association shall be delivered by the Seller to Buyer within 10 days after acceptance of this Agreement. If the Buyer does not make a written response to the documents within 10 days after receipt, the documents shall be deemed acceptable. In the event the Buyer does not accept the provisions in the documents and such provisions cannot be waived, this Agreement may be terminated by the Buyer and the earnest money deposit shall be refunded to Buyer promptly. Any approval of sale required by the Association shall be obtained by the Seller, in writing, within 10 days after Buyer's approval of the documents. Fees charged by the "Association", or its management company, for purposes of verification of good standing and/or transfer of ownership shall be shared equally by Buyer and Seller. Start-up or one time reserve fees, if any, shall be paid by Buyer.

Buyer acknowledges that in every neighborhood there are conditions which others may find objectionable. Buyer shall therefore be responsible to become fully acquainted with neighborhood and other off-site conditions that could affect the Property.

- U. **ATTORNEY'S FEES:** Any party to this Agreement who is the prevailing party in any legal or equitable proceeding against any other party brought under or with relation to the Agreement or transaction shall be additionally entitled to recover court costs and reasonable attorney's fees from the non-prevailing party.

V. **ADDITIONAL PROVISIONS:**

1. Unless otherwise provided, any prorations for rent, taxes, insurance, damage deposits, association dues/assessments, or any other items shall be computed as of the day immediately prior to the Closing Date.
2. Underground mining has occurred in Indiana, and Buyers are advised of the availability of subsidence insurance.
3. The Indiana Sheriff's Sex Offender Registry (www.indianasheriffs.org) exists to inform the public about the identity, location and appearance of sex offenders residing within Indiana. Broker is not responsible for providing or verifying this information.
4. Conveyance of this Property shall be by general Warranty Deed, or by _____, subject to taxes, easements, restrictive covenants and encumbrances of record, unless otherwise agreed.
5. Seller represents and warrants that Seller is not a "foreign person" (individual entity) and, therefore, is not subject to the Foreign Investment in Real Property Tax Act.
6. Any notice required or permitted to be delivered shall be deemed received when personally delivered, transmitted electronically or digitally or sent by express courier or United States mail, postage prepaid, certified and return receipt requested, addressed to Seller or Buyer or the designated agent of either party.

7. This Agreement shall be construed under and in accordance with the laws of the State of Indiana and is binding upon the parties' respective heirs, executors, administrators, legal representatives, successors, and assigns.
8. In case any provision contained in this Agreement is held invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement.
9. This Agreement constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreements between the parties' respecting the transaction and cannot be changed except by their written consent.
10. All rights, duties and obligations of the parties shall survive the passing of title to, or an interest in, the Property.
11. Broker(s) may refer Buyer or Seller to other professionals, service providers or product vendors, including lenders, loan brokers, title insurers, escrow companies, inspectors, pest control companies, contractors and home warranty companies. Broker(s) does not guarantee the performance of any service provider. Buyer and Seller are free to select providers other than those referred or recommended to them by Broker(s). The Parties agree that Brokers and their companies shall be released and held harmless in the event of claims disputes with any service provider.
12. By signing below, the parties to this transaction acknowledge receipt of a copy of this Agreement and give their permission to a multiple listing service, Internet or other advertising media, if any, to publish information regarding this transaction.
13. Any amounts payable by one party to the other, or by one party on behalf of the other party, shall not be owed until this transaction is closed.
14. Buyer and Seller consent to receive communications from Broker(s) via telephone, U.S. mail, email and facsimile at the numbers/addresses provided to Broker(s) unless Buyer and Seller notify Broker(s) in writing to the contrary.
15. Buyer discloses to Seller that Buyer holds Indiana Real Estate License # _____.
16. Where the word "Broker" appears, it shall mean "Licensee" as provided in I.C.25-34.1-10-6.8.

W. FURTHER CONDITIONS (List and attach any addenda): Purchase is subject to Buyer obtaining approval of the Board of Public Works and the Common Council of the City of Fort Wayne. Buyer shall pay all closing costs, including deed preparation and recording fees.

- X. CONSULT YOUR ADVISORS: Buyer and Seller acknowledge they have been advised that, prior to signing this document, they may seek the advice of an attorney for the legal or tax consequences of this document and the transaction to which it relates. In any real estate transaction, it is recommended that you consult with a professional, such as a civil engineer, environmental engineer, or other person, with experience in evaluating the condition of the Property.
- Y. ACKNOWLEDGEMENTS: Buyer and Seller acknowledge that each has received agency office policy disclosures, has had agency explained, and now confirms all agency relationships. Buyer and Seller further acknowledge that they understand and accept agency relationships involved in this transaction. By signature below, the parties verify that they understand and approve this Purchase Agreement and acknowledge receipt of a signed copy.
- Z. EXPIRATION OF OFFER: Unless accepted by Seller and delivered to Buyer by _____ A.M. P.M. Noon, the _____ day of _____, this Purchase Agreement shall be null and void and all parties shall be relieved of any and all liability or obligations.

This Agreement may be executed simultaneously or in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The parties agree that this Agreement may be transmitted between them electronically or digitally. The parties intend that electronically or digitally transmitted signatures constitute original signatures and are binding on the parties. The original document shall be promptly delivered, if requested.

**PURCHASE AGREEMENT
(IMPROVED PROPERTY)**

Date: May 15, 2014

A. **BUYER:** City of Fort Wayne ("Buyer") agrees to buy the following property from the owner ("Seller") for the consideration and subject to the following terms, provisions, and conditions:

B. **PROPERTY:** The property ("Property") is known as 804 Pemberton Drive in Wayne Township, Allen County, Fort Wayne Indiana, 46805 (zip code) legally described as: Lot 195 and the South Half of Lot 196 in South Kensington Park Addition together with any existing permanent improvements and fixtures attached (unless leased or excluded), including, but not limited to, electrical and/or gas fixtures, home heating fuel, heating and central air-conditioning equipment and all attachments thereto, built-in kitchen equipment, sump pumps, water softener, water purifier, gas grills, fireplace inserts, gas logs and grates, central vacuum equipment, window shades/blinds, curtain rods, drapery poles and fixtures, ceiling fans and light fixtures, towel racks and bars, storm doors, windows, awnings, TV antennas, satellite dishes and controls, storage barns, all landscaping, mailbox, garage door opener with controls AND THE FOLLOWING:

EXCLUDES THE FOLLOWING:

The terms of this Agreement will determine what items are included/excluded. All items sold shall be fully paid for by Seller at time of closing the transaction. Buyer should verify total square footage, land, room dimensions or community amenities if material.

C. **PRICE:** Buyer will pay the total purchase price of (\$ 60,500.00) Sixty Thousand Five Hundred Dollars for the Property. If Buyer obtains an appraisal of the Property, this Agreement is contingent upon the Property appraising at no less than the agreed upon purchase price.

D. **EARNEST MONEY:** Buyer submits \$ 0 as earnest money which shall be applied to the purchase price. The listing broker shall deposit earnest money received into its escrow account within two (2) banking days of acceptance of this Agreement and hold it until time of closing the transaction or termination of this Agreement. If Buyer fails for any reason to submit earnest money, Seller may terminate this Agreement. Earnest money shall be returned promptly in the event this offer is not accepted. If this offer is accepted and Buyer fails or refuses to close the transaction, without legal cause, the earnest money shall be retained by Seller for damages the Seller has or will incur, and Seller retains all rights to seek other legal and equitable remedies. The Broker holding any earnest money is absolved from any responsibility to make payment to the Seller or Buyer unless the parties enter into a Mutual Release or a Court issues an Order for payment, except as permitted in 876 IAC 1-1-23 (release of earnest money). Upon notification that Buyer or Seller intends not to perform, Broker holding the earnest money may release the earnest money as provided in this Agreement. If no provision is made in this Agreement, Broker may send to Buyer and Seller notice of the disbursement by certified mail. If neither Buyer nor Seller enters into a mutual release or institutes litigation within sixty (60) days of the mailing date of the certified letter, Broker may release the earnest money to the party identified in the certified letter. Buyer and Seller agree to hold the Broker harmless from any liability, including attorney's fees and costs, for good faith disbursement of earnest money in accordance with this Agreement and licensing regulations.

E. **METHOD OF PAYMENT: (Check appropriate paragraph number)**
1. **CASH:** The entire purchase price shall be paid in cash and no financing is required.
2. **NEW MORTGAGE:** Completion of this transaction shall be contingent upon the Buyer's ability to obtain a
 Conventional Insured Conventional FHA VA Other: _____ first mortgage loan for _____ % of purchase price, payable in not less than _____ years, with an original rate of interest not to exceed _____ % per annum and not to exceed _____ points. Buyer shall pay all costs of obtaining financing, except _____

Any inspections and charges which are required to be made and charged to Buyer or Seller by the lender, FHA, VA, or mortgage insurer, shall be made and charged in accordance with their prevailing rules or regulations and shall supersede any provisions of this Agreement.

- 3. ASSUMPTION: (Attach Financing Addendum)
- 4. CONDITIONAL SALES CONTRACT: (Attach Financing Addendum)
- 5. OTHER METHOD OF PAYMENT: (Attach Financing Addendum)

F. **TIME FOR OBTAINING FINANCING:** Buyer agrees to make written application for any financing necessary to complete this transaction or for approval to assume the unpaid balance of the existing mortgage within 11A days after the acceptance of this Agreement and to make a diligent effort to meet the lender's requirements and to obtain financing in cooperation with the Broker and Seller. No more than 10 days after acceptance of the Agreement shall be allowed for obtaining favorable written commitment(s) of mortgage assumption approval. If a commitment or approval is not obtained within the time specified above, this Agreement shall terminate unless an extension of time for this purpose is mutually agreed to in writing.

G. **CLOSING:** The closing of the sale (the "Closing Date") shall be on or before _____, or within 60 days after acceptance of this offer, whichever is later or this Agreement shall terminate unless an extension of time is mutually agreed to in writing. Any closing date earlier than the latest date above must be by mutual written agreement of the parties. The settlement or closing fee incurred in conducting the settlement charged by the closing agent or company shall be paid by Buyer (Included in allowance, if provided) Seller Shared equally.

This Agreement: is not contingent upon the closing of another transaction; is contingent upon the closing of the pending transaction on the property located at _____ scheduled to close by _____.

Notwithstanding terms to the contrary, the Parties agree that as a condition to closing, all funds delivered to the closing agent's escrow account be in such form that the closing agent shall be able to disburse in compliance with I.C. 27-07-3.7 et. seq.. Therefore, all funds from a single source of \$10,000 or more shall be wired unconditionally to the closing agent's escrow account and all funds under \$10,000 from a single source shall be good funds as so defined by statute.

H. **POSSESSION:**

1. The possession of the Property shall be delivered to Buyer at closing within 30 days beginning the day after closing by 12:00 a.m. p.m. noon or on or before _____ If closed. For each day Seller is entitled to possession after closing, Seller shall pay to Buyer at closing \$ 20.00 per day. If Seller does not deliver possession by the date and time required in the first sentence of this paragraph, Seller shall pay Buyer \$ _____ per day as liquidated damages until possession is delivered to Buyer; and Buyer shall have all other legal and equitable remedies available against the Seller.
2. **Maintenance of Property:** Seller shall maintain the Property in its present condition until its possession is delivered to Buyer, subject to repairs in response to any inspection. Buyer may inspect the Property prior to closing to determine whether Seller has complied with this paragraph. Seller shall remove all debris and personal property not included in the sale.
3. **Casualty Loss:** Risk of loss by damage or destruction to the Property prior to the closing shall be borne by Seller, including any deductible(s). In the event any damage or destruction is not fully repaired prior to closing, Buyer, at Buyer's option, may either (a) terminate this Agreement with prompt return of earnest money to buyer or (b) elect to close the transaction, in which event Seller's right to all real property insurance proceeds resulting from such damage or destruction shall be assigned in writing by Seller to Buyer.
4. **Utilities/Municipal Services:** Seller shall pay for all municipal services and public utility charges through the day of possession.

I. **SURVEY:** Buyer shall receive a (Check one) SURVEYOR LOCATION REPORT, which is a survey where corner markers are not set; BOUNDARY SURVEY, which is a survey where corner markers of the Property are set prior to closing; WAIVED, no survey unless required by lender; at (Check one) Buyer's expense (included in allowance, if provided) Seller's expense Shared equally. The survey shall (1) be received prior to closing and certified as of a current date, (2) be reasonably satisfactory to Buyer, (3) show the location of all improvements and easements, and (4) show the flood zone designation of the Property. If Buyer waives the right to conduct a survey, the Seller, the Listing and Selling Brokers, and all salespersons associated with Brokers are released from any and all liability relating to any issues that could have been discovered by a survey. This release shall survive the closing.

J. **FLOOD AREA/OTHER:** Buyer may may not terminate this Agreement if the Property requires flood insurance. Buyer may may not terminate this Agreement if the Property is subject to building or use limitations by reason of the location, which materially interfere with Buyer's intended use of the Property.

804 Pemberton Dr.

[Faint, illegible text covering the majority of the page, possibly bleed-through from the reverse side.]

K. **HOMEOWNER'S INSURANCE:** Completion of this transaction shall be contingent upon the Buyer's ability to obtain a favorable written commitment for homeowner's insurance within N/A days after acceptance of this Agreement.

L. **ENVIRONMENTAL CONTAMINANTS ADVISORY/RELEASE:** Buyer and Seller acknowledge that Listing Broker, Selling Broker and all salespersons associated with Brokers are NOT experts and have NO special training, knowledge or experience with regard to the evaluation or existence of possible lead-based paint, radon, mold and other biological contaminants ("Environmental Contaminants") which might exist and affect the Property. Environmental Contaminants at harmful levels may cause property damage and serious illness, including but not limited to, allergic and/or respiratory problems, particularly in persons with immune system problems, young children and/or the elderly.

Buyer is **STRONGLY ADVISED** to obtain inspections (see below) to fully determine the condition of the Property and its environmental status. The **ONLY** way to determine if Environmental Contaminants are present at the Property at harmful levels is through inspections.

Buyer and Seller agree to consult with appropriate experts and accept all risks for Environmental Contaminants and release and hold harmless all Brokers, their companies and sales associates from any and all liability, including attorney's fees and costs, arising out of or related to any inspection, inspection result, repair, disclosed defect or deficiency affecting the Property, including Environmental Contaminants. This release shall survive the closing.

M. **INSPECTIONS:** (Check paragraph 1 or 2)

Buyer has been made aware that independent inspections disclosing the condition of the property are available and has been afforded the opportunity to require such inspections as a condition of this Agreement.

1. **BUYER WAIVES THE RIGHT TO HAVE INDEPENDENT INSPECTIONS**

Buyer **WAIVES** inspections and relies upon the condition of the Property based upon Buyer's own examination and releases the Seller, the Listing and Selling Brokers and all salespersons associated with Brokers from any and all liability relating to any defect or deficiency affecting the Property, which release shall survive the closing. Required FHA/VA or lender inspections are not included in this waiver.

2. **BUYER RESERVES THE RIGHT TO HAVE INDEPENDENT INSPECTIONS (Including Lead-Based Paint)**

Buyer reserves the right to have independent inspections in addition to any inspection required by FHA, VA, or Buyer's lender(s). All inspections are at Buyer's expense (unless noted otherwise or required by lender) by licensed independent inspectors or qualified independent contractors selected by Buyer within the following time periods. Seller shall have water, gas, electricity and all operable pilot lights on for Buyer's inspections. Seller must make all areas of the Property available and accessible for Buyer's inspection.

INSPECTION/RESPONSE PERIOD: Buyer shall order all independent inspections immediately after acceptance of the Purchase Agreement. Buyer shall have _____ days beginning the day following the date of acceptance of the Purchase Agreement to respond to the inspection report(s) in writing to Seller (see "Buyer's Inspection Response").

Inspections may include but are not limited to the condition of the following systems and components: heating, cooling, electrical, plumbing, roof, walls, ceilings, floors, foundation, basement, crawl space, well/septic, water, wood destroying insects and organisms, lead-based paint (note: intact lead-based paint that is in good condition is not necessarily a hazard), radon, mold and other biological contaminants and/or the following:

If the initial inspection report reveals the presence of lead-based paint, radon, mold and other biological contaminants, or any other condition that requires further examination or testing, then Buyer shall have _____ additional days to order, receive and respond in writing to any additional reports.

If the Buyer does not comply with any inspection/response period or make a written objection to any problem revealed in a report within the applicable inspection/response period, the Property shall be deemed to be acceptable. If one party fails to respond or request in writing an extension of time to respond to the other party's independent inspection response, then that inspection response is accepted. A timely request for extension is not an acceptance of the inspection response, whether or not granted. A REASONABLE TIME PERIOD TO RESPOND IS REQUIRED TO PREVENT MISUSE OF THIS ACCEPTANCE PROVISION. Factors considered in determining reasonable time periods include, but are not limited to, availability of responding party to respond, type and expense of repairs requested and need of responding party to obtain additional opinions to formulate a response.

804 Pemberton Dr.

[The text in this block is extremely faint and illegible, appearing as a series of horizontal lines across the page.]

If the Buyer reasonably believes that the Inspection Report reveals a DEFECT with the Property (under Indiana law, "Defect" means a condition that would have a significant adverse effect on the value of the Property, that would significantly impair the health or safety of future occupants of the Property, or that if not repaired, removed, or replaced would significantly shorten or adversely affect the expected normal life of the premises), and the Seller is unable or unwilling to remedy the defect to the Buyer's reasonable satisfaction before closing (or at a time otherwise agreed to by the parties), then Buyer may terminate this Agreement or waive such defect and the transaction shall proceed toward closing. BUYER AGREES THAT ANY PROPERTY DEFECT PREVIOUSLY DISCLOSED BY SELLER, OR ROUTINE MAINTENANCE AND MINOR REPAIR ITEMS MENTIONED IN ANY REPORT, SHALL NOT BE A BASIS FOR TERMINATION OF THIS AGREEMENT.

N. LIMITED HOME WARRANTY PROGRAM:

Buyer acknowledges the availability of a LIMITED HOME WARRANTY PROGRAM with a deductible paid by Buyer which will will not be provided at a cost not to exceed \$ _____ charged to Buyer Seller and ordered by Buyer Seller. Buyer and Seller acknowledge this LIMITED HOME WARRANTY PROGRAM may not cover any pre-existing defects in the Property nor replace the need for an independent home inspection. Broker may receive a fee from the home warranty provider and/or a member benefit. The Limited Home Warranty Program is a contract between Buyer/Seller and the Home Warranty Provider. The Parties agree that Brokers and their companies shall be released and held harmless in the event of claims disputes with the Home Warranty Provider.

O. DISCLOSURES: (Check one)

1. Buyer has has not not applicable received and executed SELLER'S RESIDENTIAL REAL ESTATE SALES DISCLOSURE.
2. Buyer has has not not applicable received and executed a LEAD-BASED PAINT CERTIFICATION AND ACKNOWLEDGMENT.

P. TITLE APPROVAL: Prior to closing, Buyer shall be furnished with a title insurance commitment for the most current and comprehensive ALTA Owner's Title Insurance Policy available in the amount of the purchase price or an abstract of title continued to date, showing marketable title to Property in Seller's name. Seller must convey title free and clear of any encumbrances and title defects, with the exception of any mortgage assumed by Buyer and any restrictions or easements of record not materially interfering with Buyer's intended use of the Property. A title company, at Buyer's request, can provide information about availability of various additional title insurance coverages and endorsements and the associated costs.

Owner's Title Insurance Premium and that portion of Title Service Fees incurred to prepare the Owner's Policy (including title search and examination and commitment preparation), to be paid by Buyer (Included in allowance, if provided) Seller Shared equally.

Lender's Title Insurance Premium and that portion of Title Service Fees incurred to prepare the Lender's Policy (including title search and examination and commitment preparation), if applicable, to be paid by Buyer (Included in allowance, if provided) Seller Shared equally Other N/A

The parties agree that Seller Buyer will select a title insurance company to issue a title insurance policy and will order the commitment immediately or other: after approval of Common Council

of the City of Fort Wayne.
Pursuant to Federal and State law, Seller cannot make Seller's selection of a title insurance provider a condition of this Agreement.

Seller agrees to pay the cost of obtaining all other documents necessary to perfect title (including the cost of the deed and vendor's affidavit), so that marketable title can be conveyed.

Q. TAXES: (Check paragraph 1, 2 or 3)

1. Buyer will assume and pay all taxes on the Property beginning with the taxes due and payable on _____, _____, and all taxes due thereafter. At or before closing, Seller shall pay all taxes for the Property payable before that date.
2. All taxes that have accrued for any prior calendar year that remain unpaid shall be paid by Seller either to the County Treasurer and/or the Buyer in the form of a credit at closing. All taxes that have accrued for the current calendar year shall be prorated on a calendar-year basis as of the day immediately prior to the Closing Date.

For purposes of paragraph 1 and 2: For the purpose of determining the credit amount for accrued but unpaid taxes, taxes shall be assumed to be the same as the most recent year when taxes were billed based upon certified tax rates. This shall be a final settlement.

3. FOR RECENT CONSTRUCTION OR OTHER TAX SITUATIONS. Seller will give a tax credit of \$ _____ to Buyer at closing. This shall be a final settlement.

[Faint, illegible text covering the majority of the page, possibly bleed-through from the reverse side.]

WARNING: THE SUCCEEDING YEAR TAX BILL FOR RECENTLY CONSTRUCTED HOMES OR FOLLOWING REASSESSMENT PERIODS MAY GREATLY EXCEED THE LAST TAX BILL AVAILABLE TO THE CLOSING AGENT.

Buyer acknowledges Seller's tax exemptions and/or credits may not be reflected on future tax bills.

Buyer may apply for current-year exemptions/credits at or after closing.

R. **PRORATIONS AND SPECIAL ASSESSMENTS:** Insurance, If assigned to Buyer, interest on any debt assumed or taken subject to, any rents, all other income and ordinary operating expenses of the Property, including but not limited to, public utility charges, shall be prorated as of the day immediately prior to the Closing Date. Seller shall pay any special assessments applicable to the Property for municipal improvements previously made to benefit the Property. Seller warrants that Seller has no knowledge of any planned improvements which may result in assessments and that no governmental or private agency has served notice requiring repairs, alterations or corrections of any existing conditions. Public or municipal improvements which are not completed as of the date above but which will result in a lien or charge shall be paid by Buyer. Buyer will assume and pay all special assessments for municipal improvements completed after the date of this Agreement.

S. **TIME:** Time is of the essence. Time periods specified in this Agreement and any subsequent Addenda to the Purchase Agreement are calendar days and shall expire at 11:59 PM of the date stated unless the parties agree in writing to a different date and/or time.

Note: Seller and Buyer have the right to withdraw any offer/counter offer prior to written acceptance and delivery of such offer/counter offer.

T. **HOMEOWNERS ASSOCIATION/CONDOMINIUM ASSOCIATION ("Association"):** Documents for a mandatory membership association shall be delivered by the Seller to Buyer within 10 days after acceptance of this Agreement. If the Buyer does not make a written response to the documents within 10 days after receipt, the documents shall be deemed acceptable. In the event the Buyer does not accept the provisions in the documents and such provisions cannot be waived, this Agreement may be terminated by the Buyer and the earnest money deposit shall be refunded to Buyer promptly. Any approval of sale required by the Association shall be obtained by the Seller, in writing, within 10 days after Buyer's approval of the documents. Fees charged by the "Association", or its management company, for purposes of verification of good standing and/or transfer of ownership shall be shared equally by Buyer and Seller. Start-up or one time reserve fees, if any, shall be paid by Buyer.

Buyer acknowledges that in every neighborhood there are conditions which others may find objectionable. Buyer shall therefore be responsible to become fully acquainted with neighborhood and other off-site conditions that could affect the Property.

U. **ATTORNEY'S FEES:** Any party to this Agreement who is the prevailing party in any legal or equitable proceeding against any other party brought under or with relation to the Agreement or transaction shall be additionally entitled to recover court costs and reasonable attorney's fees from the non-prevailing party.

V. **ADDITIONAL PROVISIONS:**

1. Unless otherwise provided, any prorations for rent, taxes, insurance, damage deposits, association dues/assessments, or any other items shall be computed as of the day immediately prior to the Closing Date.
2. Underground mining has occurred in Indiana, and Buyers are advised of the availability of subsidence insurance.
3. The Indiana Sheriff's Sex Offender Registry (www.indianasheriffs.org) exists to inform the public about the identity, location and appearance of sex offenders residing within Indiana. Broker is not responsible for providing or verifying this information.
4. Conveyance of this Property shall be by general Warranty Deed, or by _____, subject to taxes, easements, restrictive covenants and encumbrances of record, unless otherwise agreed.
5. Seller represents and warrants that Seller is not a "foreign person" (individual entity) and, therefore, is not subject to the Foreign Investment in Real Property Tax Act.
6. Any notice required or permitted to be delivered shall be deemed received when personally delivered, transmitted electronically or digitally or sent by express courier or United States mail, postage prepaid, certified and return receipt requested, addressed to Seller or Buyer or the designated agent of either party.

**A RESOLUTION OF THE BOARD OF PUBLIC WORKS
OF THE CITY OF FORT WAYNE, INDIANA,
AUTHORIZING THE SALE OF CERTAIN REAL PROPERTY**

RESOLUTION NUMBER 101-6-4-14-1

WHEREAS, the City of Fort Wayne Board of Public Works (the "Board") owns certain real property (the "Parcel"), the legal description to which is attached hereto as Exhibit "A" and made a part of this Resolution by this reference; and

WHEREAS, Dealership Real Estate Holdings, LLC ("DREH") wishes to purchase the Parcel from the Board; and

WHEREAS, Indiana Code Title 36, Article 1, Chapter 11, Section 3(b)(2) [IC 36-1-11-3(b)(2)] requires the Board to conduct a public hearing regarding the sale of the Parcel and to give the Board's recommendation of whether or not the sale of the Parcel should proceed to the Mayor of the City of Fort Wayne, Indiana; and

WHEREAS, public notice of today's hearing was given on May 23, 2014, being at least ten (10) days prior to the hearing date in accordance with Indiana Code Title 5, Article 3, Chapter 1, Section 2(b) [IC 5-3-1-2(b)], which said notice gave the date, time, location and subject matter of the hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, AS FOLLOWS:

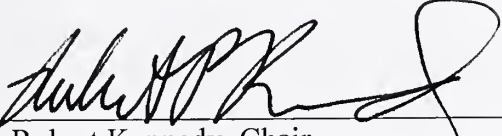

1. After holding a public hearing during which the Board requested to hear from citizens wishing to speak about the proposed sale of the Parcel as described in the aforesaid Exhibit "A," the Board hereby recommends to the Mayor of the City of Fort Wayne, Indiana, that the sale of the Parcel to Dealership Real Estate Holdings, LLC, should proceed, and at the agreed upon purchase price of \$40,000; and
2. That the Board hereby authorizes DeWayne Nodine, Program Manager, Capital Project Services with Fort Wayne City Utilities Engineering to sign, in the name of and on behalf of the Board, any deed associated with the sale of the Parcel in the event that the sale of the Parcel is approved by both the Common Council, and the Mayor of the City of Fort Wayne, Indiana.

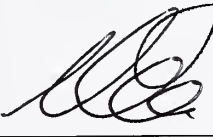

This resolution shall be in full force and effect from and after its adoption by the Board of Public Works of the City of Fort Wayne, Indiana.

APPROVED this 4th day of June, 2014.

**PURCHASE AGREEMENT
COMMERCIAL-INDUSTRIAL REAL ESTATE**

Date: April 15, 2014

1. **PARTIES:** CITY UTILITIES OF FORT WAYNE, INDIANA ("Seller") agrees to sell and convey to **DEALERSHIP REAL ESTATE HOLDINGS, LLC** ("Buyer") and Buyer agrees to buy from Seller the following property for the consideration and upon and subject to the terms, provisions, and conditions hereinafter set forth. As used herein, the "Effective Date" shall be the date on which the last party signed or initialed acceptance of the final offer.
2. **PROPERTY:** The property commonly known as the approximate 1.105 acres of land situated south of the I-69 Right of Way and adjacent to the west of the existing Dealership Real Estate Holdings, LLC property, located in Interstate Industrial Park, Section D, Fort Wayne, Indiana; and all privileges, and appurtenances pertaining thereto including any right, title and interest of Seller in and to adjacent streets, alleys, or rights-of-way; all of the above hereinafter collectively called "Property," and whose description is on the attached survey shown as Exhibit "A" attached hereto and incorporated herein.
3. **PRICE:** The total purchase price shall be Forty Thousand and 00/100 Dollars (\$40,000.00), payable in cash at closing.

Buyer agrees that it is purchasing the property "AS IS WHERE IS", and Buyer disclaims and waives any right to assert a claim against the Seller based upon breach of contract and/or breach of warranty arising from the condition of the property or Buyer's inability to use the property for its intended purpose.

4. **EARNEST MONEY:** Buyer shall submit \$5,000.00 as earnest money which shall be applied to the purchase price. The earnest money shall be deposited into the escrow account of Metropolitan Title Company as Escrow Agent, within two (2) banking days of acceptance of this Agreement and held in it until time of closing the transaction or termination of this Agreement. If Buyer fails for any reason to submit earnest money, Seller may terminate this Agreement. If this offer is accepted and Buyer fails or refuses to close the transaction, without legal cause, the earnest money shall be forfeited by Buyer to Seller as liquidated damages. The Escrow Agent holding any earnest money is absolved from any responsibility to make payment to the Seller or Buyer unless the parties enter into a Mutual Release or a Court issues an Order for payment. If the parties do not mutually consent to the release of the earnest money, then they agree that the Escrow Agent holding the earnest money may file an interpleader action with a Court regarding disposition of the earnest money.

5. **CONTINGENCIES:** The Buyer's performance under this agreement is contingent upon:

The Buyer shall have a 90 day contingency period from the Effective Date of this purchase agreement to obtain all of the necessary approvals from the Fort Wayne Board of Public Works and the Fort Wayne City Council to complete the purchase.

Buyer may, at any time on or before the expiration of the above contingency period, in its sole and absolute discretion, terminate this Agreement, and all earnest money shall be returned to the Buyer, or such contingencies shall be waived by the Buyer and the transaction shall proceed towards closing. If Buyer shall fail to provide Seller with notice that such contingencies have been satisfied or waived within said time period, this Agreement shall be void and Earnest Money shall be refunded to Buyer.

6. **ADDITIONAL PROVISIONS:** Sale is contingent on the Seller obtaining the necessary approvals from the Fort Wayne Board of Public Works and the Fort Wayne City Council.
7. **CLOSING:** The closing of the sale (the "Closing Date") shall take place at the Title Company who insures this transaction or at such place as agreed by Seller and Buyer on or before July 11, 2014, or as soon thereafter as all contingencies have been waived or met unless such date is changed in writing by Seller and Buyer, or otherwise extended as herein provided.
8. **POSSESSION:** The possession of the Property shall be delivered to Buyer at closing subject to tenant's rights, if applicable, in its present condition, ordinary wear and tear excepted. Seller shall maintain the property and related equipment in its present condition until possession is delivered to Buyer, subject to repairs in response to any inspection. Buyer may inspect the property prior to closing to determine whether Seller has complied with this paragraph. Seller shall pay for all municipal services and public utility charges through the day of possession.
9. **INSPECTIONS:** None
10. **REAL ESTATE TAXES:** The taxes assessed for the current year, due and payable in the year following closing, shall be prorated between Seller and Buyer on a calendar year basis as of the day immediately prior to the Closing Date. All taxes assessed for any prior calendar year and remaining unpaid shall also be paid by Seller.

- (A) If the tax rate or assessment for taxes assessed or payable in the year of closing has not been determined as of the Closing Date, the assessment or rate shall be assumed to be the same as the most recent assessment or rate.

- (B) Taxes which are Seller's responsibility and not yet due as of the Closing Date shall be credited against the purchase price or cash portion thereof payable by Buyer at closing, and Seller shall have no further liability for such taxes.
- (C) All taxes due and payable on or prior to the Closing Date shall be paid at or before closing and charged at closing to the responsible party.

11. INSURANCE AND RISK OF LOSS: Seller shall maintain replacement cost (if available) or actual cash value "all risk" insurance on the Property through the Closing Date. Seller's insurance shall be canceled as of the Closing Date and Buyer shall provide its own insurance thereafter. Risk of loss by damage or destruction to the Property prior to the closing shall be borne by Seller. In the event any damage or destruction is not fully repaired prior to closing, Buyer at its option, may either terminate this Agreement or elect to close the transaction, in which event Seller's right to all insurance proceeds not yet applied to repair of the damage or destruction shall be assigned in writing by Seller to Buyer at closing.

12. TITLE AND SURVEY: Buyer's obligations under this Agreement are conditioned upon satisfaction of each of the following items which are for the Buyer's benefit and may be waived by Buyer at Buyer's sole discretion.

1. **Title Commitment:** A commitment for title insurance (the "Commitment") issued by Metropolitan Title Company (the "Title Company") showing marketable title in Seller's name shall be ordered by Buyer. Title Insurance shall be at Buyer's expense.
2. **Survey:** A survey shall be ordered promptly by Buyer at Buyer's expense. It shall be prepared by a licensed Indiana surveyor.
3. **Title and Survey Approval:** If Buyer has an objection to items disclosed in the Commitment or the Survey, Buyer shall make written objections to Seller within 5 days after receipt of both the Commitment and survey. Upon the expiration of such period, any item not objected to by Buyer or subsequently approved by Buyer in writing shall be deemed a permitted exception ("Permitted Exception"). If Buyer makes objections, Seller shall have fifteen (15) days from the date the objections are made to cure the same, and the Closing Date shall be extended, if necessary. Seller agrees to utilize its best efforts and reasonable diligence to cure any objections, but only to the extent necessary to convey marketable title. If the objections are not satisfied within the time period, Buyer may either terminate this Agreement and receive a refund of the Earnest Money or waive the unsatisfied objections and close the transaction.

13. PRORATIONS AND SPECIAL ASSESSMENTS: Interest on any debt assumed or taken subject to, any rents, and all other income and ordinary operating expenses of the Property, including but not limited to, public utility charges, shall be prorated as of the day prior to the Closing Date. Any special assessments applicable to the Property for municipal improvements previously made to benefit the Property shall be paid by Seller. Seller warrants that Seller has no knowledge of any planned improvements which may result in assessments and that no governmental or private agency has served notice requiring repairs, alterations or corrections of any existing conditions. Public or Municipal improvements which are not completed as of the date above but which will result in a lien or charge shall be paid by Buyer. Buyer will assume and agree to pay all special assessments for municipal improvements which are completed after the date of closing.

14. SALES EXPENSE: Seller and Buyer agree that all sales expenses are to be paid in cash prior to or at the closing.

A. SELLER'S EXPENSES: Seller agrees to pay Seller's attorney fees; and other expenses stipulated to be paid by Seller under other provisions of this Agreement.

B. BUYER'S EXPENSES: Buyer agrees to pay all expenses for Title Insurance, Survey, Appraisals, recording fees, closing fees, Buyer's attorney fees, and expenses stipulated to be paid by Buyer under other provisions of this Agreement.

15. DEFAULT: If this Agreement becomes effective and Buyer, having no right or option to terminate this Agreement, fails to complete the purchase as provided in this Agreement, Buyer shall pay to Seller, as liquidated damages, an amount equal to the earnest money deposited by Buyer ("Damages"). Seller shall have no other remedy against Buyer at law or in equity. Earnest money deposited shall be credited against the Damages.

If Seller breaches this Agreement and is in default, then the Earnest Money shall be returned to Buyer. In addition, if Seller is in default, the Buyer may seek specific performance or any other remedy provided by law or equity against the Seller, including all reasonable costs and expenses, including attorney's fees, incurred by Buyer due to Seller's breach.

16. ATTORNEY'S FEES: Any signatory to this Agreement who is the prevailing party in any legal or equitable proceeding against any other signatory brought under or with relation to the Agreement or transaction shall be additionally entitled to recover court costs and reasonable attorney's fees from the non-prevailing party.

17. ESCROW: The Earnest Money is deposited with Escrow Agent with the understanding that Escrow Agent (a) is not a party to this Agreement and does not assume or have any liability for performance or non-performance of any party and (b) before the Escrow Agent has any obligation to disburse the Earnest Money in the event of dispute, he has the right to require from all signatories a written release of liability of the Escrow Agent, termination of the Agreement and authorization to disburse the Earnest Money. The Earnest Money shall be applied to the purchase price at closing unless returned to Buyer, released to Seller, or otherwise disbursed in accordance with this Agreement.

18. DUTIES OF BUYER AND SELLER AT CLOSING:

A. At the closing, Seller shall deliver to Buyer:

- (1) A duly executed and acknowledged Deed conveying good and indefeasible title in fee simple to all of the Property, free and clear of any and all liens, encumbrances, conditions, easements, assessments, reservations and restrictions, except as permitted herein and/or approved by Buyer in writing and an executed Vendor's Affidavit;
- (2) Furnish evidence of its capacity and authority for the closing of this transaction;
- (3) Execute all other necessary documents to close this transaction.

B. At the closing, Buyer shall perform the following:

- (1) Pay the cash portion of the Sales Price in the form of a certified or cashier's check or bank wire transfer.;
- (2) Furnish evidence of its capacity and authority for the closing of this transaction;
- (3) Pay Buyer's expenses described in Paragraph 14B;
- (4) Execute all other necessary documents to close this transaction.

19. CONDEMNATION: If prior to Closing Date condemnation proceedings are commenced against any portion of the Property, Buyer may, at its option, terminate this Agreement by written notice to Seller within five (5) days after Buyer is advised of the commencement of condemnation proceedings, or Buyer shall have the right to appear and defend in such condemnation proceedings, and any award in condemnation shall, at the Buyer's election, become the property of Seller and reduce the purchase price by the same amount or shall become the property of Buyer and the purchase price shall not be reduced.

20. CASUALTY LOSS: Risk of loss by damage or destruction to the Property prior to the closing shall be borne by Seller. In the event any such damage or destruction is not fully repaired prior to closing, Buyer, at its option, may either (a) terminate this Agreement, or (b) elect to close the transaction, in which event Seller's right to all insurance proceeds resulting from such damage or destruction shall be assigned in writing by Seller to Buyer.

21. RESPONSIBLE PROPERTY TRANSFER LAW:

Seller agrees to comply with Indiana's Responsible Property Transfer Law I.C. Section 13-25-3-1 et seq ("IRPTL"), if applicable.

22. RIGHT TO ASSIGN:

The Buyer shall have the right to assign this agreement prior to closing, but such assignment shall not release Buyer from the terms and conditions of this agreement including the default provision in Paragraph 16.

23. MISCELLANEOUS:

A. Any notice provided under this Agreement shall be in writing and given to the other party at the party's address stated in this Agreement, or to the party's broker at the broker's principal place of business, or at such other address as a party may designate in a notice. Notice shall be deemed given when: (a) personal service of the notice is made on the party to be notified; (b) the notice is mailed to the party to be notified by means of certified or registered U.S. mail, return receipt requested, postage prepaid; or (c) the notice is sent to the party to be notified by express courier such as "Federal Express", "UPS", or such other similar carrier guaranteeing next day delivery.

B. This Agreement shall be construed under and in accordance with the laws of the State of Indiana.

C. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

D. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

E. This Agreement constitutes the sole and only agreement of the parties hereto and supersedes any prior understandings or written or oral agreements between the parties respecting the transaction and cannot be changed except by their written consent.

F. Time is of the essence in this Agreement.

G. Words of any gender used in this Agreement shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa, unless the context requires otherwise.

24. **TERMINATION OF OFFER:** Unless accepted by Seller and delivered to Buyer by 5:00 (P.M.), the 29th day of April, 2014, this Purchase Agreement shall be null and void and all parties hereto shall stand relieved and released of any and all liability or obligations hereunder.

25. **TAX DEFERRED EXCHANGE:** In the event that Seller wishes to enter into a Section 1031 tax deferred exchange for the real property described herein, or if Purchaser wishes to enter into a tax deferred exchange with respect to property owned by it in connection with this transaction, each of the parties agrees to cooperate with the other party in connection with such exchange, including the execution of such documents as may be reasonably necessary to effectuate the same. Provided that: (a) the other party shall not be obligated to delay the closing, (b) all additional costs in connection with the exchange should be borne by the party whose property is exchanged, and (c) the other party shall not be obligated to execute any note, contract, or other document providing for any liability which would survive the exchange.

26. **CONSULT YOUR ADVISOR:** Buyer and Seller acknowledge they have been advised that, prior to signing this Agreement, they should seek the advice of an attorney for the legal or tax consequences of this Agreement and the transaction to which it relates.

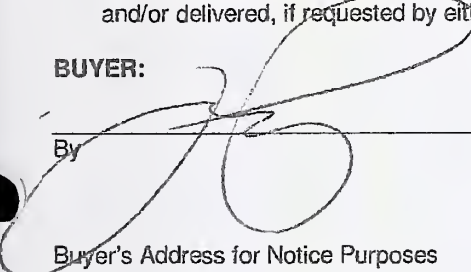

In any real estate transaction, it is recommended that you consult with a professional, such as a civil engineer or others with experience in evaluation of the condition of the property, including the possible presence of asbestos, hazardous and/or toxic materials and underground storage tanks.

27. **ACKNOWLEDGMENTS:** Buyer and Seller acknowledge that no Real Estate Broker is involved in this transaction. By signature below the parties verify that they understand and approve this Purchase Agreement and acknowledge receipt of a signed copy.

This Agreement may be executed simultaneously or in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of this document may be accomplished by e-mail or electronic facsimile reproduction (FAX). The parties intend that e-mail or FAX transmitted signatures constitute original signatures and are binding on the parties. If e-mail or FAX delivery is utilized, the original document shall be promptly executed and/or delivered, if requested by either party.

RESOLUTION 101-6-4-14-2
ESTABLISHING CERTAIN RATES AND CHARGES
AND THE AMENDMENT OF CHAPTER 51 OF
THE CITY OF FORT WAYNE CODE OF ORDANCES

WHEREAS, pursuant to Indiana Code 36-9-23-26, the Common Council of the City of Fort Wayne, Indiana has enacted a User Charge System and a Sewer Use Ordinance as contained in Chapter 51 of the Fort Wayne Code of Ordinances; and

WHEREAS, Board of Public Works is charged with the responsibility for the operation of Fort Wayne City Utilities including long-term planning, engineering, financing and construction of sanitary sewer infrastructure served by the Fort Wayne Water Pollution Control Utility; and

WHEREAS, the Fort Wayne Water Pollution Control Utility has incorporated plans for the treatment plant, sewer capacity and water quality capital projects into the Sewer Capital Improvement Program; and

WHEREAS, the Fort Wayne Common Council through Bill G-13-05-32 has implemented an assessment for the cost of reading private water exemption meters including but not limited to deduct, adduct and private well meters; and

WHEREAS, an Area Connection Fee to be charged to new customers at the time they connect, directly to the Fort Wayne sewer system or indirectly via a sewer system operated by another entity that sends sewage to the Fort Wayne Water Pollution Control Utility necessary to meet the requirements of IC 36-9-23-25 and to help offset the costs of improvements and extensions to the Fort Wayne system; and

WHEREAS, the Fort Wayne Water Pollution Control collects and treats wastewater from establishments where food or drink products are prepared, served or provided for human consumption and wastewater from such establishments is more costly to monitor and treat than wastewater from other users; and

WHEREAS, the Fort Wayne Water Pollution Control Utility provides inspection of taps made to the sewer system to protect the integrity of the system with such inspections having a fixed cost; and

WHEREAS, the Fort Wayne Water Pollution Control Utility provides and installs water meters on private wells when requested by customers for the purpose of determining sewer billing; and

WHEREAS, the Fort Wayne Water Pollution Control Utility staff recommend the following be added to chapter 51 of the City of Fort Wayne Code 51.001 DEFINITIONS:

FOOD SERVICE ESTABLISHMENT. Any establishment, including, but not limited to, a restaurant, coffee shop, cafeteria, short-order café, luncheonette, bar, tavern, sandwich stand, soda fountain, commissary, drive-in restaurant, drink establishment, snack bar, food counter, dining room, food catering facility, industrial cafeteria, convenience store, grocery store, private, public or non-profit organization or institution routinely serving food, and any other establishment, where food or drink produces are prepared, served or provided for human consumption with or without charge. The term does not include private homes where food is prepared or served for individual family consumption, vending only facilities that provide only pre-packaged foods, or any temporary establishment, whether fixed or mobile, operating at one site for locations for a period of time not in excess of fourteen (14) days.

TAP INSPECTION. Onsite inspection performed or authorized by City Utilities of a newly installed, replaced, repaired or altered Building (or House) Sewer Lateral and it's connection to the City's public sanitary sewer system. A Tap Inspection Fee shall be charged to the Property Owner for the cost of the inspection.

METER ON WELL INSTALLATION. A City Utilities-owned water meter installed on a privately owned residential water well to obtain a measure of water use for the purpose of calculating a monthly sewer usage charge for the property.

WHEREAS, in order to encourage growth, investment and development and to allow City Utilities to contribute to the payment of costs associated with the installation, adjustment, inspection, monitoring and other improvement to the water pollution control utility, that Area Connection Fees and other rates and charges for services provided by the Water Pollution Control Utility be established.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board of Public Works of the City of Fort Wayne, Indiana deems it in the best interest of the Fort Wayne Water Pollution Control Utility, in order to ensure charges and fees stay balanced, continue to support economic development, insulate rate payers from new developments, and are adequate to repay sunk costs to adjust the City of Fort Wayne Code Section 51.0076.5 Area Connection Fee and City of Fort Wayne Code Section 51.077.5 Other Rates and Charges as follows:

§ 51.067 DEDUCT METER READING ASSESSMENT

\$20.00 per trip read meter(s)
\$8.00 per meter per trip

§ 51.076.5 AREA CONNECTION FEE.

(B) Area Connection Fee Charges, for areas as designated on Exhibit A.

Deer Track Area	\$2,950 per ERU

§ 51.077.5 OTHER RATES AND CHARGES.

(A) Food Service Establishment Surcharge	\$1.0129 per ccf per month
(B) Tap Inspection Fee	\$75.00 per inspection

(C) Meter on Well Installation

\$254.00 per installation

2. The Board of Public Works recommends to the Common Council of the City of Fort Wayne that the adjustments be approved and become effective upon approval and any and all necessary approval by the Mayor and due legal publication.
3. The Board of Public Works recommends to the Common Council of the City of Fort Wayne to amend Chapter 51 of the City of Fort Wayne Code of Ordinances section 51.001 Definitions with the following additions:

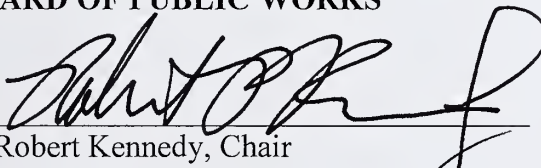

“FOOD SERVICE ESTABLISHMENT. Any establishment, including, but not limited to, a restaurant, coffee shop, cafeteria, short-order café, luncheonette, bar, tavern, sandwich stand, soda fountain, commissary, drive-in restaurant, drink establishment, snack bar, food counter, dining room, food catering facility, industrial cafeteria, convenience store, grocery store, private, public or non-profit organization or institution routinely serving food, and any other establishment, where food or drink produces are prepared, served or provided for human consumption with or without charge. The term does not include private homes where food is prepared or served for individual family consumption, vending only facilities that provide only pre-packaged foods, or any temporary establishment, whether fixed or mobile, operating at one site for locations for a period of time not in excess of fourteen (14) days

TAP INSPECTION. WHEREAS, the City of Fort Wayne (the "City") has an ongoing program of purchasing properties critical to its Capital Improvement Program; and

WHEREAS, the City has need for the property located at 707 N. Coliseum Boulevard, Fort Wayne, Indiana 46805 for future expansion of the water pollution control facilities located on the north side of the Maumee River, another access route to these facilities, construction staging/access for upcoming work on Pond No. 3, improved access to City Utilities piping/infrastructure along this section of the River Greenway, possible trade with a property owner on the south side of the river for the upcoming 3PORT project, and possible trade with Lakeside Cemetery; and

WHEREAS, the City wishes to purchase from John A. Grodrian the property commonly known as 707 N. Coliseum Boulevard, Fort Wayne, Indiana 46805, and more particularly described by the legal description which is attached hereto as Exhibit "A" and made a part of this Resolution by this reference (the "Real Estate"); and

WHEREAS, John A. Grodrian wishes to sell the Real Estate to the City; and

WHEREAS, the agreed purchase price is Seventy Nine Thousand Nine Hundred and No/100 Dollars (\$79,900.00), which is \$1,600 less than the average of two appraisals as mandated by Indiana statute.

**NOW THEREFORE, BE IT RESOLVED BY THE CITY OF FORT WAYNE,
INDIANA BOARD OF PUBLIC WORKS AS FOLLOWS:**

SECTION 1. The purchase of the Real Estate by the City of Fort Wayne, Indiana, for the price of Seventy Nine Thousand Nine Hundred and No/100 Dollars (\$79,900.00) is hereby approved.

48 H. REAL ESTATE TAXES: (Check paragraph 1, 2, or 3 below)

- 49 1. Current Year (Lien Basis In Arrears) Indiana Customary Proration: The taxes assessed for the current year, due and
50 payable in the year following closing, shall be prorated between Seller and Buyer on a calendar year basis as of the day
51 immediately prior to the Closing Date. All taxes assessed for any prior calendar year and remaining unpaid shall also be paid
52 by Seller.
- 53 2. Prior Year (Cash Basis) Proration When Taxes Are Paid: The taxes assessed for the year prior to closing, due and
54 payable during the year of closing, shall be prorated between Seller and Buyer on a calendar year basis as of the day
55 immediately prior to the Closing Date. Buyer shall be responsible for all taxes assessed for the current year due and payable
56 in the year following closing.
- 57 3. Installment Basis: Buyer will assume and pay all taxes on the Property beginning with the tax installment due and
58 payable on _____, _____, and all taxes due thereafter. Seller shall pay all taxes for the Property
59 due and payable before such tax installment not assumed by Buyer.

60 For Purposes of 1, 2, and 3 above:

- 61 (A) If the tax rate or assessment for taxes assessed or payable in the year of closing has not been determined as of the
62 Closing Date, the assessment or rate shall be assumed to be the same as the most recent assessment or rate.
- 63 (B) Taxes which are Seller's responsibility and not yet due as of the Closing Date shall be credited against the purchase
64 price or cash portion thereof payable by Buyer at closing, and Seller shall have no further liability for such taxes.
- 65 (C) All taxes due and payable on or prior to the Closing Date shall be paid at or before closing and charged at closing to
66 the responsible party.
- 67 (D) Buyer shall have the right to assume control and responsibility of all real estate tax appeals, and any rebates, refunds or
68 credits shall be prorated between Seller and Buyer as of the Closing Date.
- 69 (NOTE: The succeeding year's tax bill for recently constructed buildings or following reassessment periods may
70 greatly exceed the last tax bill available to the closing agent.)

71 I. INSURANCE AND RISK OF LOSS: Seller shall maintain replacement cost (if available) or actual cash value "all risk"
72 insurance on the Property through the Closing Date. Seller's insurance shall be canceled as of the Closing Date and Buyer
73 shall provide its own insurance thereafter. Risk of loss by damage or destruction to the Property prior to the closing shall be
74 borne by Seller. In the event any damage or destruction is not fully repaired prior to closing, Buyer, at its option, may either
75 terminate this Agreement or elect to close the transaction, in which event Seller's right to all insurance proceeds not yet
76 applied to repair of the damage or destruction shall be assigned in writing by Seller to Buyer at closing. Seller shall reimburse
77 Buyer at closing for any insurance deductible.

78 J. CONDITIONS TO CLOSING: Buyer's obligations under this Agreement are conditioned upon satisfaction of each of the
79 following items which are for the Buyer's benefit and may be waived by Buyer at Buyer's sole discretion within 60 days from
80 the last date between Seller and Buyer of this Agreement or any counter-offers (the "Due Diligence Period").

81 1. Title Commitment: A commitment for title insurance (the "Commitment") issued by a reputable title insurance company
82 selected or approved by Buyer (the "Title Company") showing marketable title in Seller's name shall be ordered by
83 (Seller) (Buyer) promptly upon acceptance of this Agreement and shall be delivered to Buyer within _____ days
84 after IMMEDIATELY UPON ACCEPTANCE. At Buyer's request, legible copies of all recorded instruments
85 affecting the Property or recited as exceptions in the Commitment shall also be delivered.

86 2. Survey: A survey shall be ordered promptly upon acceptance of this Agreement and shall be furnished at (Seller's)
87 (Buyer's) expense within _____ days after _____. It shall be prepared by a
88 licensed Indiana surveyor selected or approved by Buyer, shall comply with requirements for ALTA Surveys, including
89 optional requirements from Table A, shall reflect whether the Property is located in a designated flood zone area and shall be
90 certified to Buyer, the Title Company and Buyer's lender.

91 3. Title and Survey Approval: If Buyer has an objection to items disclosed in the Commitment or the survey, Buyer shall
92 make written objections to Seller within _____ days after receipt of both the Commitment and survey. Upon the
93 expiration of such period, any item not objected to by Buyer or subsequently approved by Buyer in writing shall be
94 deemed a permitted exception ("Permitted Exception"). If Buyer makes objections, Seller shall have thirty (30) days from
95 the date the objections are made to cure the same, and the Closing Date shall be extended, if necessary. Seller agrees
96 to utilize its best efforts and reasonable diligence to cure any objections, but only to the extent necessary to convey
97 marketable title. If the objections are not satisfied within the time period, Buyer may either terminate this Agreement and
98 receive a refund of the Earnest Money or waive the unsatisfied objections and close the transaction.

99 4. Inspections: (Check paragraph (A) and/or (B) or paragraph (C) below) Unless Buyer waives inspections under
100 paragraph (C), Buyer shall have determined that the Property has no unacceptable, adverse environmental or physical
101 condition as provided below.

102 (A) Environmental Assessment: A Phase I environmental site assessment ("Phase I") on the Property shall be ordered
103 by (Seller) (Buyer) promptly upon acceptance of this Agreement at (Seller's) (Buyer's) expense from a
104 reputable, qualified engineer, acceptable to Buyer. The Phase I shall be conducted in accordance with current ASTM
105 standards unless otherwise agreed and may also include at Buyer's option the following matters:

- 106 (1) an investigation for the presence of asbestos, radon, lead or polychlorinated biphenyls (PCBs) on the Property;
107 and/or
108 (2) an investigation to determine if the Property is located in any regulated or protected area under the jurisdiction of
109 the U.S. Army Corps of Engineers, the U.S. Environmental Protection Agency, the Indiana Department of
110 Environmental Management, the Indiana Department of Natural Resources, the U.S. Fish and Wildlife Service or
111 any other federal, state or local agency.

112 If Buyer does not make a written objection to any problem(s) revealed in the report within 14 days of
113 receipt of report, the Property shall be deemed to be acceptable. If Buyer determines that the

(office use only)

114 environmental condition is unsatisfactory, Seller shall have a reasonable period of time, not to exceed _____
115 days, to remediate the condition to Buyer's satisfaction and the Closing Date shall be extended, if necessary. If
116 Seller fails or refuses to remediate, Buyer may either terminate this Agreement and receive a refund of the Earnest
117 Money or waive its objection and close the transaction.

118 (B) **Physical Inspections:** Promptly upon acceptance of this Agreement, all physical inspections shall be ordered at
119 (Seller's) (Buyer's) expense. Inspections shall be made by qualified inspectors or contractors, selected or
120 approved by Buyer, with written reports delivered to Seller and Buyer. Inspections may include but are not limited
121 to the following: heating, cooling, electrical, plumbing, roof, walls, ceilings, floors, foundation, basement, crawl space,
122 mold, water, storm and waste sewer, well/septic, geotechnical, other: _____. If Buyer,
123 in its reasonable discretion, believes that an inspection report reveals a major defect in or with the Property, Buyer
124 shall report such defect in writing to Seller within _____ days of _____. If Buyer does not
125 make a written objection to any problem(s) revealed in the report(s) within such time period, the Property shall be
126 deemed acceptable to Buyer. Seller shall have a reasonable period of time, not to exceed _____ days, to repair
127 any such major defect to Buyer's reasonable satisfaction and the Closing Date shall be extended, if necessary. If
128 Seller fails or refuses to repair, Buyer may either terminate this Agreement and receive a refund of the Earnest Money
129 or waive its objection and close the transaction.

130 (C) **Waiver of Inspections:** BUYER HAS BEEN MADE AWARE THAT INDEPENDENT INSPECTIONS DISCLOSING THE CONDITION OF THE
131 PROPERTY ARE AVAILABLE, AND BUYER HAS BEEN AFFORDED THE OPPORTUNITY TO REQUIRE SUCH INSPECTIONS AS A CONDITION
132 OF THIS AGREEMENT. HOWEVER, BUYER WAIVES THE RIGHT TO OBTAIN INSPECTIONS AND RELIES UPON THE CONDITION OF THE
133 PROPERTY BASED UPON BUYER'S OWN EXAMINATION AND RELEASES SELLER AND LISTING AND SELLING BROKER(S) FROM ANY
134 AND ALL LIABILITY RELATING TO ANY PROBLEM, DEFECT OR DEFICIENCY AFFECTING THE PROPERTY, WHICH RELEASE SHALL
135 SURVIVE THE CLOSING.

136 Buyer and its agents shall have the right to enter upon the Property upon reasonable advance notice and make all inspections
137 provided for herein. Buyer shall restore any damage to the Property resulting from the entry of Buyer or its agents and shall
138 indemnify, defend and hold harmless Seller as to any injury to persons or damage to their property resulting from the
139 negligence of Buyer or its agents in conducting their activities on the Property.

140 **K. PRORATIONS AND SPECIAL ASSESSMENTS:** Interest on any debt assumed or taken subject to, any rents, all other
141 income and ordinary operating expenses of the Property, including but not limited to, public utility charges, shall be prorated as
142 of the day prior to the Closing Date. Any special assessments applicable to the Property for municipal improvements made to
143 benefit the Property prior to the date of acceptance of this Agreement shall be paid by Seller at or before closing. At closing,
144 Buyer will assume and agree to pay all special assessments for municipal improvements which are completed after
145 acceptance of this Agreement.

146 **L. SALES EXPENSES:** All sales expenses are to be paid in cash prior to or at the closing.

147 1. **Seller's Expenses:** Seller shall pay all costs of releasing existing loans and recording the releases, one-half (1/2) of any
148 closing fee, preparation of Deed and Vendor's Affidavit, Indiana Gross Income Tax, and other expenses stipulated to be
149 paid by Seller under other provisions of this Agreement.

150 2. **Buyer's Expenses:** Buyer shall pay all expenses incident to any new or assumed loan, one-half (1/2) of any closing fee,
151 and expenses stipulated to be paid by Buyer under other provisions of this Agreement.

152 **M. DEFAULT:** If Buyer breaches this Agreement, Seller may seek any remedy provided by law or equity, or terminate this
153 Agreement and receive the Earnest Money as liquidated damages. If Seller breaches this Agreement, Buyer may terminate
154 this Agreement and receive a refund of the Earnest Money, or Buyer may seek specific performance or any other remedy
155 provided by law or equity. In the event of Seller default, Seller shall immediately be obligated to pay all brokerage
156 commissions that would have been paid had this transaction closed. In the event of Buyer default, commissions may also be
157 due and payable pursuant to the terms of the applicable brokerage agreements.

158 **N. DUTIES OF BUYER AND SELLER AT CLOSING:**

159 1. At the closing, Seller shall deliver to Buyer, at Seller's sole cost and expense, the following:

160 (A) A duly executed and acknowledged WARRANTY Deed conveying marketable title in fee simple to all of
161 the Property, free and clear of any and all liens, encumbrances, conditions, easements, assessments, reservations and
162 restrictions, except Permitted Exception(s);

163 (B) An Owner's Policy of Title Insurance (the "Title Policy") Issued by the Title Company in the amount of the purchase price,
164 dated as of closing, insuring Buyer's fee simple title to the Property to be marketable subject only to the Permitted
165 Exception(s), and deleting the standard printed exceptions contained in the usual form of the Title Policy;

166 (C) An executed Vendor's Affidavit in form acceptable to the Title Company;

167 (D) A Bill of Sale, duly executed by Seller, containing warranties of title, conveying title, free and clear of all liens, to any
168 personal property specified in Paragraph B;

169 (E) An assignment, duly executed by Seller, of leases, prepaid rents, security deposits, and trade name, and to the extent
170 assignable, licenses and permits, warranties or guarantees, and to the extent agreed to be assumed by Buyer, all service,
171 maintenance, management or other contracts relating to the ownership or operation of the Property. Such assignment
172 shall include an Indemnity from Seller in favor of Buyer with respect to all claims and obligations arising under such leases
173 and contracts prior to the Closing Date. If Buyer does not agree to assume any such contract, then Seller shall deliver
174 evidence of termination of such contract at closing and shall indemnify Buyer as to all claims and obligations thereunder;

_____ (office use only)

- 175 (F) A current rent roll duly certified by Seller and any security or tenant deposits, if applicable;
 176 (G) Evidence of its capacity and authority for the closing of this transaction;
 177 (H) Certification establishing that no federal income tax is required to be withheld under the Foreign Investment and Real
 178 Property Tax Act, or consent to withhold tax from the proceeds of sale as required, unless it is established that the
 179 transaction is exempt;
 180 (I) All other executed documents necessary to close this transaction.
- 181 **2. At the closing, Buyer shall perform, at Buyer's sole cost and expense, the following:**
 182 (A) Pay the cash portion of the purchase price in the form of a cashier's check or other immediately available funds;
 183 (B) Execute any note(s) and mortgage(s) and cause the funds to be made available to the closing agent for disbursement;
 184 (C) Provide evidence of its capacity and authority for the closing of this transaction;
 185 (D) Provide to Buyer's lender any title policy as required by the holder(s) of the mortgage(s);
 186 (E) An assumption agreement by Buyer (which may be included in Seller's assignment pursuant to Paragraph N.1(E) above)
 187 with respect to leases assigned to Buyer and contracts, if any, which Buyer has agreed to assume. Such assumption
 188 agreement shall include an indemnity from Buyer in favor of Seller as to claims and obligations arising under such leases
 189 and contracts assumed by Buyer from and after the Closing Date;
 190 (F) Execute all other documents necessary to close this transaction.
- 191 **O. CONDEMNATION:** Seller shall promptly notify Buyer in writing of the commencement of any condemnation proceedings
 192 against any portion of the Property. If such condemnation proceedings are commenced, Buyer, at its option, may (1) terminate
 193 this Agreement by written notice to Seller within seven (7) days after Buyer is advised of the commencement of
 194 condemnation proceedings, or (2) appear and defend in any condemnation proceedings, and any award shall, at Buyer's
 195 election, (a) become the property of Seller and reduce the purchase price by the same amount or (b) shall become the
 196 property of Buyer and the purchase price shall not be reduced.
- 197 **P. RESPONSIBLE PROPERTY TRANSFER LAW:**
 198 1. Seller is not required to provide Buyer with a Disclosure Statement pursuant to I.C. Section 13-25-3-1 et seq., Indiana's
 199 Responsible Property Transfer Law ("IRPTL"), because, to the best of Seller's knowledge, the Property is exempt from the
 200 provisions of the law or (a) the Property does not contain any hazardous chemical or material which must be disclosed
 201 under the Federal Emergency Planning and Community Right-to-Know Act of 1986; (b) the Property does not contain any
 202 underground storage tanks which are or have been utilized to hold petroleum or other regulated substances; and (c) the
 203 Property is not listed on the Comprehensive Environmental Response, Compensation and Liability Information System.
 204 2. If Seller learns that the Property comes within the terms of IRPTL after execution of this Agreement, then Seller shall
 205 provide to Buyer the required disclosure document and comply with all other parts of this law.
- 206 **Q. MISCELLANEOUS:**
 207 1. Any notice required or permitted to be delivered shall be deemed received when personally delivered or when confirmed
 208 as received by facsimile (with a copy sent by United States mail), express courier or United States mail (postage prepaid,
 209 certified and return receipt requested) addressed to Seller or Buyer or their designee at the address set forth below
 210 the signature of each party.
 211 2. This Agreement shall be construed in accordance with the laws of the State of Indiana.
 212 3. Time is of the essence. Time periods specified in this Agreement and any addenda are calendar days and shall expire at
 213 midnight of the date stated unless the parties agree otherwise in writing.
 214 4. This Agreement is binding upon and for the benefit of the parties' respective heirs, administrators, executors, legal
 215 representatives, successors, and assigns. No assignment of this Agreement shall release a party from liability for its
 216 obligations hereunder.
 217 5. If any provision contained in this Agreement is held invalid, illegal, or unenforceable in any respect, the invalidity, illegality,
 218 or unenforceability shall not affect any other provision.
 219 6. This Agreement constitutes the entire agreement of the parties and cannot be changed except by their written consent.
 220 7. By signing below, the parties to this transaction acknowledge receipt of a copy of this Agreement and give their
 221 permission to a Multiple Listing Service or other advertising media, if any, to publish information regarding this transaction.
 222 8. Broker(s) may refer Buyer or Seller to other professionals, service providers or product vendors, including lenders, loan
 223 brokers, title insurers, escrow companies, inspectors, surveyors, engineers, consultants, environmental inspectors and
 224 contractors. Broker(s) has no responsibility for the performance of any service provider and/or inspector. Buyer and
 225 Seller are free to select providers/inspectors other than those referred or recommended to them by Broker(s).
 226 9. Buyer discloses to Seller that Buyer is licensed and holds License # _____, Seller discloses to
 227 Buyer that Seller is licensed and holds License # _____.
 228 10. Where the word "Broker" appears, it shall mean "Licensee" as provided in I.C. 25-34.1-10-6.8.
 229 11. Any party who is the prevailing party against any other party in any legal or equitable proceeding relating to this
 230 Agreement shall be entitled to recover court costs and reasonable attorney fees from the non-prevailing party.
 231 12. The parties agree that this Agreement may be transmitted between them electronically or digitally. The parties intend that
 232 electronically or digitally transmitted signatures constitute original signatures and are binding on the parties. The original
 233 document shall be promptly executed and/or delivered. This Agreement may be executed simultaneously or in two or
 234 more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same
 235 instrument.
 236 13. Each person executing this Agreement on behalf of a party represents and warrants that he or she has been authorized
 237 by all necessary action to execute and deliver this Agreement on behalf of such party.

(office use only)

238 R. CONSULT YOUR ADVISORS: Buyer and Seller acknowledge they have been advised that, prior to signing this document,
239 they should seek the advice of an attorney for the legal or tax consequences of this document and the transaction to which it
240 relates. In any real estate transaction, it is recommended that you consult with a professional, such as a civil engineer,
241 environmental engineer, or other person, with experience in evaluating the condition of the property, including the possible
242 presence of asbestos, hazardous and/or toxic materials and underground storage tanks.

243 S. CONFIRMATION OF AGENCY RELATIONSHIPS: Buyer and Seller acknowledge that each has received agency office policy
244 disclosures, had agency explained and now confirm their agency relationships. Buyer and Seller further acknowledge that
245 they understand and accept agency relationships involved in this transaction.

WHEREAS, by Quitclaim Deed from the United States of America, acting through the Secretary of Education, by the Director, Real Property, Office of Management of the U.S. Department of Education (the "United States"), dated July 2, 1996 and recorded on July 24, 1997, as Document # 970040033 in the records of the Allen County, Indiana Recorder's Office (the "Deed"), the United States transferred unto the City of Fort Wayne (the "City") a certain tract of land, containing 4.03 acres of improved land designated as the former Naval Reserve Center and commonly known as 1903 St. Mary's Avenue, Fort Wayne, Indiana (the "Property"); and

WHEREAS, the Deed provides that the title to the Property is transferred to the City subject to certain covenants, conditions subsequent and restrictions (the "Conditions"), grants the City the right to secure abrogation of Conditions Nos. 1, 2, 3, and 4 (the "Abrogation Right"), and sets forth the procedures by which the City may obtain such abrogation, including but not limited to the payment by the City of an abrogation sum as set forth in paragraph 15 of the Deed; and

WHEREAS, the City and the United States have agreed that \$0.00 is the duly calculated payment required to exercise the Abrogation Right;

NOW, THEREFORE, the Board of Public Works of the City of Fort Wayne, Indiana, hereby requests, approves and agrees to the Abrogation and Release of Restrictions submitted by the United States.

Signed this 11th day of June, 2014.

RECORDER
VIRGINIA L. YOUNG
ALLEN COUNTY, IN

I. RECITALS

1. By letter dated February 16, 1996 from the Department of the Navy, certain Federal surplus real property located in the City of Fort Wayne, County of Allen, State of Indiana, known as the Naval Reserve Center and consisting of approximately 4.03 acres of land and improvements, more or less, ("Property"), was assigned to GRANTOR for disposal upon the recommendation of GRANTOR that the Property is needed for educational purposes in accordance with the provisions of the Act.

2. GRANTEE has made a firm offer to purchase the Property under the provisions of the Act, has applied for a public benefit allowance, and proposes to use the Property for certain educational purposes as detailed in its April 4, 1994 Application and Amendment dated December 8, 1995 to the GRANTOR (together "Application").

3. The Department of the Navy has notified GRANTOR that no objection will be interposed to the transfer of the Property to GRANTEE at 100 per cent public benefit allowance, and GRANTOR has accepted the offer of GRANTEE.

II. AGREEMENT

4. GRANTOR, in consideration of the foregoing, one dollar, the performance by the GRANTEE of the covenants, conditions, and restrictions hereinafter contained and other good and valuable consideration, the receipt of which is hereby acknowledged, does hereby remise, release and quitclaim to the GRANTEE, its successors and assigns, all right, title, interest, claim and demand, reserving such rights as may arise from the operation of the conditions subsequent, restrictions and covenants of this Deed, which the UNITED STATES OF AMERICA has in and to the Property, which is more particularly described:

The South 1/2 of Subdivision numbered 4 of the East 1/2 of the Southeast 1/4 of Section No. 34, Township 31 North, Range 12 East in Allen County, Indiana as laid out by the Commissioners in the Partition suit of Ewing vs. Ewing et al in the Circuit Court of Allen County, Indiana in December 1863, according to the plat thereof, recorded in Deed Record 31, page 404, in the Office of the Recorder of said County.

Grantor certifies that there is no gross income tax payable to the State of Indiana by reason of this conveyance.

5. GRANTEE by acceptance of this Quitclaim Deed agrees that the Property is transferred on an "as is, where is" basis without warranties of any kind either expressed or implied. GRANTEE further agrees that this conveyance is subject to any and all existing easements, rights of way, reservations, and servitudes, whether of record or not.

III. CONDITIONS SUBSEQUENT

6. GRANTEE shall HAVE AND HOLD the Property, subject, however, to each of the following conditions subsequent, which are for the sole benefit of the UNITED STATES OF AMERICA and which shall be binding upon and enforceable against GRANTEE, its successors and assigns as follows:

- (1) For a period of thirty (30) years from the date of this Deed, the Property will be used solely and continuously for educational purposes in accordance with the proposed program and plan of GRANTEE set forth in its April 4, 1994 Application and December 8, 1995 Amendment and for no other purposes. GRANTOR reserves the right to enter and inspect the Property during said period.
- (2) During the above period of thirty (30) years GRANTEE will not sell, resell, lease, rent, mortgage, encumber, or otherwise transfer any interest in any part of the Property except as GRANTOR may authorize in advance in writing.
- (3) One year from the date of this Deed and annually thereafter for the period of thirty (30) years, unless GRANTOR directs otherwise, GRANTEE will file with GRANTOR a report on the operation and maintenance of the Property and will furnish, as requested by GRANTOR, such other pertinent information evidencing its continuous use of the Property as required by condition subsequent number 1.

- (4) During the above period of thirty (30) years GRANTEE will at all times be and remain a tax supported institution or a nonprofit institution, organization, or association exempt from taxation under §501(c)(3) of the Internal Revenue Code of 1954, as amended.
- (5) For the period during which the Property is used for the purpose for which Federal assistance is hereby extended by GRANTOR or for another purpose involving the provision of similar services or benefits, GRANTEE hereby agrees that it will comply with the requirements of (a) Title VI of the Civil Rights Act of 1964 (P.L. No. 88-352), 42 U.S.C. §2000d et seq.; (b) Title IX of the Education Amendments of 1972 (P.L. No. 92-318), 20 U.S.C. § 1681 et seq.; (c) §504 of the Rehabilitation Act of 1973 (P.L. No. 93-112), 29 U.S.C. §794 et seq.; and all requirements imposed by or pursuant to the Regulations (34 C.F.R. Parts 12, 100, 104 and 106) issued pursuant to the Act and now in effect, to the end that, in accordance with said Acts and Regulations, no person in the United States shall, on the ground of race, color, national origin, sex, or handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the program and plan referred to in condition subsequent number 1 above or under any other program or activity of the GRANTEE, its successors and assigns, to

which such Acts and Regulations apply by reason of this conveyance.

7. The failure of GRANTOR to insist in any one or more instances upon complete performance of the conditions subsequent, terms, or covenants of this Deed shall not be construed as a waiver of, or a relinquishment of GRANTOR's right to the future performance of any of those conditions subsequent, terms and covenants and the GRANTEE's obligations with respect to such future performance shall continue in full force and effect.

8. In the event of a breach of any of the conditions subsequent or in the event of a breach of any other terms and covenants of this Deed, whether caused by the legal or other inability of GRANTEE, its successors and assigns, to perform any of the terms and conditions of this Deed, at the option of the UNITED STATES OF AMERICA, all right, title and interest in and to the Property shall, upon the recording by the UNITED STATES OF AMERICA of a Notice of Entry, ~~pass to and become the property of the UNITED STATES OF AMERICA,~~ which shall have an immediate right to entry thereon, and the GRANTEE, its successors and assigns, shall forfeit all right, title, and interest in and to the Property and in and to any and all of the tenements, hereditaments, and appurtenances thereto.

9. In the event the GRANTOR fails to exercise its options to reenter the Property or to revert title thereto for any breach of conditions subsequent numbered 1, 2, 3, and 4 of Paragraph 6 of this Deed within thirty one (31) years from the date of this conveyance, conditions subsequent numbered 1, 2, 3, and 4 of said

Paragraph 6, together with all rights to reenter and revert title for breach of those conditions, will, as of that date, terminate and be extinguished.

10. The expiration of conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed and the right to reenter and revert title for breach thereof, will not affect the obligation of GRANTEE, its successors and assigns, with respect to condition subsequent 5 of Paragraph 6 or the right reserved to GRANTOR to reenter and revert title for breach of condition subsequent 5.

IV. COVENANTS

11. GRANTEE, by the acceptance of this Deed, covenants and agrees for itself, its successors and assigns, that in the event GRANTOR exercises its option to revert all right, title, and interest in and to the Property to GRANTOR, or GRANTEE voluntarily returns title to the Property in lieu of a reverter, the GRANTEE shall provide protection to and maintenance of the Property at all times until such time as the title to the Property or possession of the Property, whichever occurs later in time, is actually reverted or returned to and accepted by GRANTOR. Such protection and maintenance shall, at a minimum, conform to the standards prescribed by the General Services Administration in FPMR 101-47.4913 (41 C.F.R. Part 101-47.4913) now in effect, a copy of which is referenced in the GRANTEE's Application.

12. GRANTEE, by the acceptance of this Deed, covenants that, at all times during the period that title to the Property is vested in GRANTEE, its transferees or assigns, subject to

conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed, it will comply with all provisions of the following: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §4321 et seq., including the preparation of environmental impact statements, as required (See 42 U.S.C. §4332); the National Historic Preservation Act of 1966, as amended (P.L. No. 89-665); Executive Order No. 11988, 44 Fed. Reg. 43239 (1979) reprinted in 42 U.S.C.A. §4321 app. at 188-189 (1987), governing floodplain management; Executive Order No. 11990, 42 Fed. Reg. 26961 (1977), reprinted in 42 U.S.C.A. §4321 app. at 197-198 (1987), governing protection of wetlands; Federal Property Management Regulations, 41 C.F.R. 101-47.304-13; 41 C.F.R. 101-47.200 et seq., 53 Fed. Reg. 29892 (1988), provisions relating to asbestos; and other appropriate guidelines, laws, regulations or executive orders, federal, state or local, pertaining to floodplains, wetlands or the future use of this Property.

13. GRANTEE, by acceptance of this Deed, covenants and agrees for itself, its successors and assigns, and every successor in interest to the Property herein conveyed or any part thereof that it will comply with the requirements of (a) Title VI of the Civil Rights Act of 1964 (P.L. No. 88-352), 42 U.S.C. §2000d et seq.; (b) Title IX of the Education Amendments of 1972 (P.L. No. 92-318), 20 U.S.C. §1681 et seq.; (c) Section 504 of the Rehabilitation Act of 1973 (P.L. No. 93-112), 29 U.S.C. §794 et seq.; and all requirements imposed by or pursuant to the Regulations (34 C.F.R. Parts 12, 100, 104 and 106) issued pursuant to the Act and now in effect, to the end that, in

accordance with said Acts and Regulations, no person in the United States shall, on the ground of race, color, national origin, sex, or handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the program and plan referred to in condition subsequent 1 above or under any other program or activity of the GRANTEE, its successors and assigns, to which such Acts and Regulations apply by reason of this conveyance. This covenant shall attach to and run with the land for so long as the Property is used for a purpose for which Federal assistance is hereby extended by GRANTOR or for another purpose involving the provision of similar services or benefits, and shall in any event, and without regard to technical classifications or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity, for the benefit of, in favor of and enforceable by GRANTOR against GRANTEE, its successors and assigns, for the Property, or any part thereof. In the event of a breach of this covenant by GRANTEE or by its successors or assigns, GRANTOR, may, in addition to any right or remedy set forth in this agreement, avail itself of any remedy authorized by the violated statute or regulation.

14. In the event title to the Property or any part thereof is reverted to the UNITED STATES OF AMERICA for noncompliance or is voluntarily reconveyed in lieu of reverter, GRANTEE, its successors or assigns, shall at the option of GRANTOR, be responsible for and be required to reimburse the UNITED STATES OF AMERICA for the decreased value thereof that is not the result of

reasonable wear and tear, an act of God, or alternations and conversions made by the GRANTEE and approved by the GRANTOR, to adapt the Property to the educational use for which the Property was transferred. GRANTEE shall, in addition thereto, reimburse GRANTOR for damage it may sustain as a result of such noncompliance, including but not limited to costs incurred to recover title to or possession of the Property.

15. GRANTEE may seek abrogation of the conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed by:

- a. Obtaining the advance written consent of the GRANTOR;
and
- b. Payment to the UNITED STATES OF AMERICA of a sum of money equal to the fair market value of the property to be released from the conditions subsequent as of the effective date of the abrogation:
 - (1) multiplied by the percentage public benefit allowance granted at the time of conveyance,
 - (2) divided by 360, and
 - (3) multiplied by the number of months, or any portion thereof, of the remaining period of restrictions to be abrogated.

16. GRANTEE, by acceptance of this Deed, further covenants and agrees for itself, its successors and assigns, that in the event the Property or any part or interest thereof is at any time within the period of thirty (30) years from the date of this conveyance sold, leased, mortgaged, encumbered or otherwise disposed of or used for purposes other than those designated in

condition subsequent 1 above without the prior written consent of GRANTOR, all revenues therefrom and the reasonable value, as determined by GRANTOR, of any other benefits to GRANTEE deriving directly or indirectly from such sale, lease, mortgage, encumbrance, disposal or use, shall be considered to have been received and held in trust by GRANTEE for the UNITED STATES OF AMERICA and shall be subject to the direction and control of GRANTOR; but the provisions of this paragraph shall not impair or affect the rights reserved to GRANTOR under any other provision of this Deed.

17. GRANTEE, by the acceptance of this Deed, further covenants and agrees for itself, its successors and assigns, that at all times during the period that title to the Property is vested in GRANTEE subject to conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed, GRANTEE shall at its sole cost and expense keep and maintain the Property and the improvements thereon, including all buildings, structures and equipment at any time situate upon the Property, in good order, condition and repair, and free from any waste whatsoever.

18. GRANTEE, by the acceptance of this Deed, further covenants and agrees for itself, its successors and assigns, that at all times during that period that it holds title to the Property subject to conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed, it shall not engage in, authorize, permit or suffer the extraction or production of any minerals from the Property without the prior written consent of GRANTOR. GRANTEE, by the acceptance of this Deed, further covenants and

agrees for itself, its successors and assigns, that should an extraction or production of minerals including but not limited to oil, gas, coal, and sulphur on or under the described Property occur during that period that it holds title to the Property subject to conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed (i) it will hold all payments, bonuses, delayed rentals, or royalties in trust for GRANTOR and (ii) that all net revenues and proceeds resulting from the extraction or production of any minerals including, but not limited to, oil, gas, coal or sulphur, by GRANTEE, its successors and assigns, will be held in trust for and promptly paid to GRANTOR. The listing of certain minerals shall not cause the doctrine of ejusdem generis to apply. Nothing herein shall be construed as authorizing the GRANTEE to engage in the extraction or production of minerals in, on or under the Property.

19. GRANTEE, by acceptance of this Deed, covenants that, upon the recording by the UNITED STATES OF AMERICA of a Notice of Entry pursuant to Paragraph 8 above, all right, title and interest in and to the Property shall pass to and become the property of the UNITED STATES OF AMERICA, which shall have an immediate right to enter thereon, and the GRANTEE, its successors and assigns, shall immediately and quietly quit possession thereof and forfeit all right, title, and interest in and to the Property and in any and all of the tenements, hereditaments, and appurtenances thereunto belonging, conveying all right, title and interest conveyed to it in this Deed except for encumbrances

authorized and approved by the GRANTOR in writing as provided in condition subsequent 2 of Paragraph 6 of this Deed.

20. If the GRANTEE, its successors or assigns, shall cause the Property and/or any improvements thereon to be insured against loss, damage or destruction, or if the GRANTOR requires such insurance while the Property is subject to conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed, and any such loss, damage or destruction shall occur during the period GRANTEE holds title to the Property subject to conditions subsequent 1, 2, 3, and 4 set forth in Paragraph 6 of this Deed, said insurance and all moneys payable to GRANTEE, its successors or assigns, shall be held in trust by the GRANTEE, its successors or assigns, and shall be promptly used by GRANTEE for the purpose of repairing and restoring the Property to its former condition or replacing it with equivalent or more suitable facilities; or, if not so used, shall be paid over to the Treasurer of the United States in an amount equal to the unamortized public benefit allowance of Property multiplied by the current fair market value of the improvements lost, damaged or destroyed. If the Property is located in a floodplain, GRANTEE will, during the period it holds title subject to conditions subsequent 1, 2, 3, and 4 of Paragraph 6 of this Deed insure the Property and any machinery, equipment, fixtures, and furnishings contained therein against loss, damage, or destruction from flood, to the maximum limit of coverage made available with respect to the Property under §102 of the Flood Disaster Protection Act of 1973 (P.L. No. 93-234). Proceeds of such insurance will be used as set forth above.

21. GRANTEE further covenants to pay damages for any time period held over beyond the time period stated in a demand to quit possession of the Property at the fair market rental value plus reasonable attorneys fees and costs of the GRANTOR in securing the return of the Property.

22. As of the date of conveyance, all remedial action necessary to protect human health and the environment, with respect to any known hazardous substance activity on the subject Property, has been taken and no further remedial action is required at this time. However, any additional remedial action found to be necessary after the date of conveyance, which is due to contamination occurring prior to the date of conveyance, will be conducted by the UNITED STATES OF AMERICA. In the event any environmental contamination is discovered or additional remedial action is deemed necessary after conveyance, the Federal sponsoring agency should be notified immediately. Additionally, expenditures for environmental restoration projects that are not considered imminent threats to public health and safety will not be considered an off-set for purposes of abrogation unless these expenditures are to remediate contamination occurring prior to the date of conveyance and unless PRIOR concurrence is obtained from the Federal sponsoring agency in writing.

23. The GRANTEE covenants and agrees on behalf of itself, its successors and assigns, that in its use and occupancy of the Property it will comply with all Federal, state and local laws relating to asbestos; and that GRANTOR assumes no liability for damages for personal injury, illness, disability or death, to the

ABROGATION AND RELEASE OF RESTRICTIONS

THIS ABROGATION AND RELEASE OF RESTRICTIONS (this “AGREEMENT”) is made this _____ day of June, 2014, between the UNITED STATES OF AMERICA, acting through the Secretary of Education, by John D. Cogdill, Director, Management Services, Office of Management, U.S. Department of Education (“GRANTOR”) pursuant to § 203(k) of the Federal Property and Administrative Services Act of 1949, as amended (“Act”), 40 U.S.C. § 550(b), *et seq.*, the Department of Education Organization Act of 1979, 20 U.S.C. § 3401 *et seq.*, and the CITY OF FORT WAYNE, INDIANA, an Indiana corporation having its principal place of business at One Main Street, Fort Wayne, Indiana (“GRANTEE”).

I. RECITALS

1. By Quitclaim Deed dated July 2, 1996 (“DEED”), the UNITED STATES OF AMERICA, acting through the Secretary of Education, by David B. Hakola, Director, Real Property Group, Office of Management, U.S. Department of Education, did convey to the GRANTEE certain real property located in the City of Fort Wayne, County of Allen, State of Indiana, known as being the Naval Reserve Center and consisting of approximately 4.03 acres of improved land (“PROPERTY”). The DEED was recorded July 24, 1997, as #970040033 in the Official Records of the Allen County Recorder, Indiana. The PROPERTY is more particularly described on page two (2) of the DEED.

2. The DEED provided that the conveyance was subject to certain covenants, conditions subsequent and restrictions. Among those conditions are conditions subsequent numbered 1, 2, 3 and 4 on pages three (3) and four (4) of the DEED. The DEED provided on page nine (9) that the

conditions subsequent could be abrogated if the UNITED STATES OF AMERICA consented and upon payment of an abrogation sum.

3. GRANTEE, pursuant to a resolution passed by its City Council on _____ has requested release from said conditions subsequent as they apply to the PROPERTY to enable GRANTEE to utilize the PROPERTY for non-educational purposes.

4. GRANTOR and GRANTEE have agreed that \$0.00 is the duly calculated payment required by the DEED for securing the release of conditions subsequent 1, 2, 3 and 4 pursuant to the abrogation covenant in the DEED as it applies to the PROPERTY.

5. Notice of the proposed abrogation was given to the U.S. General Services Administration, and on June 3, 2014 no objection was interposed thereto.

6. The DEED further contains a covenant by GRANTEE, its successors and assigns, that in the event the PROPERTY or any part or interest thereof is at any time within the period of thirty (30) years from the date of the conveyance sold, leased, mortgaged, encumbered or otherwise disposed of or used for purposes other than those designated in condition subsequent 1 of Paragraph 6 of the DEED without the prior written consent of GRANTOR, all revenues therefrom and the reasonable value, as determined by GRANTOR, of any other benefits to GRANTEE deriving directly or indirectly from such sale, lease, mortgage, encumbrance, disposal or use, shall be considered to have been received and held in trust by GRANTEE for the UNITED STATES OF AMERICA and shall be subject to the direction and control of GRANTOR. GRANTOR has determined that continuance of this right to all revenues upon such sale, lease, mortgage, encumbrance, disposal or use of the PROPERTY would serve no useful purpose but would instead impose an unnecessary cloud upon title to the PROPERTY after abrogation of the conditions subsequent.

7. FURTHERMORE, at paragraph 18 of the DEED, GRANTEE, its successors and assigns, agreed that at all times during that period that it holds title to the PROPERTY subject to conditions subsequent 1, 2, 3 and 4 of Paragraph 6 of the DEED, it shall not engage in, authorize, permit or suffer the extraction or production of any minerals from the PROPERTY without the prior written consent of GRANTOR. GRANTEE further covenanted and agreed for itself, its successors and assigns, that should an extraction or production of minerals, including, but not limited to oil, gas, coal, and sulphur, on or under the described PROPERTY, occur during the period that it holds title to the PROPERTY subject to conditions subsequent 1, 2, 3 and 4 of Paragraph 6 of the DEED; (i) it will hold all payments, bonuses, delayed rentals or royalties in trust for GRANTOR, and will promptly pay such revenue to GRANTOR and (ii) that all net revenues and proceeds resulting from the extraction or production of any minerals including, but not limited to, oil, gas, coal or sulphur, by GRANTEE, its successors and assigns, will be held in trust for and promptly paid to GRANTOR. GRANTOR has determined that continuance of this right would serve no useful purpose but would instead impose an unnecessary cloud upon title to the PROPERTY after abrogation of the said conditions subsequent.

II. AGREEMENT

IN CONSIDERATION OF the payment by the GRANTEE of \$0.00, the mutual agreements contained herein, and other good and valuable consideration, the receipt of which is hereby acknowledged, GRANTOR and GRANTEE agree to the following:

8. GRANTOR, by execution of this Agreement, releases GRANTEE, its successors and assigns, from the conditions subsequent numbered 1, 2, 3 and 4 as set forth in the DEED as they apply to the PROPERTY.

9. As a material inducement to enter into this Agreement, GRANTOR and GRANTEE have relied upon a real estate appraisal that estimated the fair market value of the PROPERTY at \$0.00. GRANTOR and GRANTEE understand and agree that a real estate appraisal provides only a subjective estimate of the value of the PROPERTY; and that a more objective estimate of value is that amount which the PROPERTY will bring in an open, competitive and free market. GRANTOR and GRANTEE therefore agree that if a deed, contract, lease or other agreement executed prior to June _____, 2017, which sells, transfers, conveys, leases or otherwise disposes of the PROPERTY or any rights therein for a sum or sums in excess of \$0.00, as determined by the U.S. Department of Education, or which commits the GRANTEE to sell, transfer, convey, lease or otherwise dispose of the PROPERTY or any rights therein, then GRANTEE shall remit to GRANTOR 38.6% of any amount received or promised in excess of \$0.00. GRANTEE shall remit any sums as may be required above within 24 hours of receipt of such monies together with pertinent copies of the deeds, contracts, leases or other agreements which establish the actual or promised consideration. GRANTEE agrees that all sums received in excess of \$0.00 as provided above shall be held in trust for the UNITED STATES OF AMERICA subject to the direction and control of the GRANTOR.

10. With the exception, only, of those monies described under paragraph 9 above, GRANTOR, by execution of this Agreement, waives its rights to all revenues and the reasonable value of any benefits to GRANTEE deriving directly or indirectly from such sale, lease, mortgage, encumbrance, disposal or use of the PROPERTY as set forth in the DEED, and releases GRANTEE, its successors and assigns, from such covenants and agreements as they apply prospectively to the PROPERTY.

11. GRANTOR, by execution of this Agreement, removes, releases, and extinguishes its

right to the subsurface rights and interest in the PROPERTY.

12. GRANTOR and GRANTEE hereto mutually agree that, except as provided in this Agreement, all the provisions of the DEED shall remain in full force and effect with respect to the PROPERTY.

To indicate their agreement to the provisions contained in this Agreement, the UNITED STATES OF AMERICA and the CITY OF FORT WAYNE, INDIANA have executed this document as of the date and year first above written.

Works Revenue Bonds of 2013, Series B" (the "2013B Bonds"), outstanding after August 1, 2013, in the amount of \$42,260,000, bearing interest at various rates and maturing in various amounts annually on August 1 in the years 2025 to and including 2033; and

WHEREAS, pursuant to the 2012 Bond Ordinance, the City has heretofore issued revenue bonds payable from the net revenues of the Sewage Works, designated as "Sewage Works Refunding Revenue Bonds of 2013" (the "2013 Refunding Bonds"), outstanding after August 1, 2013, in the amount of \$6,835,000, bearing interest at various rates and maturing in various amounts annually on August 1 in the years 2014 to and including 2018; and

WHEREAS, pursuant to the 2009 Ordinance (and with the 2005 Bond Ordinance, the 2007 Bond Ordinance and the 2012 Bond Ordinance, collectively, the "Prior Ordinances"), the City will have issued revenue bonds payable from the net revenues of the Sewage Works, designated as "Sewage Works Revenue Bonds of 2014, Series A" (the "2014A Bonds" and with the 2005 Bonds, the 2007 Bonds, the 2009A Bonds, the 2009B Bonds, the 2010 Bonds, the 2011A Bonds, the 2011B Bonds, the 2012A Bonds, the 2012B Bonds, the 2012 Refunding Bonds, 2013A Bonds, the 2013B Bonds and the 2013 Refunding Bonds, collectively, the "Prior Bonds"), outstanding after August 1, 2014, in the amount of \$17,000,000, bearing interest at the rate of 2.35% and maturing in various amounts annually on August 1 in the years 2015 to and including 2033; and

WHEREAS, the Prior Bonds each rank on a parity with each other and each constitute a first charge against the net revenues of the Sewage Works; and

WHEREAS, Section 16 of the 2005 Ordinance, Section 16 of the 2007 Ordinance, Section 17 of the 2009 Ordinance and Section 18 of the 2012 Bond Ordinance, each

authorize the issuance of additional revenue bonds ranking on a parity basis with the Prior Bonds for such purposes, so long as certain conditions are met; and

WHEREAS, the Common Council has been advised by the City's financial advisor and now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of revenue bonds on a parity basis with the Prior Bonds to provide the necessary funds to be applied to the costs of the Project and all authorized costs relating thereto have been complied with in accordance with the provisions of the Act and the Prior Ordinances; and

WHEREAS, the City has previously purchased the sewage works facilities of the Town of Zanesville and, in connection with such purchase, assumed the obligation of payment for certain outstanding sewage works revenue bonds of the Town of Zanesville ("Zanesville Bonds"); the City's obligation to pay the principal of and interest on the Zanesville Bonds is a charge upon the net revenues of the City's Sewage Works, but payment of the Zanesville Bonds is junior and subordinate to the payment of the Prior Bonds and any bonds issued in the future on a parity with the Prior Bonds, including the bonds issued under this ordinance; and

WHEREAS, the City shall enter into one or more Financial Assistance Agreements with the Indiana Finance Authority ("Authority") as part of its wastewater loan program established and existing pursuant to IC 4-4-11 and IC 13-18-13 ("SRF Program"), pertaining to all or a portion of the Project and the financing thereof ("Financial Assistance Agreement"); and

WHEREAS, the Common Council desires to authorize the issuance of BANs hereunder, if necessary, in one or more series, payable solely from the proceeds of the bonds issued hereunder and to authorize the refunding of the BANs, if issued; and

WHEREAS, the Common Council therefore seeks to authorize the issuance of revenue bonds and BANs to finance the Project pursuant to the Act and the sale of one or more series

of such revenue bonds and one or more series of BANs pursuant to the provisions of the Act, subject to and dependent upon the terms and conditions hereinafter set forth; and

WHEREAS, the City reasonably expects to reimburse certain preliminary costs of the Project with proceeds of debt to be incurred by the City in an amount not to exceed \$257,470,000; and

WHEREAS, the Common Council has been advised that it may be cost efficient to purchase municipal bond insurance and one or more debt service reserve sureties for the bonds authorized herein;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA, AS FOLLOWS:

Section 1. Authorization of the Project. The City, acting by and through the Board and as the owner and operator of the Sewage Works for the collection and treatment of sewage and other wastes, hereby orders, authorizes and directs the Board to proceed with the Project, pursuant to the Act and in accordance with the plans, specifications and cost estimates prepared and filed with the Board by the Consulting Engineers, which plans, specifications and cost estimates are hereby adopted and approved and, by reference, incorporated fully into this Ordinance, and two copies of which are now on file or upon completion, shall be placed on file, in the office of the Board and open for public inspection. The actions of the Board in connection with the Project are hereby authorized, approved, ratified and confirmed.

Where used in this ordinance, the term "City" shall be construed also to include any department, board, commission or officer or officers of the City or of any City department, board or commission. The terms "Sewage Works," "sewage works," "works" and similar terms used in this ordinance shall be construed to mean and include the Treatment Works, as defined in the

Financial Assistance Agreement entered into between the City and the Authority, the existing structures and property of the Sewage Works and all enlargements, improvements, extensions and additions thereto, and replacements thereof, now or subsequently constructed or acquired, from the proceeds of the bonds authorized herein or otherwise. Such Project shall be constructed and the bonds and BANs herein authorized shall be issued pursuant to the provisions of this ordinance and the Act.

Section 2. Issuance of BANs and Bonds; Reimbursement. (a) The City hereby authorizes the Controller of the City ("Controller") to prepare and issue, if necessary, the BANs for the purpose of procuring interim financing to apply on the cost of the Project. The BANs may be issued, in one or more series, in an aggregate amount not to exceed Two Hundred Fifty-seven Million Four Hundred Seventy Thousand Dollars (\$257,470,000) to be designated "[Taxable] Sewage Works Bond Anticipation Notes of _____" (to be completed with the year in which issued and appropriate series designation, if any). Each series of BANs shall be sold at not less than par value if sold to the Authority as part of its SRF Program or not less than 99% of the par value thereof if sold to any other purchaser, shall be numbered consecutively from 1 upward, shall be in any multiple of One Dollar (\$1), as designated in the Purchase Agreement (as hereinafter defined), shall be dated as of the date of delivery thereof, and shall bear interest at a rate not to exceed 6% per annum (the exact rate or rates to be determined through negotiations with the purchaser of the BANs) payable upon maturity. Each series of BANs will mature no later than five (5) years after their date of delivery. The BANs are subject to renewal or extension at an interest rate or rates not to exceed 6% per annum (the exact rate or rates to be negotiated with the purchaser of the BANs). The term of the BANs and all renewal BANs may not exceed five years from the date of delivery of the initial BANs. The BANs shall

be registered in the name of the purchasers thereof. Notwithstanding any thing in this ordinance to the contrary, any series of BANs issued hereunder, may bear interest that is taxable and included in the gross income of the owners thereof. If any such BANs are issued on a taxable basis, the designated name shall include the term "Taxable" as the first word in the designated name.

The BANs shall be issued pursuant to IC 5-1.5-8-6.1 if sold to the Indiana Bond Bank, pursuant to IC 4-4-11 and IC 13-18-13 if sold to the Authority, or pursuant to IC 5-1-14-5 if sold to a financial institution or any other purchaser. The City shall pledge to the payment of the principal of and interest on the BANs the proceeds from the issuance of the bonds pursuant to and in the manner prescribed by the Act. The bonds will be payable out of and constitute a first charge against the Net Revenues (herein defined as gross revenues after deduction only for the payment of the reasonable expenses of operation, repair and maintenance, excluding transfers for payments in lieu of property taxes ("PILOTs")) of the Sewage Works of the City, on a parity with the Prior Bonds, subject to such bonds meeting the parity conditions set forth in the Prior Ordinances.

(b) In accordance with the Act and for the purpose of providing funds with which to pay the costs of the Project, providing funds for the hereinafter defined Reserve Accounts, all authorized costs relating to the Project and the financing, including the costs of issuance of the Bonds, as hereinafter defined, on account thereof, and any premiums for bond insurance and debt service reserve sureties, the City shall issue and sell its sewage works revenue bonds, in one or more series, in the aggregate principal amount not to exceed Two Hundred Fifty-seven Million Four Hundred Seventy Thousand Dollars (\$257,470,000). The principal of, redemption premium,

if any, and interest on the Bonds shall be payable, on a parity basis with the Prior Bonds, solely out of the Sewage Works Sinking Fund referred to below.

The Bonds shall be issued in one or more series designated as the "[Taxable]Sewage Works Revenue Bonds of 20____" to be completed with the year in which issued and the appropriate series designation, if any (the "Bonds"). Each series of Bonds shall be issued as fully registered bonds in the denomination of One Dollar (\$1) or integral multiples thereof if sold to the Authority as part of its SRF Program, or in denominations of \$5,000 or integral multiples thereof if sold to any other purchaser. Each series of Bonds shall be sold at a price not less than par value if sold to the Authority as part of its SRF Program or not less than 98% of the par value thereof if sold to any other purchaser. The Bonds shall be numbered consecutively from 1 up and shall bear interest at a rate not exceeding eight percent (8%) per annum, the exact rate or rates to be determined by bidding or through negotiation with the Authority through its SRF Program. Interest on the Bonds shall be calculated on the basis of twelve (12) thirty (30)-day months for a three hundred and sixty (360)-day year and shall be payable semiannually on February 1 and August 1 in each year, commencing on the first February 1 or the first August 1, following the original date of the Bonds as determined by the Controller, with the advice of the City's financial advisor. The principal of the Bonds shall mature annually on August 1 of each year, provided that beginning on February 1, 2034, principal shall be payable semiannually on February 1 and August 1. Such Bonds shall mature over a period not to exceed thirty (30) years and in amounts that either (i) produce as level annual debt service as practicable with \$5,000 denominations, taking into account the annual debt service on the Prior Bonds and all other series of Bonds issued under this ordinance, (ii) produce forecasted coverage to allow the successful marketing of the Bonds, or (iii). allow the City to meet the coverage and/or

amortization requirements of the SRF Program. Such debt service schedule for any Bonds sold to the Authority as part of its SRF Program shall be finalized and set forth in the Financial Assistance Agreement and shall provide a final maturity ending no later than the number of years after substantial completion of the Project as determined and set forth in the Financial Assistance Agreement.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the purchaser. Such term bonds shall have a stated maturity or maturities on February 1 or August 1 in the years as determined by the successful bidder, but in no event later than the final serial maturity date of the Bonds as determined in the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on principal payment dates which are hereinafter determined in accordance with the above paragraph.

Each series of Bonds shall rank on a parity with the other for all purposes, including the pledge of Net Revenues under this ordinance.

The Bonds shall bear an original issue date which shall be the date of issuance of the Bonds or the first day of the month in which the Bonds are delivered, as determined by the Controller, with the advice of the City's financial advisor, and each Bond shall also bear the date of its authentication.

Notwithstanding anything in this ordinance to the contrary, any series of Bonds issued hereunder, may bear interest that is taxable and included in the gross income of the owners thereof. If any such Bonds are issued on a taxable basis, the designated name shall include the term "Taxable" as the first word in the designated name.

Notwithstanding anything contained herein, the City may accept any other forms of financial assistance, as and if available, from the SRF Program (including without limitation any forgivable loans, grants or other assistance whether available as an alternative to any Bond or BAN related provision otherwise provided for herein or as a supplement or addition thereto). If required by the SRF Program to be eligible for such financial assistance, one or more of the series of the Bonds issued hereunder may be issued on a basis such that the payment of the principal of or interest on such series of Bonds is junior and subordinate to the payment of the principal of and interest on other series of Bonds issued hereunder (and/or any other revenue bonds secured by a pledge of Net Revenues, whether now outstanding or hereafter issued), all as provided by the terms of such series of Bonds as modified pursuant to this authorization. Such financial assistance, if any, shall be as provided in the Financial Assistance Agreement and the Bonds of each series of Bonds issued hereunder (including any modification made pursuant to the authorization in this paragraph to the form of Bond otherwise contained herein).

(c) The Mayor and Controller are authorized, on behalf of the City, to select and appoint a qualified financial institution to serve as Registrar and Paying Agent for the Bonds, which Registrar is hereby charged with the responsibility of authenticating the Bonds ("Registrar" or "Paying Agent"). The Controller is hereby authorized, on behalf of the Board, to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of a Registrar and Paying Agent. The Controller is further authorized to pay such fees as the institution may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the Sewage Works Sinking Fund established to pay the principal of and interest on the Bonds and fiscal agency charges.

As to the BANS and as to the Bonds, if any purchaser does not object to such designation, the Controller may serve as Registrar and Paying Agent and is hereby charged with the duties of a Registrar and Paying Agent.

If any Bonds or BANS are sold to the Authority as part of its SRF Program, the principal of and interest thereon shall be paid by wire transfer to such financial institution if and as directed by the Authority on the due date of such payment or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date. So long as the Authority is the owner of the Bonds or BANS, such Bonds and BANS shall be presented for payment as directed by the Authority.

If wire transfer payment is not required and for any Bonds not sold to the Authority, the principal of the Bonds shall be payable at the principal office of the Paying Agent and all payments of interest on the Bonds shall be paid by check mailed one business day prior to the interest payment date to the registered owners thereof, as the names appear as of the fifteenth day of the month preceding the interest payment date ("Record Date"), at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner on or before such Record Date. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time).

All payments on the BANs and Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the principal office of the Registrar, by the registered owner thereof in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the City. The City and the Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the City and by first class mail to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the City. Any such notice to the City may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the City, in which event the City may appoint a successor registrar and paying agent. The City shall notify each registered owner of the Bonds then outstanding by first class mail of the removal of the

Registrar and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the City, the Controller is authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Controller is further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent and such fees may be paid from the Sewage Works Sinking Fund as set forth in Section 12 hereof. Any predecessor registrar and paying agent shall deliver all of the Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

Interest on any Bonds sold to the Authority as part of its SRF Program shall be payable from the date or dates of payments made by the Authority as part of its purchase of the Bonds as set forth in the Financial Assistance Agreement. Interest on all other Bonds shall be payable from the interest payment date to which interest has been paid next preceding the authentication date of the Bonds unless the Bonds are authenticated after the Record Date and on or before such interest payment date in which case they shall bear interest from such interest payment date, or unless the Bonds are authenticated on or before the Record Date preceding the first interest payment date, in which case they shall bear interest from the original date until the principal shall be fully paid.

(d) The City has determined that it may be beneficial to have the Bonds held by a central depository system pursuant to an agreement between the City and The Depository Trust

Company, New York, New York ("Depository Trust Company") and have transfers of the Bonds effected by book-entry on the books of the central depository system ("Book Entry System"). The Bonds may be initially issued in the form of a separate single authenticated fully registered bond for the aggregate principal amount of each separate maturity of the Bonds. In such case, upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company.

With respect to the Bonds registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, the City and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner")) of the Bonds with respect to (i) the accuracy of the records of the Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than the Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the City to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this ordinance. The City and the Registrar and Paying Agent may treat as and deem the Depository Trust Company or CEDE & CO. to be the absolute bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted

to be given to bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the City's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the City of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this resolution shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of CEDE & CO., as nominee of the Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the City to the Depository Trust Company.

Upon receipt by the City of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the City kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, but may be registered in whatever name or names the bondholders

transferring or exchanging the Bonds shall designate, in accordance with the provisions of this resolution.

If the City determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered Bonds, the City may notify the Depository Trust Company and the Registrar, whereupon the Depository Trust Company will notify the Beneficial Owners of the availability through the Depository Trust Company of certificates for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the City and the Registrar to do so, the Registrar and the City will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of the Depository Trust Company, the Registrar shall cause the Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the City indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the City or the Registrar with respect to any consent or other action to be taken by bondholders, the City or the Registrar, as the case may be, shall establish a record date for such consent or

other action and give the Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the Bonds are registered in the name of the Depository Trust Company or CEDE & CO. or any substitute nominee, the City and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from the Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and the Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this ordinance and the City and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request the Depository Trust Company to deliver, or cause to be delivered, to the Registrar a list of all Beneficial Owners of the bonds, together with the dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

(e) In the event any Bond is mutilated, lost, stolen or destroyed, the City may cause to be executed and the Registrar may authenticate a new Bond of like date, maturity, series and denomination as the mutilated, lost, stolen or destroyed Bond, which new Bond shall be marked in a manner to distinguish it from the Bond for which it was issued; provided, that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Registrar, and in the case of any lost, stolen or destroyed Bond there shall be first furnished to the Registrar evidence of such loss, theft or destruction satisfactory to the City and the Registrar, together

with indemnity satisfactory to them. In the event that any such mutilated, lost, stolen or destroyed Bond shall have matured or been called for redemption, instead of causing to be issued a duplicate Bond, the Registrar and Paying Agent may pay the same upon surrender of the mutilated Bond or upon satisfactory indemnity and proof of loss, theft or destruction in the case of a lost, stolen or destroyed Bond. The City and the Registrar and Paying Agent may charge the owner of any such Bond with their reasonable fees and expenses in connection with the above. Every substitute Bond issued by reason of any Bond being lost, stolen or destroyed shall, with respect to such Bond, constitute a substitute contractual obligation of the City pursuant to this ordinance, whether or not the lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this ordinance, equally and proportionately with any and all other Bonds duly issued hereunder.

In the event that any Bond is not presented for payment or redemption on the date established therefor, the City may deposit in trust with the Paying Agent an amount sufficient to pay such Bond or the redemption price thereof, as appropriate, and thereafter the owner of such Bond shall look only to the funds so deposited in trust with the Paying Agent for payment and the City shall have no further obligation or liability with respect thereto.

(f) The City hereby declares its official intent to complete the Project; to reimburse certain costs of completing the Project with proceeds of debt to be incurred by the City, and to issue debt not exceeding \$257,470,000 in aggregate principal amount for purposes of paying and reimbursing costs of the Project.

Section 3. Redemption of BANs and Bonds. (a) For any Bonds not sold to the Authority as part of its SRF Program, the Bonds are redeemable at the option of the City, but no sooner than ten (10) years from their date of issuance, on thirty (30) days' notice, in whole or in

part, in the order of maturity as determined by the City and by lot within a maturity, at face value, together with a premium no greater than 2%, plus in each case accrued interest to the date fixed for redemption. The exact redemption features shall be determined by the Controller with the advice of the City's financial advisor prior to the sale of the Bonds.

For any Bonds sold to the Authority as part of its SRF Program, such Bonds are redeemable at the option of the City, but no sooner than ten (10) years after their date of delivery, and thereafter on any date, on sixty (60) days' notice, in whole or in part, in inverse order of maturity, and by lot within a maturity, at face value together with a premium no greater than 2%, plus accrued interest to the date fixed for redemption; provided, however, if the Bonds are sold to the SRF Program and registered in the name of the Authority, the Bonds shall not be redeemable at the option of the City unless and until consented to by the Authority. The exact redemption dates and premiums shall be established by the Controller, with the advice of the City's financial advisor, prior to the sale of the Bonds.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the City, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by

operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Each authorized denomination amount shall be considered a separate bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption, the Bonds to be called for redemption shall be selected by lot by the Registrar. If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.

(b) In either case, notice of such redemption shall be given not less than sixty (60) days, for any Bonds sold to the Authority as part of its SRF Program, and at least thirty (30) days for any Bonds sold to another purchaser, prior to the date fixed for redemption by mail unless the notice is waived by the registered owner of a Bond. Such notice shall be mailed to the address of the registered owners as shown on the registration records of the City as of the date which is sixty-five (65) days for any Bonds sold to the Authority as part of its SRF Program, and forty-five (45) days for any Bonds sold to another purchaser, prior to such redemption date. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption shall be determined by the City. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the principal office of the Paying Agent to pay the redemption price on the date so named. Coincidentally with the payment of the redemption price, the Bonds so called for redemption shall be surrendered for cancellation.

Section 4. Execution and Authentication of the Bonds and BANs. The Bonds and BANs shall be executed in the name of the City by the manual or facsimile signature of the Mayor of the City (the "Mayor"), countersigned by the manual or facsimile signature of the Controller and attested by the manual or facsimile signature of the Clerk of the City (the "Clerk"), who shall cause the seal of the City or a facsimile thereof to be affixed to each of the Bonds and BANs. These officials, by the signing of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures their facsimile signatures appearing on the Bonds and BANs. The Bonds shall be authenticated by the manual signature of the Registrar, and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed. In case any official whose signature appears on any Bond or BAN shall cease to be such official before the delivery of such Bond or BAN, the signature of such official shall nevertheless be valid and sufficient for all purposes, the same as if such official had been in office at the time of such delivery. Subject to the provisions of this ordinance regarding the registration of the Bonds, the Bonds shall be fully negotiable instruments under the laws of the State of Indiana.

Section 5. Security and Sources of Payment for the Bonds. The Bonds, as and to the extent paid for and delivered to the purchaser thereof as to both principal and interest, shall be valid and binding special revenue obligations of the City, payable solely from and secured by an irrevocable pledge of and constituting a charge upon all of the Net Revenues to be set aside into the Sewage Works Sinking Fund as herein provided and shall rank on a parity with the Prior Bonds and senior to the Zanesville Bonds. The City shall not be obligated to pay the Bonds or the interest thereon except from the Net Revenues of the Sewage Works, and the Bonds shall not

constitute an indebtedness of the City within the meaning of the provisions and limitations of the constitution of the State of Indiana.

Section 6. Form of the Bonds. The form and tenor of the Bonds shall be substantially as set forth in Exhibit B attached hereto and incorporated herein as if set forth at this place (with all blanks to be filled in properly and all necessary additions and deletions to be made prior to the delivery thereof).

Section 7. Issuance, Sale and Delivery of the BANs and the Bonds; Official Statement. (a) Generally. The Controller is hereby authorized and directed to have the BANs and Bonds prepared, and the Mayor, the Controller and the Clerk are each hereby authorized and directed to execute, and attest as appropriate, the BANs and the Bonds in the form and manner herein provided. The Controller is hereby authorized and directed to deliver the BANs and the Bonds to the respective purchasers thereof after sale made in accordance with the provisions of this ordinance, provided that at the time of said delivery the Controller shall collect the full amount which the respective purchasers have agreed to pay therefor, which amount shall not be less than par value of the BANs if sold to the Authority as part of its SRF Program or not less than 99% of the par value of the BANs if sold to any other purchaser, or not less than par value of the Bonds if sold to the Authority as part of its SRF Program, and not less than 98% of the par value of the Bonds if sold to any other purchaser, as the case may be. Payment for the BANs and any Bonds sold to the Authority as a part of its SRF Program may be made in installments. Each series of Bonds herein authorized and delivered to the purchaser shall be the binding special revenue obligations of the City. The proceeds derived from the sale of the Bonds and BANs shall be and are hereby set aside for application on the cost of the Project hereinbefore referred to, the refunding of the BANs, if issued, and the expenses necessarily

incurred in connection with the BANs and Bonds. The proper officers of the City are hereby directed to draw all proper and necessary warrants, and to do whatever acts and things which may be necessary to carry out the provisions of this ordinance.

(b) Public Sale of any Series of Bonds. If any Bonds are sold by public sale, prior to the sale of the Bonds, the Controller shall cause to be published either (i) a notice of bond sale in the *Fort Wayne News-Sentinel* and *The Journal Gazette*, the only newspapers published in the City, two times, at least one week apart, the first publication made at least fifteen (15) days before the date of the sale and the second publication being made at least three (3) days before the date of the sale, or (ii) a notice of intent to sell in the newspapers described in (i) above and the *Court & Commercial Record*, all in accordance with IC 5-1-11 and IC 5-3-1. The notice of such sale or a summary thereof may also be published in *The Bond Buyer*, a financial journal published in the City and State of New York and/or in other publications, in the discretion of the Controller. The notice shall state the character and amount of the Bonds, the maximum rate of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Controller and the attorneys employed by the City shall deem advisable and any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that electronic bidding will be permitted and that the successful bidder shall be required to submit a certified or cashier's check or a wire transfer in an amount equal to 1% of the principal amount of the Bonds described in the notice to guarantee performance on the part of the bidder, not later than 3:30 p.m. (Fort Wayne time) on the next business day following the award. In the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then said check and the proceeds thereof shall be the property of

the City and shall be considered as its liquidated damages on account of such default. Bidders for the Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and such interest rate or rates shall be in multiples of one eighth (1/8), one-twentieth (1/20) or one one hundredth (1/100) of one percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. No conditional bid or bid for less than 98% of the face amount of the Bonds will be considered. The opinion of Ice Miller LLP, bond counsel of Indianapolis, Indiana, approving the legality of the Bonds, will be furnished to the purchaser at the expense of the City.

The Bonds shall be awarded by the Controller to the best bidder who has submitted his bid in accordance with the terms of this ordinance, IC 5-1-11 and the notice of sale. The best bidder will be the one who offers the lowest net interest cost to the City, to be determined by computing the total interest on all of the Bonds to their maturities and adding thereto the discount bid, if any, and deducting the premium bid, if any. The right to reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time no bid which provides a higher net interest cost to the City than the best bid received at the time of the advertised sale will be considered.

Distribution of an Official Statement (preliminary and final) prepared by H.J. Umbaugh & Associates, Certified Public Accountants, LLP, on behalf of the City, is hereby approved and the Mayor or the Controller are authorized and directed to execute the Official Statement on behalf of the City in a form consistent with this ordinance. The Mayor or the Controller are hereby authorized to designate the preliminary Official Statement as "nearly final" for purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission ("Rule").

(c) As an alternative to public sale, the Controller may negotiate the sale of any series of Bonds to the Authority as a part of its SRF Program. The Mayor and the Controller are hereby authorized to: (i) submit an application to the Authority as a part of its SRF Program; (ii) execute a Financial Assistance Agreement with the Authority with terms conforming to this ordinance; and (iii) sell such Bonds upon such terms as are acceptable to the Mayor and the Controller consistent with the terms of this ordinance. The substantially final form of Financial Assistance Agreement attached to this ordinance is incorporated herein by reference is hereby approved by the Common Council, and the Mayor and Controller are hereby authorized to execute and deliver the same, and to approve any changes in form or substance to the Financial Assistance Agreement, which are consistent with the terms of this ordinance, such changes to be conclusively evidenced by its execution.

Section 8. Credit Enhancement; Opinion of Bond Counsel. (a) In the event the financial advisor to the City certifies to the City that it would be economically advantageous for the City to obtain a municipal bond insurance policy, the City hereby authorizes the purchase of such an insurance policy. The acquisition of a municipal bond insurance policy is hereby deemed economically advantageous in the event the difference between the present value cost of (a) the debt service on the Bonds if issued without municipal bond insurance and (b) the total debt service on the Bonds if issued with municipal bond insurance, is greater than the cost of the premium on the municipal bond insurance policy. If such an insurance policy is purchased, the Mayor and the Controller are hereby authorized to execute and delivery all agreements with the provider of the insurance policy to the extent necessary to comply with the terms of such insurance policy and the commitment to issue such policy. Such agreement shall be deemed a part of this ordinance for all purposes and is hereby incorporated hereby by reference.

(b) Prior to the delivery of any series of Bonds or BANs, the City shall obtain a legal opinion as to the validity of the Bonds and BANs from Ice Miller LLP, Indianapolis, Indiana, bond counsel for the City, with such opinion to be furnished to the purchasers of the Bonds and BANs at the expense of the City. The costs of obtaining any such insurance, other credit enhancement and/or credit ratings, together with bond counsel's fee in preparing and delivering such opinions and in the performance of related services in connection with the issuance, sale and delivery of the Bonds and BANs, shall be considered as a part of the cost of the Project and shall be paid out of the proceeds of the Bonds or BANs, as the case may be.

Section 9. Disposition of Proceeds of the Bonds and BANs; City of Fort Wayne Sewage Works Construction Account. The proceeds from the sale of the Bonds and BANs shall be deposited and applied as follows:

(a) The accrued interest, if any, and any premium received at the time of delivery of the Bonds shall be deposited in the Sewage Works Sinking Fund continued by this ordinance. Any proceeds of the Bonds to be used for deposits into the Reserve Accounts shall be deposited into either the hereinafter defined Reserve Account or the SRF Reserve Account, as the case may be.

(b) The remaining proceeds from the sale of the Bonds and BANs shall be deposited in a bank or banks which are legally qualified depositories for the funds of the City, in the special account to be designated as "City of Fort Wayne Sewage Works Construction Account" (the "Construction Account"). Amounts in the Construction Account shall be expended only for the purpose of paying the costs of the Project, as described in this ordinance and in the Act, refunding the BANs if issued, together with all authorized costs relating thereto, including the costs of issuance of the Bonds and BANs, and as otherwise permitted or required

by the Act and this ordinance. Any balance or balances remaining unexpended in the Construction Account after completion of the Project, which are not required to meet unpaid obligations incurred in connection with the construction of the Project, shall be used solely for one or more of the purposes permitted under the provisions of Indiana Code 5-1-13, as amended. Pursuant to the Act, the owners of the Bonds shall be entitled to a lien on the proceeds of the Bonds until such proceeds are applied as required by this ordinance and by Indiana law.

(c) With respect to any Bonds sold to the Authority as part of its SRF Program, to the extent that (a) the total principal amount of the Bonds is not paid by the purchaser or drawn down by the City or (b) proceeds remain in the Construction Account and are not applied to the Project (or any modifications or additions thereto approved by the Department and the Authority), the City shall reduce the principal amount of the Bond maturities to effect such reduction in a manner that will still achieve the annual debt service as described in Section 2 subject to and upon the terms set forth in the Financial Assistance Agreement.

Section 10. Segregation and Application of Sewage Works Revenues. All revenues derived from the operation of the Sewage Works and from the collection of sewage rates and charges shall be deposited in a special fund of the City (the "Revenue Fund") and segregated and kept separate and apart from all other funds and bank accounts of the City. Out of said revenues the proper and reasonable expenses of operation, repair and maintenance of the Sewage Works shall be paid, the principal and interest of all bonds and fiscal agency charges of bank paying agents shall be paid, the Reserve Accounts shall be funded, and the costs of replacements, extensions, additions and improvements shall be paid as hereinafter provided. PILOTs shall be made not more frequently than semiannually on June 30 and December 31 and may be made

only if all monthly deposits required by this ordinance are current and held as of such dates in the Operation and Maintenance Fund and the Sinking Fund (each as defined herein). Other than the PILOTs, no moneys derived from the revenues of the Sewage Works shall be transferred to the General Fund of the City or be used for any purpose not connected with the Sewage Works. All moneys deposited in the Revenue Fund may be invested in accordance with IC 5-13, as amended and as applicable, pursuant to IC 4-4-11 and IC 13-18-13.

Section 11. Operation and Maintenance Fund. The Operation and Maintenance Fund is hereby continued. On the last day of each calendar month, revenues of the Sewage Works shall be transferred from the Revenue Fund to the Operation and Maintenance Fund. The balance maintained in this Fund shall be sufficient to pay the expenses of operation, repair and maintenance for the then next succeeding two calendar months. The moneys credited to this Fund shall be used for the payment of the reasonable and proper operation, repair and maintenance expenses of the sewage works on a day-to-day basis, but none of the moneys in such Fund shall be used for depreciation, replacements, improvements, extensions or additions. Any monies in said Fund in the excess of the expected expenses of operation, repair and maintenance for the next succeeding month may be transferred to the Sinking Fund if necessary to prevent a default in the payment of principal of or interest on the outstanding bonds of the Sewage Works.

Section 12. Sewage Works Sinking Fund. (a) The special fund designated the "Sewage Works Sinking Fund," continued under the Prior Ordinances is hereby continued and designated as the special fund for the payment of the interest on and principal of the Bonds and the payment of any fiscal agency charges in connection with the payment of the Bonds and interest thereon. There shall be set aside and deposited in the Sewage Works Sinking Fund

("Sinking Fund"), as available, and as hereinafter provided, a sufficient amount of the Net Revenues of the Sewage Works to meet the requirements of the Bond and Interest Account hereby continued and the Reserve Accounts (as hereinafter defined) hereby continued in the Sinking Fund. The special account within the Sinking Fund designated as the "Sewage Works Reserve Account," is hereby continued as a debt service reserve for all Prior Bonds except those initially purchased by or for the account of the SRF Program and is constituted as a debt service reserve for any Bonds issued hereunder which are not initially purchased by or for the account of the SRF Program. The SRF Reserve Account is hereby continued as a debt service reserve for the Prior Bonds which were initially purchased by or for the account of the SRF Program and shall serve as the debt service reserve for all Bonds issued hereunder which are initially purchased by or for the account of the SRF Program. Such payments shall continue until the balances in the Bond and Interest Account and the Reserve Accounts, equal the principal of and interest on all of the then outstanding bonds of the Sewage Works to their final maturity.

(b) Bond and Interest Account. There is hereby continued, within the Sinking Fund, the Bond and Interest Account. There shall be credited on the last day of each calendar month from the Revenue Fund to the Bond and Interest Account an amount of the Net Revenues equal to at least one-twelfth (1/12) of the principal and at least one-sixth (1/6) of the interest on all then outstanding bonds payable on the then next succeeding principal and interest payment dates until the amount of interest and principal payable on the then next succeeding respective interest and principal payment dates shall have been so credited. Beginning on August 1, 2033, there shall be credited on the last day of each calendar month from the Revenue Fund to the Bond and Interest Account an amount of the Net Revenues equal to at least one-sixth (1/6) of the principal and at

least one-sixth (1/6) of the interest on all then outstanding bonds payable on the then next succeeding principal and interest payment date until the amount of interest and principal payable on the then next succeeding interest and principal payment date shall have been so credited. There shall similarly be credited to the account any amount necessary to pay the bank fiscal agency charges for paying principal and interest on the then outstanding bonds as the same becomes payable. The City shall, from the sums deposited in the Sinking Fund and credited to the Bond and Interest Account, remit promptly to the registered owner or to the bank fiscal agency sufficient moneys to pay the interest on the due dates thereof together with the amount of bank fiscal agency charges.

(c) Reserve Accounts. On the date of delivery of any series of Bonds which are not initially purchased by or for the account of the SRF Program, funds on hand of the Sewage Works, Bond proceeds, a debt service reserve surety bond ("Surety Bond"), or a combination thereof may be deposited into the Sewage Works Reserve Account ("Reserve Account") hereby continued. The balance to be maintained in the Reserve Account shall equal but not exceed the least of (i) maximum annual debt service on the Prior Bonds (not initially purchased by or for the account of the SRF Program), Bonds (not initially purchased by or for the account of the SRF Program) and any parity bonds issued in the future by the City which are payable from Net Revenues of the Sewage Works ("Parity Bonds") and not initially purchased by or for the account of the SRF Program; (ii) 125% of average annual debt service on the Prior Bonds (not initially purchased by or for the account of the SRF Program), the Bonds (not initially purchased by or for the account of the SRF Program) and any Parity Bonds (not initially purchased by or for the account of the SRF Program) or (iii) 10% of the proceeds of the Prior Bonds (not initially purchased by or for the account of the SRF Program), the Bonds (not initially purchased by or

for the account of the SRF Program) and any Parity Bonds (not initially purchased by or for the account of the SRF Program) ("Reserve Requirement"). If the initial deposit into the Reserve Account does not cause the balance therein to equal the Reserve Requirement or if no deposit is made, a sum of Net Revenues shall be credited to the Reserve Account on the last day of each calendar month until the balance therein equals the Reserve Requirement. The monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the Reserve Requirement within (i) twelve (12) months or (ii) five years, after the Prior Bonds are no longer outstanding, of the date of delivery of the Bonds. The Reserve Account shall not secure and may not be used to pay the Zanesville Bonds, or any Prior Bonds, Bonds or Parity Bonds which are initially purchased by or for the account of the SRF Program.

On the date of delivery of any series of Bonds which are initially purchased by or for the account of the SRF Program, funds on hand of the Sewage Works, Bond proceeds, a Surety Bond, or a combination thereof may be deposited into the SRF Reserve Account (collectively, with the Reserve Account, referred to as "Reserve Accounts") hereby continued. The balance to be maintained in the SRF Reserve Account shall equal the maximum annual debt service on the Prior Bonds (initially purchased by or for the account of the SRF Program), the Bonds initially purchased by or for the account of the SRF Program and any Parity Bonds initially purchased by or for the account of the SRF Program ("SRF Reserve Requirement"); provided, however, the SRF Reserve Requirement is defined as the initial reserve requirement, and the amount held therein will be decreased on the second day of each January to the maximum annual debt service on the then outstanding Prior Bonds, Bonds and Parity Bonds initially purchased by or for the account of the SRF Program in the then present or any succeeding year, and provided, further than the City shall give 15 days prior written notice to the Authority before transferring funds out

of the SRF Reserve Account. If the initial deposit into the SRF Reserve Account does not cause the balance therein to equal the SRF Reserve Requirement or if no deposit is made, a sum of Net Revenues shall be credited to the SRF Reserve Account on the last day of each calendar month until the balance therein equals the SRF Reserve Requirement. The monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the SRF Reserve Requirement within (i) twelve (12) months or (ii) five years, after the Prior Bonds are no longer outstanding, of the date of delivery of the Bonds. The SRF Reserve Account shall not secure and may not be used to pay the Zanesville Bonds, or any Prior Bonds, Bonds or Parity Bonds which are not initially purchased by or for the account of the SRF Program.

The Surety Bond must be issued by an insurance company rated (at the time the Surety Bond is purchased) in the highest rating category by Standard & Poor's Corporation or Moody's Investors Service. However, as long as any of the Prior Bonds or Bonds initially purchased by or for the account of the SRF Program, the City shall receive consent of the Authority before funding any portion of the SRF Reserve Account with such Surety Bond. If such a Surety Bond is purchased, the Mayor and the Controller are hereby authorized to execute and deliver all agreements with the provider of the Surety Bond to the extent necessary to comply with the terms of such Surety Bond and the commitment to issue such policy. Such agreements shall be deemed a part of this ordinance for all purposes and are hereby incorporated herein by reference.

The respective Reserve Accounts shall constitute the margin for safety and a protection against default in the payment of principal and interest on the respective Prior Bonds, the Bonds and any Parity Bonds which they respectively secure, and moneys in the respective Reserve Accounts shall be used to pay current principal and interest on the respective Prior Bonds, the Bonds and any Parity Bonds which they respectively secure to the extent that moneys in the

Bond and Interest Account, after applied on a pro rata basis to any outstanding Prior Bonds, Bonds and Parity Bonds, are insufficient for that purpose. Any deficiency in the balances maintained in the respective Reserve Accounts shall be promptly made up from the next available Net Revenues remaining after credits into the Bond and Interest Account on a pro rata basis within a twelve (12) month period. Any moneys in the respective Reserve Accounts in excess of the Reserve Requirement or the SRF Reserve Requirement shall be transferred to the Sewage Works Improvement Fund.

(a) If any Bonds are initially purchased by or for the account of the SRF Program, the Sinking Fund, containing the Bond and Interest Account and the Reserve Accounts, and the Construction Account may be held by a financial institution acceptable to the Authority, pursuant to terms acceptable to the Authority. If all or a portion of the Sinking Fund and the accounts therein are held in trust, the City shall transfer the monthly required amounts of Net Revenues to the Bond and Interest Account and the Reserve Accounts in accordance with this Section 12, and the financial institution holding such funds in trust shall be instructed to pay the required payments in accordance with the payment schedules for the City's outstanding bonds. The financial institution selected to serve in this role may also serve as the Registrar and the Paying Agent for such Bonds. If the Construction Account is held in trust, the City shall deposit the proceeds of such Bonds therein until such proceeds are applied consistent with this ordinance and the Financial Assistance Agreement. The Common Council hereby authorizes the Mayor and Controller to execute and deliver an agreement with a financial institution to reflect this trust agreement for all or a part of the Sinking Fund and the Construction Account in the form of trust agreement as approved by the Mayor and the Controller, consistent with the terms and provisions of this ordinance.

Section 13. Sewage Works Improvement Fund. After meeting the requirements of the Operation and Maintenance Fund and the Sinking Fund, any excess revenues may be transferred or credited from the Revenue Fund to the "Sewage Works Improvement Fund," hereby continued, and said Fund shall be used for replacements, additions, improvements and extensions of the Sewage Works or for any other lawful purpose, so long as such use pertains to and involves the business of the Sewage Works. PILOTs shall be made not more frequently than semiannually on June 30 and December 31 and may be made only if the amounts required to be held as of such dates in the Operation and Maintenance Fund and the Sinking Fund pursuant to Section 11 and Section 12 are so held after considering any such contemplated payment. Moneys in the Sewage Works Improvement Fund shall be transferred to the Sinking Fund if necessary to prevent a default in the payment of principal of or interest on the then outstanding bonds or, if necessary, to eliminate any deficiencies in credits to or minimum balance in the Reserve Accounts of the Sinking Fund or may be transferred to the Operation and Maintenance Fund to meet unforeseen contingencies in the operation, repair and maintenance of the Sewage Works.

Section 14. Books of Record and Accounts; Continuing Disclosure. (a) The City shall keep proper books of record and accounts, separate from all of its other records and accounts, in which completed and correct entries shall be made showing all revenues collected from said works and deposited in said funds, and all disbursements made therefrom on account of the operation of the works, and to meet the requirements of the Sewage Works Sinking Fund, and all other financial transactions relating to said works, including the amounts set aside or credited to the Sinking Fund, the Operation and Maintenance Fund and the Sewage Works Improvement Fund, and the cash balances in each of said funds and accounts described herein as

of the close of the preceding fiscal year. Copies of all such statements and reports shall be kept on file in the office of the Controller.

(b) If necessary to comply with the Rule, the City shall execute and deliver a form of Continuing Disclosure Undertaking ("Disclosure Undertaking"). The Mayor or the Controller are hereby authorized and directed to complete and execute the Disclosure Undertaking on behalf of the City, if necessary to comply with the Rule. Notwithstanding any other provisions of this ordinance, failure of the City to comply with the Disclosure Undertaking shall not be considered an event of default under the Bonds or this ordinance.

(c) So long as any of the Prior Bonds or Bonds are held by the Authority, the City shall establish and maintain the books and other financial records of the Project (including the establishment of a separate account or subaccount for the Project) and the Sewage Works in accordance with (i) generally accepted governmental accounting standards for utilities, on an accrual basis, as promulgated by the Government Accounting Standards Board and (ii) the rules, regulations and guidance of the State Board of Accounts.

Section 15. Rates and Charges. The City covenants and agrees that it will establish and maintain just and equitable rates or charges for the use of and the services rendered by said works, to be paid by the owner of each and every lot, parcel of real estate or building that is connected with and uses said Sewage Works by or through any part of the Sewage Works system of the City, or that in any way uses or is served by such Sewage Works. Such rates or charges shall, to the extent permitted by law and only so long as the Prior Bonds are outstanding, be sufficient in each year to produce Net Revenues equal to 1.1 times the greater of the average annual debt service on the Prior Bonds, the Bonds and any Parity Bonds or the debt service payable during the next succeeding twelve calendar months on the Prior Bonds, the Bonds and

any Parity Bonds. For these purposes, the interest rate on variable rate debt shall be assumed to be the average interest rate thereon in the preceding calendar year. Such rates and charges shall be sufficient in each year for the payment of the proper and reasonable expenses of Operation and Maintenance (as defined in the Financial Assistance Agreement) of the Sewage Works, to comply with and satisfy all covenants contained in this ordinance including the sums required to be paid into the Sinking Fund by the Act, this ordinance, and the Financial Assistance Agreement, and to pay all obligations of the Sewage Works and of the City with respect to the Sewage Works.

Such rates or charges shall, if necessary, be changed and readjusted from time to time so that the revenues therefrom shall always be sufficient to meet the expenses of Operation and Maintenance of the Sewage Works and the requirements of the Sinking Fund. The rates or charges so established shall apply to any and all use of such Sewage Works by and service rendered to the City and all departments thereof and shall be paid semiannually by the City or the various departments thereof as the charges accrue.

Section 16. Defeasance. If, when the Bonds issued hereunder (or portions thereof) shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds (or portions thereof) for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds (or portions thereof) then outstanding shall be paid; or (i) sufficient moneys, or (ii) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, the principal of and the interest on which when due will provide sufficient moneys, or (iii) time certificates of deposit fully secured as to both principal and interest by obligations of

the kind described in (ii) above of a bank or banks the principal of and interest on which when due will provide sufficient moneys, shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds (or portions thereof) issued hereunder shall no longer be deemed outstanding or entitled to the pledge of the Net Revenues of the City's Sewage Works.

Section 17. Additional Bonds. The City reserves the right to authorize and issue additional BANs at any time ranking on a parity with the BANs. The City also reserves the right to authorize and issue additional Parity Bonds, payable out of the Net Revenues of its Sewage Works, ranking on a parity with the Bonds authorized by this ordinance, for the purpose of financing the cost of future additions, extensions and improvements to the Sewage Works, or to refund obligations, subject to the following conditions:

(a) The interest on and principal of all bonds payable from the revenues of the Sewage Works shall have been paid to date in accordance with the terms thereof, provided, this condition shall be deemed satisfied if any required amount is to be provided from the proceeds of the Parity Bonds or other funds of the City, and all required payments into the Sinking Fund shall have been made in accordance with the provisions of this ordinance.

(b) As of the date of issuance of such additional Parity Bonds, the balance in the Reserve Account shall equal not less than the Reserve Requirement, and the balance in the SRF Reserve Account shall equal not less than the SRF Reserve Requirement, calculated to include principal and interest requirements on the Bonds, any then outstanding parity bonds and the additional Parity Bonds proposed to be issued, provided this condition shall be deemed satisfied if any required amount is to be provided from the proceeds of the

newly issued Parity Bonds or other funds of the City over a period of no longer than five (5) years following the delivery of the Parity Bonds.

(c) The Net Revenues of the Sewage Works in the fiscal year immediately preceding the issuance of any such Parity Bonds shall be not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding Bonds, any then outstanding parity bonds and the additional Parity Bonds proposed to be issued; or, prior to the issuance of said Parity Bonds, the sewage rates and charges shall be increased or the service area or customer base shall be expanded sufficiently so that said increased rates and charges and/or volume applied to the previous fiscal year's operations would have produced Net Revenues for said year equal to not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding Bonds, any then outstanding parity bonds and the additional Parity Bonds proposed to be issued. For purposes of this subsection, the records of the Sewage Works shall be analyzed and all showings shall be prepared by a certified public accountant or nationally recognized firm of professionals experienced in analyzing financial records of municipal utilities retained by the City for that purpose.

(d) The principal of and mandatory sinking fund payment dates for said additional Parity Bonds shall be payable on August 1 until the date August 1, 2033 and thereafter, shall be payable semiannually on February 1 and August 1, and the interest on said additional Parity Bonds shall be payable semiannually on February 1 and August 1 during the periods in which such principal and interest are payable. If the additional Parity Bonds are issued as capital appreciation bonds, the amount payable at maturity thereof shall be

payable on February 1 and/or August 1 during the periods in such maturity amounts are payable.

(e) Additional Parity Bonds issued as variable rate debt must be assumed to bear the maximum interest rate thereon for the purpose of certifying satisfaction of the 125% condition set forth above, and a maximum rate must be set for any such variable rate additional Parity Bonds. Furthermore, any put feature associated with such variable rate debt must be covered by remarketing proceeds or a liquidity facility issued by a provider which is rated in one of the two highest short-term rating categories of Moody's Investors Service or Standard & Poors Ratings Group.

(f) For so long as any of the Bonds are outstanding and owned by the Authority as part of its SRF Program, (i) the City obtains the consent of the Authority, (ii) the City has faithfully performed and is in compliance with each of its obligations, agreements and covenants contained in the Financial Assistance Agreement and this resolution, and (iii) the City is in compliance with its National Pollutant Discharge Elimination System permits, except for non-compliance for which purpose the additional Parity Bonds are issued, including refunding bonds issued prior to, but part of the overall plan to eliminate such non-compliance.

Section 18. Additional Covenants of the City. For the purpose of further safeguarding the interests of the owners of the BANs and the Bonds herein authorized, it is specifically provided as follows:

(a) All contracts let by the City in connection with the construction of said Project shall be let after due advertisement as required by the laws of the State of Indiana, and all contractors shall be required to furnish surety bonds in an amount equal to one hundred percent (100%) of the amount of such contracts, to insure the completion of said contracts in

accordance with their terms, and such contractors shall also be required to carry such employers liability and public liability insurance as are required under the laws of the State of Indiana in the case of public contracts, and shall be governed in all respects by the laws of the State of Indiana relating to public contracts.

(b) Said Project shall be constructed under the supervision and subject to the approval of the Consulting Engineers or such other competent engineer as shall be designated by the Board. All estimates for work done or material furnished shall first be checked by the Consulting Engineers and approved by the Board.

(c) So long as the Bonds or BANs are outstanding, the City shall at all times maintain its Sewage Works in good condition and operate the same in an efficient manner and at a reasonable cost.

(d) So long as any of the Bonds or BANs herein authorized are outstanding, the City shall maintain insurance coverage, including fidelity bonds, to protect the Sewage Works and its operations on the insurable parts of said Sewage Works of a kind and in an amount such as would normally be carried by private companies engaged in a similar type of business, and, so long as the BANs and/or Bonds are owned by the Authority as part of its SRF Program such insurance shall be acceptable to the Authority. All insurance shall be placed with responsible insurance companies qualified to do business under the laws of the State of Indiana, provided, however, such insurance requirement may be satisfied, in part or in whole, through the City's self insurance program. Insurance proceeds and condemnation awards shall be used to replace or repair the property, provided, for so long as the BANs or Bonds are owned by the Authority as part of its SRF Program, the Authority may consent to a different use of such proceeds.

(e) So long as any of the BANs or Bonds are outstanding, the City shall not mortgage, pledge or otherwise encumber the Sewage Works, or any portion thereof, nor shall it sell, lease or otherwise dispose of any portion thereof except replace equipment which may become worn out or obsolete, provided, however, if any Bonds or BANs are owned by the Authority as part of its SRF Program, the City shall obtain the prior written consent of the Authority.

(f) So long as the BANs or Bonds are owned by the Authority as part of its SRF Program, the City shall not borrow any money, enter into any contract or agreement or incur any other liabilities in connection with the Sewage Works, other than for normal operating expenditures, without the prior written consent of the Authority if such undertaking would involve, commit, or use the revenues of the Sewage Works.

(g) Except as hereinbefore provided in Section 17 hereof, so long as any of the Bonds herein authorized are outstanding, no additional bonds or other obligations pledging any portion of the revenues of said Sewage Works shall be authorized, executed or issued by the City except such as shall be made subordinate and junior in all respects to the Bonds herein authorized, unless all of the Bonds herein authorized are redeemed, retired or defeased pursuant to Section 16 hereof coincidentally with the delivery of such additional bonds or other obligations.

(h) The City shall take all action or proceedings necessary and proper to require connection of all property where liquid and solid waste, sewage, night soil, or industrial waste is produced with available sanitary sewers. The City shall, insofar as possible, cause all such sanitary sewers to be connected with said Sewage Works.

[Faint, illegible text covering the majority of the page, likely bleed-through from the reverse side.]

(i) The provisions of this ordinance shall constitute a contract by and between the City and the owners of the Bonds or BANS herein authorized, and after the issuance of said Bonds or BANS, this ordinance shall not be repealed or amended in any respect which will adversely affect the rights of the owners of said Bonds or BANS, nor shall the Common Council adopt any law, ordinance or resolution which in any way adversely affects the rights of such owners so long as any of said Bonds or BANS or the interest thereon remains unpaid. Except for the changes set forth in Section 23(a)-(f), this ordinance may be amended, however, without the consent of BAN or Bond owners, if the Common Council determines, in its sole discretion, that such amendment would not adversely affect the owners of the BANS or Bonds provided, however, that if any BANS or Bonds are sold to the Authority as part of its SRF Program, the City shall obtain the prior written consent of the Authority.

(j) The provisions of this ordinance shall be construed to create a trust in the proceeds of the sale of the BANS and the Bonds herein authorized for the uses and purposes herein set forth, and the owners of the BANS and the Bonds shall retain a lien on such respective proceeds until the same are applied in accordance with the provisions of this ordinance and of the Act. The provisions of this ordinance shall also be construed to create a trust in the portion of the Net Revenues herein directed to be set apart and paid into the Sewage Works Sinking Fund for the uses and purposes of said fund as in this ordinance set forth. The owner of said Bonds shall have all of the rights, remedies and privileges set forth in the provisions of the Act, including the right to have a receiver appointed to administer said Sewage Works in the event of default in the payment or the principal or interest on any of the Bonds herein authorized or in the event of default in respect to any of the provisions of this ordinance or the Act.

Section 19. Permitted Actions Relating to Preservation of Exclusion of Interest from Federal Gross Income. The Controller is hereby authorized to invest moneys pursuant to IC 5-1-14-3 and the provisions of this ordinance (subject to applicable requirements of federal law to insure such yield is the then current market rate) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the BANs and Bonds under federal law.

The Controller shall keep full and accurate records of investment earnings and income from moneys held in the funds and accounts referenced herein. In order to comply with the provisions of this ordinance, the Controller is hereby authorized and directed to employ consultants or attorneys from time to time to advise the City as to requirements of federal law to preserve the tax exclusion or exemption.

Section 20. Tax Covenants. In order to preserve the exclusion of interest on the Bonds and BANs from gross income for federal tax purposes under Section 103 of the Internal Revenue Code of 1986 as existing on the date of issuance of the Bonds or BANs, as the case may be ("Code"), and as an inducement to purchasers of the Bonds and BANs, the City represents, covenants and agrees that:

(a) The Sewage Works will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. No person or entity other than the City or another state or local governmental unit will use more than 10% of the proceeds of the Bonds or BANs or property financed by the Bond or BAN proceeds other than as a member of the general public. No person or entity other than the City or another state or local governmental unit will own property financed by Bond or BAN proceeds or will have any actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, arrangements such as take-or-pay or output contracts

or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the Bonds or BANs, as the case may be. If the City enters into a management contract for the Sewage Works, the terms of the contract will comply with IRS Revenue Procedure 97-13, as it may be amended, supplemented or superseded for time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in aggregate relates to no more than 10% of the proceeds of the Bonds or BANs, as the case may be.

(b) No more than 10% of the principal of or interest on the Bonds or BANs is (under the terms of the Bonds or BANs, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for any private business use or payments in respect of any private business use or payments in respect of such property or to be derived from payments (whether or not to the City) in respect of such property or borrowed money used or to be used for a private business use.

(c) No more than 5% of the Bond or BAN proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than 5% of the Bond or BAN proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond or BAN proceeds.

(d) The City reasonably expects, as of the date hereof, that the Bonds and BANs will not meet either the private business use test described in paragraph (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the Bonds or BANs, as the case may be.

(e) No more than 5% of the proceeds of the Bonds or BANs will be attributable to private business use as described in (a) and private security or payments described in (b) attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issue (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(f) The City will not take any action nor fail to take any action with respect to the Bonds or BANs that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds or BANs pursuant to Section 103 of the Code, nor will the City act in any other manner which would adversely affect such exclusion. The City covenants and agrees not to enter into any contracts or arrangements which would cause the Bonds or BANs to be treated as private activity bonds under Section 141 of the Code.

(g) It shall be not an event of default under this ordinance if the interest on any Bond or BAN is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds or BANs, as the case may be.

(h) The City represents that it will rebate any arbitrage profits to the United States in accordance with the Code.

(i) These covenants are based solely on current law in effect and in existence on the date of delivery of such Bonds or BANs, as the case may be.

Section 21. Issuance of BANs. (a) The City, having satisfied all the statutory requirements for the issuance of its Bonds, may elect to issue its BAN or BANs pursuant to a Bond Anticipation Note Purchase Agreement ("Purchase Agreement") to be entered into

between the City and the purchaser of the BAN or BANs. If the BANs are sold to the Authority as part of its SRF Program, the Financial Assistance Agreement shall serve as the Purchase Agreement. The Common Council hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing the Bonds to provide interim financing for the Project until permanent financing becomes available. It shall not be necessary for the City to repeat the procedures for the issuance of its Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs.

The Mayor and the Controller are hereby authorized and directed to execute a Purchase Agreement or Financial Assistance Agreement (and any amendments made from time to time) in such form or substance as they shall approve acting upon the advice of counsel. The Mayor, the Clerk and the Controller may also take such other actions or deliver such other certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as they deem necessary or desirable in connection therewith.

Section 22. Compliance with Tax Sections. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance ("Tax Sections") which are designed to preserve the exclusion of interest on the Bonds and BANs from gross income under federal law ("Tax Exemption") need not be complied with if the City receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 23. Supplemental Ordinances. Subject to the terms and provisions contained in this Section, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) in aggregate principal amount of the Bonds issued pursuant to this ordinance and then

outstanding shall have the right, from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the City of such ordinance or ordinances supplemental hereto as shall be deemed necessary or desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this ordinance, or in any supplemental ordinance; provided, however, that so long as the Bonds or BANs are owned by the Authority as part of its SRF Program, the City shall obtain the prior written consent of the Authority; and provided, further, that nothing herein contained shall permit or be construed as permitting:

(a) An extension of the maturity of the principal of, mandatory sinking fund redemption dates, if any, or interest on any Bond issued pursuant to this ordinance; or

(b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon; or

(c) The creation of a lien upon or a pledge of the revenues of the Sewage Works ranking prior to the pledge thereof created by this ordinance; or

(d) A preference or priority of any Bond or Bonds issued pursuant to this ordinance over any other Bond or Bonds issued pursuant to the provisions of this ordinance; or

(e) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; or

(f) A reduction in the Reserve Requirement or the SRF Reserve Requirement.

If the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Clerk of the City, no owner of any Bond issued pursuant

to this ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the City or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City and all owners of Bonds issued pursuant to the provisions of this ordinance then outstanding, shall thereafter be determined, exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the City and of the owners of the Bonds authorized by this ordinance, and the terms and provisions of the Bonds and this ordinance, or any supplemental ordinance, may be modified or altered in any respect with the consent of the City and the consent of the owners of all the Bonds issued pursuant to this ordinance then outstanding.

Section 24. Repeal of Conflicting Ordinances. All ordinances and parts of ordinances in conflict herewith are hereby repealed; provided, however, that this ordinance shall not be construed as repealing or modifying in any respect any of the provisions of the Prior Ordinances nor be construed as adversely affecting the rights of any of the holders of the Prior Bonds.

Section 25. Rates and Charges. The estimates of the rates and charges of the Sewage Works are set forth in Ordinance No. _____ to be adopted on _____, 2014, which ordinance is incorporated herein by reference.

Section 26. Captions. The captions in this ordinance are inserted only as a matter of convenience and reference, and such captions are not intended and shall not be construed to define, limit, establish, interpret or describe the scope, intent or effect of any provision of this ordinance.

Section 27. Effectiveness. This ordinance shall be in full force and effect from and after its passage by the Common Council and approval by the Mayor.

General Project Descriptions

Wet Weather Pond Storage and Dewatering Improvements

The Wet Weather ponds (Ponds #1 and #2) on the north side of the river across from the Water Pollution Control Plant (WPCP) are a vital part of the City's wet weather facilities, and play a key role in the City's Long Term Control Plant (LTCP) and long term wet weather strategy. The Wet Weather Pump Station (WWPS) that is used to dewater the interceptor system and fill the ponds during wet weather events will require additional pumps and screens to increase its capacity. This increase is to handle the additional flows from the parallel interceptor and/or tunnel projects that are planned to begin construction in approximately 2017.

Combined Sewer System Capacity Improvement Program (CSSCIP)

The projects in this category of work are included in the LTCP and generally include partial sewer separation by the construction of new storm drains and/or sanitary sewers, but may include various other technologies/methods and source control efforts to reduce Combined Sewer Overflows (CSO's) and neighborhood capacity issues. In all of these projects, the City will investigate the potential for incorporating green/sustainable solutions. The project areas are studied as part of the program and confirmed to be cost-effective components of the CSSCIP.

Satellite Storage & Disinfection Facility Improvements

These LTCP projects allow for excess wet weather flows from the combined sewers in designated areas to be diverted into underground storage tanks for temporary storage until the wet weather event is over, or disinfected and then released as part of efforts to reduce untreated CSO's to local waterways. The facilities would typically consist of underground storage basins, a pump station, process structures, floatables control and site improvements and all associated operations facilities. The LTCP also provides for these facilities to have alternatives evaluated and allows for relief sewers and conveyance of the wet weather flows to the Wet Weather Ponds for storage if determined to be a more effective solution.

Morton Street Pump Station CSO Improvements

The projects associated with this LTCP control measure would allow for excess wet weather flows from the Morton Street Pump Station to be diverted to the Wet Weather Ponds for temporary storage until the wet weather event is over as part of efforts to reduce untreated CSO's to local waterways. The facilities would typically consist of pump station modifications, force main, floatables control and site improvements.

Three Rivers Protection and Overflow Reduction Tunnel (3RPORT) Program – Wayne Street and St Mary's Parallel Interceptors

This program is a combination of projects that are key component of the LTCP. The main component is the construction of a large diameter sewer tunnel from the southern side of the combined sewer system along the St Marys River north and then east along the Maumee River to the WPCP. This new sewer would allow a significant increase in wet weather flows from existing interceptors and CSO outfalls to be transported to the WPCP for treatment - or to the WWPS for storage in the Wet Weather Ponds, instead of overflowing into the local waterways. The program/project includes a deep rock tunnel, drop shafts and associated screening and odor control facilities, collector and relief/conveyance sewers, floatables control at outfalls, and the tunnel dewatering pump station. This project is currently projected to start construction in 2017 and is currently estimated to take at least 5 years to complete.

East Wayne Street Parallel Interceptor – South Maumee Relief Sewer

This LTCP capacity project generally consists of a new sewer running east from the WPCP to approximately Coliseum Blvd. The relief sewer would capture wet weather flows from the combined system basins and CSO outfalls east of the WPCP and transport them to the WPCP for treatment, as well as provide relief to surcharging in the South Maumee Interceptor during wet weather events.

Floatable Control Facilities

These projects are proposed to construct structures or facilities for the screening and removal of floatables from the CSO outfalls in the collection system as required by the LTCP. The sizing of these facilities is dependent on many variables for each site, but the City intends, as much as reasonable, to utilize similar methods of removal for each type of site.

Rothman & North/South Maumee Capacity Improvements

This category of work will consist of a combination of projects and efforts directed towards the reduction and mitigation of sanitary sewer overflows and surcharging in the existing sanitary sewer collection system. Areas of work identified for potential improvements include sewer infrastructure serving and areas tributary to these subbasins. Work may include sewer rehabilitation, relief sewer construction, wet weather storage/equalization improvements, manhole rehabilitation and other collection system improvements as determined necessary by ongoing engineering and operational studies of the areas.

Northern Area, Southeast Area, Southwest Area, Spy Run, Neuhaus, Beckett's Run, ND Washington – Interceptor Relief & Capacity Improvements

This category of work will consist of a combination of projects and efforts directed towards the reduction and mitigation of sanitary sewer surcharging in the existing sanitary sewer collection system. Areas of work identified for potential improvements include sewer infrastructure serving and areas tributary to the subbasins associated with these interceptors. Work may include sewer rehabilitation, relief sewer construction, wet weather storage/equalization improvements, wet weather pump stations, manhole rehabilitation, infiltration and inflow reduction projects and other collection system improvements as determined necessary by ongoing engineering and operational studies of the areas.

Collection System Improvements – Sewer Rehab Program

The goal of the Sewer Repair and Replacement Program is to develop, implement and monitor sewer repair/replacement strategies to proactively, following standard industry asset management principles, identify deteriorating areas of the sewer collection system. It is also to coordinate review and analysis of sewer maintenance data to select and prioritize collection system renewal, repair and replacement projects. Cured in Place Piping (CIPP) and other trenchless construction technologies are often utilized, but sometimes the construction of improvements requires open cut installation and excavation for underground sewer infrastructure.

WPCP and Wastewater Facility Expansion and Access Improvements

The WPCP is increasing its treatment capacity from 60 million gallons per day (MGD) to 85 MGD as part of the LTCP and a new tunnel is being constructed from the WPCP to bring additional flow to the WPCP and Wet Weather facilities. In conjunction with the LTCP and future growth planning, a multi-year improvement plan is being constructed and additional buildings, facilities and structures are being added to the WPCP and Wet Weather Pond areas. Additional land and access routes are required to allow for more cost effective construction, operation and expansion of facilities in these areas.

Digester & Methane System Improvements

The WPCP is increasing its treatment capacity from 60 million gallons per day (MGD) to 85 MGD at part of the LTCP. In conjunction with this increase, a multi-phase digester improvement program is currently being implemented in the capital program. Currently, six (6) digesters are in service which allows the City to produce class "A" sludge. Four (4) digesters and other important digester support systems have been rehabilitated in the last several years. In an effort to reliably support the increased treatment capacity required by the LTCP, the City must make safety and operational improvements to remaining two (2) digesters, the boilers and heat exchangers that serve the digester and WPCP facilities, as well as the digested sludge force main system. These improvements are being implemented in a sustainable manner so that methane produced by the digestion process can be utilized to produce heat and power for use at the WPCP and is intended to reduce operational costs.

Dissolved Oxygen and Aeration System Improvements

The WPCP is increasing its treatment capacity from 60 million gallons per day (MGD) to 85 MGD at part of the LTCP. In conjunction with this increase, aeration systems for both treatment and final effluent quality are being rehabilitated and upgraded as necessary in an effort to reliably support the increased treatment capacity required by the LTCP and meet its discharge permit requirements. These improvements are being implemented in a sustainable manner so that the electrical power necessary to run the associated blowers and systems is minimized, as much as reasonable and is intended to reduce operational costs.

PRINCIPAL SUM:

The City of Fort Wayne, in Allen County, State of Indiana ("City"), for value received, hereby promises to pay to the Registered Owner named above or registered assigns, solely out of the special revenue fund hereinafter referred to, the Principal Sum set forth above[, or so much thereof as may be advanced from time to time and be outstanding as evidenced by the records of the registered owner making payment for this bond, or its assigns,] on [the Maturity Date set forth above] **OR** [on the dates and in the amounts as set forth on Exhibit A attached hereto] (unless this bond be subject to and shall have been duly called for redemption and payment as provided for herein), and to pay interest hereon until the Principal Sum shall be fully paid at the rate per annum specified above from [the dates of payment made on this bond] **OR** [the interest payment date to which interest has been paid next preceding the Authentication Date of this bond unless this bond is authenticated after the fifteenth day of the month preceding an interest payment date and on or before such interest payment in which case it shall bear interest from such interest payment date, or unless this bond is authenticated on or before _____ 15, _____, in which case it shall bear interest from the Original Date,] until the principal is paid, which interest is payable semiannually on the first days of February and August in each year, beginning on _____ 1, 20___. Interest shall be calculated according to a 360-day calendar year containing twelve 30-day months.

[The principal of this bond is payable at the principal office of _____ ("Registrar" or "Paying Agent"), in the _____ of _____, Indiana.] All payments of [principal of and] interest on this bond shall be paid by [check mailed one business day prior to the interest payment date] **OR** [wire transfer for deposit to a financial institution as directed by the Indiana Finance Authority ("Authority") on the due date or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date] to the registered owner hereof, as of the fifteenth day of the month preceding such payment, at the address as it appears on the registration books kept by [_____] ("Registrar" or "Paying Agent") in the _____ of _____, Indiana] **OR** [the Registrar] or at such other address as is provided to the Paying Agent in writing by the registered owner. [If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time).] All payments on the Bond shall be made in any coin or currency of the United States of America, which on the dates of such payment, shall be legal tender for the payment of public and private debts.

THE CITY SHALL NOT BE OBLIGATED TO PAY THIS BOND OR THE INTEREST HEREON EXCEPT FROM THE HEREINAFTER DESCRIBED SPECIAL FUND, AND NEITHER THIS BOND NOR THE ISSUE OF WHICH IT IS A PART SHALL IN ANY RESPECT CONSTITUTE A CORPORATE INDEBTEDNESS OF THE CITY WITHIN THE PROVISIONS AND LIMITATIONS OF THE CONSTITUTION OF THE STATE OF INDIANA.

This bond is [the only] one of an authorized issue of bonds of the City[, issued in series] [of like date, tenor and effect, [except as to rates of interest[series designation,]] and dates of maturity] aggregating _____ Dollars (\$) [for this series]; numbered consecutively from 1 up; issued for the purpose of providing funds to be applied on the cost of additions, extensions and improvements to the sewage works system of the City ("Project")[, to refund interim notes issued in anticipation of the bonds] and to pay issuance expenses [including premium[s] for municipal bond insurance [and a debt service reserve surety]]. This bond is issued pursuant to an Ordinance adopted by the Common Council of the City on the _____ day of _____, 2014, entitled "An Ordinance of the Common Council of the City of Fort Wayne, Indiana, authorizing the acquisition and installation of certain improvements to the City's sewage works, the issuance and sale of additional revenue bonds to provide funds for the payment of the costs thereof, and the collection, segregation and distribution of the revenues of such sewage works and other related matters" ("Ordinance"), and in accordance with the provisions of Indiana law, including without limitation Indiana Code 36-9-23 as in effect on the date of delivery of the bonds of this issue ("Act"), the proceeds of which bonds are to be applied to the costs of the Project, [the payment of notes issued in anticipation of the bonds,] and expenses incurred in connection therewith.

[Reference is hereby made to the Financial Assistance Agreement ("Financial Assistance Agreement") between the City and the Authority concerning certain terms and covenants

pertaining to the Project and the purchase of this bond as part of the wastewater loan program established and existing pursuant to IC 4-4-11 and IC 13-18-13.]

Pursuant to the provisions of the Act and the Ordinance, the principal of and interest on this bond and all other bonds of said issue, [including the Sewage Works Revenue Bonds of 20___, Series ___ ("Series ___ Bonds")] and any bonds hereafter issued on a parity therewith are payable solely from the Sewage Works Sinking Fund continued by the Ordinance ("Sinking Fund") to be provided from the Net Revenues (defined as gross revenues after deduction only for the payment of the reasonable expenses of operation, repair and maintenance, excluding transfers for payments in lieu of property taxes) of the sewage works of the City. This bond and the issue of which it is a part constitute a first charge upon the Net Revenues and shall rank on a parity with the Prior Bonds, as defined in the Ordinance [and the Series ___ Bonds].

The City irrevocably pledges the entire Net Revenues of the sewage works to the prompt payment of the principal of and interest on the bonds authorized by the Ordinance, of which this is one, and any bonds ranking on a parity therewith, including the Prior Bonds [and the Series ___ Bonds] to the extent necessary for that purpose, and covenants that it will cause to be fixed, maintained and collected such rates and charges for services rendered by the utility as are sufficient in each year for the payment of the proper and reasonable expenses of Operation and Maintenance (as defined in the Financial Assistance Agreement) of the sewage works and for the payment of the sums required to be paid into the Sinking Fund under the provisions of the Act and the Ordinance. If the City or the proper officers thereof shall fail or refuse to so fix, maintain and collect such rates or charges, or if there be a default in the payment of the interest on or principal of this bond, the owner of this bond shall have all of the rights and remedies provided for in the Act, including the right to have a receiver appointed to administer the works and to charge and collect rates sufficient to provide for the payment of this bond and the interest hereon.

The City further covenants that it will set aside and pay into its Sinking Fund monthly, as available, or more often if necessary, a sufficient amount of the Net Revenues of the sewage works for payment of (a) the interest on all bonds which by their terms are payable from the revenues of the sewage works, as such interest shall fall due, (b) the necessary fiscal agency charges for paying bonds and interest, (c) the principal of all bonds which by their terms are payable from the revenues of the sewage works, as such principal shall fall due, and (d) an additional amount as a margin of safety to [create and] maintain the debt service reserve required by the Ordinance. Such required payments shall constitute a first charge upon all the Net Revenues of the sewage works on a parity with the Prior Bonds [and the Series ___ Bonds].

The bonds of this issue maturing on and after _____ 1, 20___, are redeemable at the option of the City on _____ 1, 20___, or any date thereafter, on [sixty (60)] [thirty (30)] days' notice, in whole or in part, [in inverse order of maturity] **OR** [in the order of maturity as determined by the City] and by lot within a maturity, at face value, together with the following premiums:

___% if redeemed on _____ 1, 20___ or thereafter
on or before _____, 20___;
___% if redeemed on _____ 1, 20___ or thereafter

on or before _____, 20__;
0% if redeemed on _____ 1, 20__ or thereafter
prior to maturity;

plus accrued interest to the date fixed for redemption]; provided, however, if the bonds are sold to the SRF Program and registered in the name of the Authority, the bond shall not be redeemable at the option of the City unless and until consented to by the Authority].

[The bonds maturing on _____ 1, 20__, are subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof plus accrued interest, on the dates and in the amounts set forth below:

<u>Term Bond</u>	
<u>Date</u>	<u>Amount</u>
*	

* Final Maturity]

Each [Five Thousand Dollars (\$5,000)] [One Dollar (\$1)] principal amount shall be considered a separate bond for purposes of optional [and mandatory] redemption. If less than an entire maturity is called for redemption, the bonds to be redeemed shall be selected by lot by the Registrar. [If some bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the bonds for optional redemption before selecting the bonds by lot for the mandatory sinking fund redemption.]

Notice of such redemption shall be mailed to the address of the registered owner as shown on the registration records of the City, as of the date which is [sixty-five (65)] [forty-five (45)] days prior to such redemption date, not less than [sixty (60)] [thirty (30)] days prior to the date fixed for redemption unless the notice is waived by the registered owner of this bond. The notice shall specify the date and place of redemption and sufficient identification of the bonds called for redemption. The place of redemption may be determined by the City. Interest on the bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

If this bond shall not be presented for payment or redemption on the date fixed therefor, the City may deposit in trust with its depository bank an amount sufficient to pay such bond or the redemption price, as the case may be, and thereafter the registered owner shall look only to the funds so deposited in trust with said bank for payment and the City shall have no further obligation or liability in respect thereto.

This bond is transferable or exchangeable only upon the books of the City kept for that purpose at the [principal corporate trust] office of the Registrar by the registered owner hereof in person, or by his attorney duly authorized in writing, upon surrender of this bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner, or his attorney duly authorized in writing, and thereupon a new fully registered bond or bonds in an authorized aggregate principal amount and of the same maturity, shall be

executed and delivered in the name of the transferee or transferees or to the registered owner, as the case may be, in exchange therefor. This bond may be transferred without cost to the registered owner except for any tax or governmental charge required to be paid with respect to the transfer. The City, the Registrar, the Paying Agent and any other registrar or paying agent for this bond may treat and consider the person in whose name this bond is registered as the absolute owner hereof for all purposes including for the purpose of receiving payment of, or on account of, the principal hereof and interest due hereon.

[The bonds shall be initially issued in a Book Entry System (as defined in the Ordinance). The provisions of this bond and of the Ordinance are subject in all respects to the provisions of the Letter of Representations between the City and The Depository Trust Company, or any substitute agreement, effecting such Book Entry System.]

This bond is subject to defeasance prior to redemption or payment as provided in the Ordinance referred to herein. THE OWNER OF THIS BOND, BY THE ACCEPTANCE HEREOF, HEREBY AGREES TO ALL THE TERMS AND PROVISIONS CONTAINED IN THE ORDINANCE. **BOARD OF PUBLIC WORKS
CITY OF FORT WAYNE, INDIANA**

RESOLUTION NO. #101-1-02-14-2

**RECOMMENDING ADJUSTMENTS TO RATES AND CHARGES FOR THE FORT WAYNE
WATER POLLUTION CONTROL UTILITY**

WHEREAS, pursuant to Indiana Code 36-9-23-25, the Common Council of the City of Fort Wayne, Indiana has enacted a User Charge System and a Sewer Use Ordinance as contained in Chapter 51 of the Fort Wayne Code of Ordinances; and

WHEREAS, Indiana Code 8-1.5-3-8 states that the rate and charges of a municipally owned utility are unlawful if they are too low to produce income sufficient to maintain the utility in a should physical and financial condition to render adequate and efficient services; and

WHEREAS, the City of Fort Wayne became subject to a consent Decree enforceable April 1, 2008, wherein the City must construct certain facilities at certain times over an 18 year period to achieve certain specified levels of control over combined sewer overflows, must avoid sanitary sewer overflows and must report timely on progress or pay fines and penalties for failure to meet deadlines and milestones or for failure to provide sufficient maintenance of the sewer system; and

WHEREAS, Fort Wayne's water pollution control utility has developed plans for investments in high value combined sewer projects, capacity building in the sanitary sewer interceptor system for future growth and development, a continuation of pipeline rehabilitation work and preventive maintenance programs for maintenance sufficiency; and

WHEREAS, sewer capacity and water quality capital projects have been included in a sewage works Capital Improvement Program (CIP) for the years 2015 – 2020; and

WHEREAS, upon review of the sewage works Capital Improvement Program, the Board of Public Works of the City of Fort Wayne, in accordance with I.C. 36-9-23-25 now finds that existing rates and charges for the use of and services rendered by the Water Pollution Control Utility do not provide sufficient revenue to:

- (a) Pay all expenses incidental to the operation of the sewage works as defined in 36-9-1-8, including legal expenses, maintenance costs, operating charges, repairs, lease rentals, and interest charges on bonds or other obligations;
- (b) Provide the sinking fund required by Indiana Code 36-9-23-21 for proposed debt; and
- (c) Provide adequate money for improving and replacing the sewage works, specifically those projects that are required by the Consent Decree; and

WHEREAS, a series of adjustments to treatment and conveyance rates and other fees and charges documented in a Sewer Cost of Service Study completed by H.J. Umbaugh and Associates are needed to fund sewer CIP projects for the next six years and meet the requirements of Indiana Code 36-9-23-25.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board of Public Works of the City of Fort Wayne, Indiana deems it in the best interest of the Fort Wayne Water Pollution Control Utility, in order to provide income sufficient to maintain the utility in sound physical and financial condition to render adequate and efficient service to its

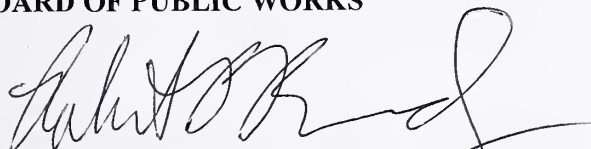

users while implementing requirements of the Consent Decree and the sewage works capital improvement plan, that sewage rates be adjusted per the 2014 Sewer Utility Cost of Service Study; and

2. The Board of Public Works recommends that the Common Council of the City of Fort Wayne, Indiana amend Chapters 41 and 51 of the Fort Wayne Code of Ordinances in order to reflect these adjustments in sewer service rates and charges assessed to users of the Fort Wayne Water Pollution Control Utility as detailed in the attached Bill.

Approved this second day of July, 2014.

BILL NO.

GENERAL ORDINANCE NO. _____

**AN ORDINANCE AMENDING CHAPTER 51 OF
THE CITY OF FORT WAYNE CODE OF ORDINANCES**

WHEREAS, pursuant to Indiana Code 36-9-23-25, the Common Council of the City of Fort Wayne Indiana has enacted a User Charge System and a Sewer Use Ordinance as contained in Chapter 51 of the Fort Wayne Code of Ordinances; and

WHEREAS, Indiana Code 8-1.5-3-8 states that rates and charges of municipally owned utilities are unlawful if they are too low to produce income sufficient to maintain the utility property in a sound physical and financial condition to render adequate and efficient services, and

WHEREAS, the City of Fort Wayne is subject to a Consent Decree, effective April 1, 2008, wherein the City must construct certain facilities at certain times within 18 years from the effective date to achieve certain specified levels of control over combined sewer overflows. Further, Fort Wayne must avoid sanitary sewer overflows and must report timely on progress and events or pay per diem fines and penalties for failure to meet deadlines, milestones or for failure to provide sufficient maintenance; and

WHEREAS, the Water Pollution Control Utility has developed plans for investments in high value combined sewer system projects, projects to build capacity in the sanitary sewer interceptors for future economic growth and development, a continuation of pipeline rehabilitation work, and preventative maintenance programs for maintenance sufficiency; and

WHEREAS, Water Pollution Control Plant, sewer capacity and water quality capital projects have been incorporated into a long-term plan for sewer improvements -- the next six years (2015 – 2020) of which are included in the sewage works Capital Improvement Program (CIP); and

WHEREAS, upon review of the sewage works Capital Improvement Program, the Board of Public Works of the City of Fort Wayne, in accordance with I.C. 36-9-23-25 now finds that existing rates and charges for the use of and services rendered by the Water Pollution Control Utility do not provide sufficient revenue to:

- (a) Pay all expenses incidental to the operation of the sewage works as defined in 36-9-1-8, including legal expenses, maintenance costs, operating charges, repairs, lease rentals, and interest charges on bonds or other obligations;
- (b) Provide the sinking fund required by Indiana Code 36-9-23-21 for proposed debt; and
- (c) Provide adequate money for improving and replacing the sewage works, specifically those projects that are required by the Consent Decree; and

WHEREAS, a series of adjustments in treatment, conveyance and other rates and fees rates shown herein, are needed to fund the sewer CIP projects for the next six years (2015 – 2020) and meet the requirements of Indiana Code 36-9-23-25; and

WHEREAS, the Board of Public Works of the City of Fort Wayne did, on July 2, 2014 resolve that it is in the best interest of the Fort Wayne Water Pollution Control Utility, in order to provide income sufficient to maintain the utility property in a sound physical and financial condition to be

able to render adequate and efficient service to its users while implementing the recommendations of the Sewer Advisory Group and requirements of the Consent Decree, and the Utility's approved six-year CIP to revise sewage rates charged to all sewage works users as shown herein for the years listed, effective January 1st of each respective year, and did recommended that such changes be adopted by Common Council by way of amendment to Chapter 51 of the Fort Wayne Code of Ordinances; and

WHEREAS, the Common Council now finds the sewer rates for the next five years are insufficient pursuant to Indiana Code 36-9-23-25 to meet the needs of the Fort Wayne Water Pollution Control Utility (sewage works), including capital projects planned for the next six years; and

WHEREAS, the Common Council of the City of Fort Wayne now finds it is in the best interest of the Fort Wayne Water Pollution Control Utility, in order to provide income sufficient to maintain the utility property in a sound physical and financial condition to be able to render adequate and efficient service to its users while implementing the recommendations of the Sewer Advisory Group and requirements of the Consent Decree, and the Utility's six-year CIP to revise sewage rates charged to all sewage works users as shown herein for the years listed, effective January 1st of each respective year.

NOW THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA;

1. That the following sections or subsections of Chapter 51 of the Fort Wayne Code of Ordinances be amended as follows with all other sections to remain unchanged:

51.001 DEFINITIONS

(The following is to be added in the appropriate location, alphabetically)

CONTRACT CUSTOMER. Any user of the City Utilities Water Pollution Control Utility that has signed a long-term contract committing to send sewage flows to the Fort Wayne treatment works for treatment; and that has provided growth projections and estimated average daily flows that allow Fort Wayne to reserve capacity in the collection and treatment system for such flows; and that has committed – via contract – to control peak flows or pay penalties for exceedances; or which has customers for whom Fort Wayne does not provide direct account management and other administrative services and does not provide direct sewage collection and conveyance services; or any customer that has – by contract – has committed themselves to terms and conditions that are not applicable to retail customers. Users that do not meet these criteria shall be considered retail users.

(To be deleted and replaced as follows)

CAPITAL IMPROVEMENT SURCHARGE. The additional charges for sewage service collected from retail sanitary sewer users discharging sewage to the water pollution control utility from a capital improvement surcharge area designated to be responsible to contribute to the payment of costs associated with installation, adjustment or other improvements to the water pollution control utility intended to serve the capital improvement surcharge area.

51.069 METERED RETAIL USER CHARGES (delete existing and replace)

(A) Metered retail users include residential, industrial, commercial, institutional and governmental users.

(B) *Annexation areas.* Hereinafter, the terms “inside city” or “outside city” shall be read to distinguish the users located within or outside the corporate boundaries of the City of Fort Wayne. Users designated as outside city who are within an annexation area shall, upon the effective date of annexation, be designated as inside the city and inside city rates and charges shall apply.

(C) *Inside city consumption and service charges.*

(1) *Consumption charge.* Monthly charges for services rendered to users within the corporate boundaries of the City of Fort Wayne shall be based on metered water consumption, unless otherwise measured, in accordance with the following charges for this classification of service:

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019

51.070 FLAT RETAIL USER CHARGES (delete existing and replace)

(A) *Flat user charges inside City.* In the event that any inside city user is not a metered water customer, there shall be imposed a monthly flat charge as follows:

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019
Single family residential dwelling per month	Per ERU per month	\$ 48.59	\$ 50.27	\$ 51.68	\$ 55.61	\$ 59.94
All unmetered customers other than single family residential dwelling per month	Per ERU per month	To be calculated by City Utilities	To be calculated by City Utilities	To be calculated by City Utilities	To be calculated by City Utilities	To be calculated by City Utilities

The utility shall retain documentation supporting its ERU determination and billings based thereon. Such determination of billings may be reviewed and adjusted by the utility at any time. However, no adjustment, additional charge or refund may be made more than six years after the due date of the billing sought to be adjusted.

(B) *Flat user charges outside City.* In the event that any outside city user is not a metered water customer, there shall be imposed a monthly flat charge as follows:

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019

51.072 STRENGTH OF WASTE SURCHARGE (delete existing and replace)

(A) Each user discharging wastes into the collection system shall be subject to a Strength of Waste Surcharge, in addition to other sewage service charges imposed by this chapter, based on the following minimum strength characteristics to the extent that such wastes are in concentrations greater than:

- (1) Biochemical oxygen demand of 300 milligrams per liter.
- (2) Chemical oxygen demand of 600 milligrams per liter.
- (3) Suspended solids content of 300 milligrams per liter.
- (4) Phosphorus content of 10 milligrams per liter.
- (5) Ammonia content of 25 milligrams per liter.

(B) *Strength of waste surcharge inside City.* In the event any inside City user in this classification contributes waste having strength of sewage in excess of domestic waste characteristics, as herein defined, a surcharge based on the following unit process charges will be in effect for all waste found to be in excess of limitations:

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019
Suspended Solids	Per pound per month	\$ 0.1521	\$ 0.1521	\$ 0.1521	\$ 0.1521	\$ 0.1521
Biochemical Oxygen Demand	Per pound per month	\$ 0.1164	\$ 0.1164	\$ 0.1164	\$ 0.1164	\$ 0.1164
Phosphorus	Per pound per month	\$ 1.4990	\$ 1.4990	\$ 1.4990	\$ 1.4990	\$ 1.4990
Ammonia	Per pound per month	\$ 0.2659	\$ 0.2659	\$ 0.2659	\$ 0.2659	\$ 0.2659

The surcharge shall be determined as follows: The excess pounds of BOD or COD (whichever results in the higher charge) suspended solids, phosphorus and ammonia will each be computed by first multiplying the user's billing sewage volume measured in units of 100 cubic feet for the current billing period by the factor 0.0062321 and then multiplying this product by the difference between, (a) the concentrations measured in milligrams per liter, of the BOD (or COD), suspended solids, phosphorus and ammonia respectively in the user's sewage, and (b) the allowed concentrations set out in 51.072. The surcharge for each constituent will then be determined by multiplying the excess pounds of each constituent by the appropriate rate of surcharge. In the event COD measurement is used, as hereinbefore provided, 50% of the excess pounds measured will be used to compute the equivalent BOD charge.

(C) *Strength of waste surcharge outside City.* In the event any outside City user in this classification contributes waste having strength of sewage in excess of domestic waste characteristics, as herein defined, a surcharge based on the following unit process charges will be in effect for all waste found to be in excess of limitations:

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019
Suspended Solids	Per pound per month	\$ 0.1521	\$ 0.1521	\$ 0.1521	\$ 0.1521	\$ 0.1521
Biochemical Oxygen Demand	Per pound per month	\$ 0.1164	\$ 0.1164	\$ 0.1164	\$ 0.1164	\$ 0.1164

Phosphorus	Per pound per month	\$ 1.4990	\$ 1.4990	\$ 1.4990	\$ 1.4990	\$ 1.4990
Ammonia	Per pound per month	\$ 0.2659	\$ 0.2659	\$ 0.2659	\$ 0.2659	\$ 0.2659

The surcharge shall be determined as follows: The excess pounds of BOD or COD (whichever results in the higher charge) suspended solids, phosphorus and ammonia will each be computed by first multiplying the user's billing sewage volume measured in units of 100 cubic feet for the current billing period by the factor 0.0062321 and then multiplying this product by the difference between, (a) the concentrations measured in milligrams per liter, of the BOD (or COD), suspended solids, phosphorus and ammonia respectively in the user's sewage, and (b) the allowed concentrations set out in 51.072. The surcharge for each constituent will then be determined by multiplying the excess pounds of each constituent by the appropriate rate of surcharge. In the event COD measurement is used, as hereinbefore provided, 50% of the excess pounds measured will be used to compute the equivalent BOD charge.

51.073 BULK WASTE CHARGES (delete existing and replace)

(A) *Bulk Industrial Waste Charge.* All industrial waste suitable for disposal, which has been delivered by an approved Water Hauler to City's plant. For purposes of computing charges hereunder, a **LOAD** is defined as 1,000 gallons of tank capacity or any fraction thereof.

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019

(B) *Domestic.* All domestic waste delivered to the city's plant by customer's truck or tank. For purposes of computing charges hereunder, a **LOAD** is defined as 1,000 gallons of tank capacity or any fraction thereof.

	Unit of Measure	Effective January 1, 2015	Effective January 1, 2016	Effective January 1, 2017	Effective January 1, 2018	Effective January 1, 2019
Discharge	1,000 gallons	\$ 57.93	\$ 57.93	\$ 57.93	\$ 57.93	\$ 57.93
Billing Charge	Per bill	\$ 4.19	\$ 4.19	\$ 4.19	\$ 4.19	\$ 4.19

(C) *Manifest.* All bulk waste loads delivered to the Water Pollution Control Plant shall be accompanied by a "Waste Hauler Manifest," the form for which will be provided by the city.

51.074 OTHER RATES AND CHARGES (as approved by Ordinance No. [redacted] and moved from Section 51.077.5).

Deer Track Area	\$2,950 per ERU

(B) These charges are subject to change as warranted and authorized by Ordinance.

51.077 CONTRACT CUSTOMERS (delete existing and replace)

Contract customer rates are applicable only to those users that meet the criteria described in the definition of a contract customer. If a user does not meet the criteria in the definition of a contract customer, the user will be considered to be a retail customer and retail rates shall apply.

In the event City Utilities consummates a contract to serve as a regional treatment plant to a contract customer the following fees and charges shall apply:

(A) *Treatment charge (per 100 cubic feet).*

(B) *Conveyance charge (per 100 cubic feet).* A variable charge for conveyance and collections costs attributable to each contract customer's portion of the city conveyance system, and operating costs associated therewith, shall be computed by the city and added to the treatment cost to arrive at the contractee's total metered rate.

(C) *Monthly service charge.*

(D) *Surveillance/Evaluation charge.* All contract customers discharging wastes into the system that require continuing surveillance sampling and waste evaluation, shall be subject to 51.071(A) *Surveillance/evaluation charge inside City* to cover the costs of such services.

(E) *Excess strength of waste.* In the event a contract customer user contributes waste having a strength of sewage in excess of domestic waste characteristics, as hereinbefore defined, a surcharge shall be implemented per 51.072(B) *Strength of waste surcharge inside City*.

(F) *Capital surcharge.* In the event a contract customer delivers sewage for treatment to the city for three consecutive billing periods (approximately 90 consecutive days) which is in excess of the base volume limit guaranteed in the contract, then the customer will be subject to a capital surcharge, computed at the capital rate per 100 cubic feet in effect for outside the city customers set out elsewhere herein. The capital rate per 100 cubic feet shall be multiplied by the excess percentage of volume calculated by dividing the daily average for three billing periods by the contracted volume limit (in gallons per day).

(G) *Volumetric Exceedance Fee.* The additional fee for exceedances to the contractual volume limits to be collected from contract customer users discharging sewage to the water pollution control utility. This fee (also defined and specified in contracts under different terminology, such as the “Treatment Plant Capital Surcharge”) shall be collected as specified in each contract and calculated as defined by the contract. Such fees shall contribute to the payment of costs associated with operation, installation, adjustment or other improvements to the water pollution control utility intended to serve the contract customer when it discharges flows exceeding the capacity allocated per the contract.

(H) *Peak Flow Exceedance Fee.* The additional fee for exceedances to the contractual peak flow limits to be collected from contract customer users discharging sewage to the water pollution control utility. This fee (also defined and specified in contracts under different terminology, such as “Peak Penalty Rates”) shall be collected as specified in each contract and calculated as defined by the contract. Such fees shall contribute to the payment of costs associated with operation, installation, adjustment or other improvements to the water pollution control utility intended to serve the contract customer when it discharges flows exceeding the capacity allocated per the contract.

(I) *Other provisions.* In the event sewage received pursuant to any contract entered into under this section exceeds any of the limitations imposed by this chapter, City Utilities shall have the right to impose all limitations, charges and penalties applicable to any non- contract customer user. Each contract entered into by City Utilities pursuant to the foregoing rate classification shall provide that the contract customer shall agree to enact and maintain a sewer use ordinance and user charge system acceptable to City Utilities and in conformance with City Utilities’ obligations under Sec. 204 (b) (1), Public Law 92-500 as amended and supplemented, and guidelines and regulations promulgated thereunder by the U.S. Environmental Protection Agency and 40 CFR 35-905-8, 35-928-1 and 35-928-2 and 35-935-13.

ACCOUNTANTS' RATE STUDY AND COMPILATION REPORT

June 16, 2014

Mr. Kumar Menon
Director of City Utilities
City of Fort Wayne
200 East Berry Street
Fort Wayne, IN 46802

Re: Fort Wayne (Indiana) Municipal Sewage Works – Cost-of-Service Study

In connection with the proposed adjustment in the Sewage Works' schedule of sewer rates and charges, we have, at your request, compiled this special purpose rate study report.

This special purpose rate study report has been prepared for the purpose of requesting approval of a new schedule of sewer rates and charges and should not be used for any other purpose.

Further, the pro forma financial information in this report which has not been compiled, reviewed or audited by us, is based upon unaudited financial information for the twelve months ended April 30, 2013, which was compiled by us and assumptions provided by management and their consulting engineers or obtained from other sources. This pro forma financial information is prepared for the purpose of showing the estimated financial effects on the utility's revenue and revenue requirements of adjustments in rates and charges for service and other changes that may be reasonably fixed, known or measured. The actual results achieved may vary from the pro forma information and the variations may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

We have compiled the accompanying comparative statement of net position of the Sewage Works as of December 31, 2010, 2011, and 2012 and the twelve months ended April 30, 2013, the related statements of revenues, expenses and changes in net position, and cash flows for the periods then ended and supplementary data. We have not audited or reviewed the accompanying historical financial statements and supplementary data, and accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Sewage Works financial position, results of operations and its cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

FORT WAYNE (INDIANA) MUNICIPAL SEWAGE WORKS

PRO FORMA EXPENSES, NORMALIZED REVENUES
AND ALLOCATION OF EXPENSES

FORT WAYNE (INDIANA) MUNICIPAL SEWAGE WORKS

SUMMARY OF SIGNIFICANT ASSUMPTIONS AND NOTES

- ❖ **Litigation**
 - > The City of Fort Wayne is presently involved in litigation with a customer with which it previously had a contract to provide sanitary sewage treatment service. A customer that does not meet the characteristics of a contract customer identified on page 3 will be considered a retail customer, not a contract customer, and will be charged accordingly. Assumptions that may be construed as contrary to that position have been made solely for the purposes for which this Accounting Report on Rate Study was prepared as a means of determining the least amount of revenue that must be generated in order to pay the costs identified in the Report. Those same assumptions shall not be considered as representations, admissions, or statements against interest by which the City of Fort Wayne may be estopped or for which the City of Fort Wayne may be held liable.

- ❖ **Three Cost of Service Rate Categories**
 - > Retail - Inside City
 - > Retail - Outside City
 - > Contract Customer (for purposes of this report included in the Contract Customer Cost of Service Rate Category are Grabill, Huntertown, Leo Cedarville, Maysville, New Haven, General Motors, and Allen Co. Regional Water and Sewer District).

- ❖ **Contract Customer Characteristics**
 - > Signed long term (20 year+) contract committing to send sewer flows to Fort Wayne.
 - > Provide growth projections, estimated average day flows, agree to peak flow limits and seek capacity reservations for those flows which allows Fort Wayne to long term plan for accommodating those capacities
 - > Commit to controlling peak flows and managing capacities or pay penalties for exceedences
 - > Customers for whom Fort Wayne provides less than all of administrative, customer collection, conveyance and treatment services needed by the customers or
 - > Customers that receive all the needed administrative, customer collection, conveyance and treatment services from Fort Wayne, but by the terms of the contract commit themselves to restrictions not applicable to retail customers

- ❖ **Rate Methodology**
 - > Sewage Works costs are separated into three categories
 1. Treatment costs (includes Operations & Maintenance (O&M), Payment in Lieu of Taxes (PILOT), Debt Service (DS) and capital additions / components
 - Treatment O&M costs are allocated to flow, extra-strength (Total Suspended Solids (TSS), Biochemical Oxygen Demand/Carbonaceous Biochemical Oxygen Demand (BOD/CBOD), Phosphorous and Ammonia) and inflow and infiltration
 - ♦ Inflow and infiltration is allocated to retail customer classes based on adjusted test year flows
 - ♦ Inflow and infiltration is allocated to Contract Customers based on system allowances for leakage per design standards and estimated wet weather inflows along interceptors
 - > Current breakdown of I/I for Flow is:
 - Retail – Inside City – 85.4%
 - Retail – Outside City – 11.3%
 - Contract Customers – 3.3%
 - > Current breakdown of I/I for TSS, BOD, Phosphorus, and Ammonia is:
 - Retail – Inside City – 83.4%
 - Retail – Outside City – 11.0%
 - Contract Customers – 5.6%
 - Treatment PILOT, DS and capital costs are allocated to flow

FORT WAYNE (INDIANA) MUNICIPAL SEWAGE WORKS

SUMMARY OF SIGNIFICANT ASSUMPTIONS AND NOTES

2. Conveyance costs (includes O&M, PILOT, DS and capital components)
 - Conveyance O&M, PILOT and capital costs are allocated to customer classes based on their capacity miles in proportion to the total conveyance system peak capacity miles
 - Contract Customer O&M, PILOT and capital costs are directly allocated to customer based on capacity miles
 - Capacity calculation is based on contract specified peak flow capacity (in gpm) and distance from Contract Customer connection point to the wastewater treatment plant
 - Conveyance O&M, PILOT and capital costs are recovered via a flow based conveyance rate
 - Conveyance DS costs are categorized as Common to All or Retail Only
 - Common to All Conveyance DS costs consist of all debt issued prior to 2014 for conveyance system improvements and debt issued after 2014 that is related to conveyance system projects that will benefit Contract Customers
 - Retail Only Conveyance DS costs are the debt service issued for conveyance system improvements not allocated to Common to All
 - Conveyance DS costs are recovered via:
 - Retail – 50% via flow rate / 50% via base charge
 - Contract Customer – 100% via a fixed monthly base charge that would only change due to changes in a customer's capacity requirements or debt service requirements
3. Billing costs (includes O&M, PILOT, DS and capital components)
 - Billing costs are recovered via a monthly billing charge calculated in relation to the cost of preparing, issuing, collecting and accounting for a sewer

❖ **Rate Adjustments**

- 2013/2014 cost of service study includes rate schedule for years 2015, 2016, 2017, 2018 and 2019 with rates to be implemented January 1 of each year
- Beyond 2019 City is committed to extension of 2013/2014 cost of service study methodology framework updated for the following six items (primary features):
 1. Treatment costs will continue to be allocated to function and customer class using same methodology set in Rate Methodology (1) or the 2013/2014 cost of service study
 2. Inflow and infiltration allocated to Contract Customers will continue to be based on system allowances for leakage per design standards and estimated wet weather inflows along interceptors and using the same methodology as described in Rate Methodology (1).
 3. Conveyance DS costs will continue to be split between Common to All and Retail Only
 4. Contract Customers will pay their proportionate share (based on capacity) of Common to All Conveyance DS costs in the manner described above in Rate Methodology (2).
 5. Contract Customers will not share in Retail Only conveyance DS costs
 6. Billing costs will continue to be recovered using a monthly charge and as described in Rate Methodology (3).

(1) Assumes for 2016 - 2019 excess strength, evaluation, capital, bulk waste, forfeited discounts and food service establishment rates are unchanged.

(2) Per management estimates.

(3) The proposed future rates are calculated based on COSS principles, resulting in the rate impact varying by customer class and specific contract customer. Contract Customers are those customers that meet the required Contract Customer Characteristics identified on page 3 of this report. If a customer does not meet the criteria identified on page 3, that customer will be considered a Retail Customer and charged accordingly.

* Coverage requirements for the 2019 bonds may require a 2020 rate increase.

Additional Notes:

- Includes estimated annual customer growth of 200 customers (est. 250 customer growth less 50 customer migration loss). Estimated consumption is 6.7 ccf per customer and at outside retail rates.
- Debt service costs for future bonds are allocated to Contract Customers only as benefitted as a customer class.
- Flat rate charge is transitioned from being based on 9 ccf per month (2015), to 8.5 ccf (2016) and 8 ccf (2017-2019).

IMPROVEMENT RESOLUTION NO. 12480

**COVINGTON ROAD BANK STABILIZATION
EMERGENCY PROJECT
WORK ORDER NO. 12480**

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE,
INDIANA.

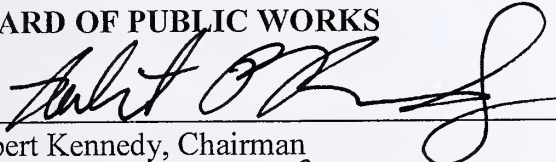

That it is deemed necessary to improve: Provide bank stabilization along the south bank of the ND#2 of Aboite Creek between Homestead Road and Scott Road for approximately 170 feet. The work will include mobilization, traffic control with flaggers, clearing of trees and undergrowth to clay soil, contouring of ditch side, installation of geotextile fabric from road edge to north side of creek bottom followed by 12-18" rip-rap for bank armoring, covered by 6-8" rip-rap from road edge to the north side of creek bottom – then covered with grout layer of either concrete or shot-crete to secure all rip-rap in place and minimize vegetative growth. Work shall begin within 2 weeks of the authorization to proceed.

All in accordance with the details, drawings, and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid 100% by the City of Fort Wayne.

Appraisal Calculations

Conversion From Appraisal of Entire Lot to Respective Easement Areas

Landowner: Helen F. Martin-Carter Revocable Trust

Project: Taylor-Hale Sewer Separation

August 2014

Appraisal of entire property by McChessney = \$1,600

Appraisal of entire property by Wierks = \$1,700

Average of the two appraisals = \$1,650

Average appraised value per square foot = $\$1,650 / 8,256$ square feet = \$0.20 per square foot

Area of permanent easement = 2,609 square feet

Value of permanent easement = $2,609 \times \$0.20 \times 1.00 = \521.80 Round to \$525

Area of temporary easement = 677 square feet

Value of temporary easement = $677 \times \$0.20 \times 0.50 = \67.70 Round to \$70

Total easement value = $\$525 + \$70 = \$595$

Opinion of Value: \$ 1,700
Effective Date: 02/26/2014

In accordance with your request, we have appraised the above referenced property. The report of that appraisal is attached.

The purpose of the appraisal is to develop an opinion of market value for the property described in this appraisal report, as improved, in unencumbered fee simple title of ownership.

This report is based on a physical analysis of the site and improvements, a location analysis of the neighborhood and city, and an economic analysis of the market for properties such as the subject. The appraisal was developed and the report was prepared in accordance with the Uniform Standards of Professional Appraisal Practice.

The opinion of value reported above is as of the stated effective date and is contingent upon the certification and limiting conditions attached.

It has been a pleasure to assist you. Please do not hesitate to contact me or any of my staff if we can be of additional service to you.

Sincerely,

August 18, 2014

Project: Taylor-Hale Sewer Separation, Phase One

Property Owner: Helen F. Martin-Carter Revocable Trust

Property Location: South side of Hale Avenue, between the house at 1741 Hale Avenue and the St. Mary's River, Fort Wayne, Indiana

Attempts to Contact Landowner & Secure Signature on Easement Agreement: Helen F. Martin-Carter, placed the subject property into the aforementioned trust prior to her death. The initial offer letter and easement packet was sent, in August 2013, via certified mail to Mrs. Martin-Carter at her last listed address according to the records maintained by Allen County. The mailing was returned by the Post Office as undeliverable, and it was later learned that Mrs. Martin-Carter is deceased.

Separate letters were then sent to Mrs. Martin-Carter's widower, at the same address, by both first-class mail and certified mail, in February 2014. The certified mail was returned by the Post Office as unclaimed.

In early May 2014, the attorney who set up the Trust for Mrs. Martin-Carter was located and contacted. That attorney stated that Mrs. Martin-Carter's daughter was designated as a trustee and that she could sign real estate documents for the trust; that attorney gave me the daughter's last known telephone number.

I immediately contacted the daughter and explained our project and the need for the easements across the subject property. The daughter stated that she thought this undeveloped lot was sold at a tax sale along with the house at 1741 Hale Avenue. I informed her that the investor who purchased the house did not buy the empty lot and that it is still listed on the property records as being owned by her deceased mother's trust. The daughter stated that she would like to help us, however, she was in a legal battle with her brother regarding the trust and that she could not sign the easement agreement.

Follow-up phone calls were made to the daughter in late May 2014 and a third time in early July 2014; in which the daughter again stated she would not sign the easement agreement.

Discussion Regarding the Subject Property: This lot is located between the house at 1741 Hale Avenue and the St. Mary's River. The lot previously went with this house until the house was purchased at a tax sale by an investor. The legal description was double-checked and the subject parcel was not included in the tax sale with the house. The lot was removed from the tax sale list because extra proceeds from the sale of the house were applied to the unpaid property taxes for the subject lot therefore it is still in the name of the Helen F. Martin-Carter Revocable Trust.

This lot has very little value as indicated by the two appraisals obtained (\$1,700 and \$1,600), and is essentially what is referred to as a remnant parcel from the subdivision it is a part of. It is doubtful that any improvements such as a house or accessory buildings will ever be constructed on it.

Given the above facts, along with the location of the easement at the front of the property, it is the opinion of City Utilities staff, that the presence of the new storm sewer and outfall will not adversely affect the use and value of the property.

OF THE CITY OF FORT WAYNE, INDIANA
CONFIRMING RESOLUTION 101-8-20-14-1
OF THE BOARD OF PUBLIC WORKS APPROPRIATING AND CONDEMNING
REAL PROPERTY FOR USE BY THE CITY OF FORT WAYNE, INDIANA,
AS PART OF THE TAYLOR-HALE SEWER SEPARATION PROJECT,
PHASE ONE**

RESOLUTION NUMBER 101-9-17-14-1

WHEREAS, the Board of Public Works (“Board”) of the City of Fort Wayne, Indiana (“City”) adopted Resolution Number 101-8-20-14-1 on August 20, 2014; and

WHEREAS, Resolution Number 101-8-20-14-1 initiated administrative condemnation and appropriation of one (1) permanent easement and one (1) temporary easement, respectively, in accordance with Indiana Code (I.C.) 32-24-2 for the installation of a storm drainage system on, across, and under portions of the one (1) property listed in the attached Exhibit “A” as part of the Taylor-Hale Sewer Separation Project, Phase One; and

WHEREAS, the Board set September 10, 2014 at 10:00 o’clock A.M., as the date and time for the Board to hear remonstrance against said condemnation and appropriation; and

WHEREAS, in accordance with I.C. 32-24-2, the Board published notice of said condemnation and appropriation, as well as the date and time of the remonstrance hearing, in local newspapers of general circulation for two (2) consecutive weeks following August 20, 2010; and

WHEREAS, the Board held a condemnation and appropriation remonstrance hearing on September 10, 2014 at 10:00 o’clock A.M., being no sooner than ten (10) days following the last published notice of said hearing in accordance with I.C. 32-24-2, at which time the Board was willing to receive and hear remonstrance from persons interested in or affected by the proceeding; and

WHEREAS, there were no written or verbal remonstrance against said condemnation and appropriation presented.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, AS FOLLOWS:

1. That the Board finds public benefit and utility in the installation of the storm drainage system on, across, and under portions of the one (1) property listed in the attached Exhibit “A” as part of the Taylor-Hale Sewer Separation Project, Phase One.

2. That the Board finds that the condemnation and appropriation of the one (1) permanent easement and one (1) temporary easement, respectively, on, across, and under portions of the one (1) property listed in the attached Exhibit "A" is necessary to protect the public health, safety, and welfare.

3. That the Board hereby AFFIRMS the condemnation and appropriation initiated by Resolution Number 101-8-20-14-1.

4. That the Board finds the appraised values of the one (1) permanent easement and one (1) temporary easement, respectively, listed in the attached Exhibit "A" to be accurate and fair market values for the easements.

5. That the Board hereby awards the damage amounts listed in the attached Exhibit "A" to the property owner(s).

6. That the Board, being unable to find or make personal contact with the property owner(s), shall authorize the Clerk of the Board to publish notice of the damage awards in the local newspapers of general circulation for three (3) consecutive weeks. Said notice will also include the date for a hearing at which the property owner(s) may remonstrate against said awards.

7. That the Board sets Wednesday October 15, 2014, at 10:00 o'clock A.M. as the date and time at which the Board will receive or hear remonstrance from the property owner(s) listed in the attached Exhibit "A" regarding the amount of damages awarded by the Board according to Resolution Number 101-9-17-14-1. The said date and time are at least ten (10) days after the last publication required under I.C. 32-24-2-8.

This Resolution shall be in full force and effect from and after its adoption by the Board of Public Works of the City of Fort Wayne, Indiana.

WHEREAS, the Board held a remonstrance hearing on September 10, 2014 at 10:00 o’clock A.M. to hear remonstrance against said condemnation and appropriation; and

WHEREAS, no written or verbal remonstrance against said condemnation and appropriation were presented at the September 10, 2014 remonstrance hearing; and

WHEREAS, the Board adopted Resolution Number 101-9-17-14-1 on September 17, 2014, wherein the Board confirmed said condemnation and appropriation and set initial damage awards for the affected property owners; and

WHEREAS, the Board held a remonstrance hearing on October 15, 2014 at 10:00 o’clock A.M. to hear remonstrance against said damage awards; and

WHEREAS, there were no written or verbal remonstrance against said damage awards presented at the October 15, 2014 remonstrance hearing.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, AS FOLLOWS:

1. That the Board finds public benefit and utility in the installation of the storm sewer and the associated outfall for the Westfield Neighborhood.

2. That the Board finds that the condemnation and appropriation of the one (1) permanent easement and one (1) temporary easement on, across, and under portions of the one (1) property listed in the attached Exhibit "A" are necessary to protect the public health, safety, and welfare.

3. That the Board hereby AFFIRMS the damage awards in the Attached Exhibit "A", and which were initially awarded in Board Resolution 101-9-17-14-1, in accordance with I.C. 32-24-2-10.

4. That the Board finds the appraised values of the one (1) permanent easement and one (1) temporary easement, listed in the attached Exhibit "A," to be accurate and fair market values for the easements.

This Resolution shall be in full force and effect from and after its adoption by the Board of Public Works of the City of Fort Wayne, Indiana.

APPROVED this 22nd day of October, 2014.

CITY UTILITIES ANNUAL ON-CALL EMERGENCY CONSTRUCTION SERVICES

REQUIREMENTS TO PROVIDE LABOR AND EQUIPMENT FOR REPAIRS TO FORT WAYNE UTILITY SYSTEMS

Scope of Work:

Fort Wayne Utilities is requesting time and material quotes for contracting various types of labor and equipment for repairs to be performed on Utilities distribution and collection systems. Such repairs may include, but are not limited to: main breaks, main leaks, fire hydrants, service leaks, valve repairs or replacements, force main leaks or repairs, storm system repairs, sanitary sewer repairs, and combined sewer system repairs and replacements.

It is the intent of the Utility, for purposes of emergencies, to have a list of available contractor(s) names, emergency numbers, and equipment accessible to the Utility.

Term of agreement: **January 1, 2015 through December 31, 2015**, on an "as needed" basis. This quote does not guarantee work to any contractor within the above time frame. The Utility reserves the right to award work to multiple contractors based upon the availability of the contractor(s), projected costs of the project and the amount and type of work that needs to be performed.

Contractor Responsibilities:

The contractor shall furnish equipment as necessary to complete the repairs as outlined by Utility Maintenance staff or Utility Engineering. One or more pieces of fully operated equipment, as deemed necessary by the Utility including operator, complete maintenance, insurance, fuel and oil may be needed for the work to be performed. Equipment shall meet all requirements necessary for safe and efficient operation, day or night, under all weather conditions as determined by Utility Maintenance staffs.

In emergency situations needing immediate attention and work, requests for locates may be called into Indiana Underground Plant Protection (IUPPS) by Water Maintenance & Service or Water Pollution Control Maintenance Departments prior to calling a contractor. The Contractor will be notified as to the status of the locate request. This in no way relieves the liability of the contractor for damaging utilities. The contractor shall not commence excavation until all utilities have located their facilities. On planned / scheduled work, the contractor shall be required to contact IUPPS with the pertinent information regarding the proposed excavation.

The contractor shall furnish experienced and competent operators, laborers, and supervisors having sufficient knowledge of Fort Wayne Utility Standards and Specifications and relevant experience repairing water and sewer infrastructure. Supervisors/forepersons shall be able to follow verbal and/or written instructions on the type of repairs required. Laborers shall be experienced with water main and sewer line installation and repair techniques. All operators shall be properly licensed.

The contractor shall indemnify and hold harmless the City of Fort Wayne, Indiana, its officers and employees, from all damages, claims, suits, and actions of any descriptions, for or resulting from injuries or damages received or sustained by any party or parties arising out of any act or failure to act, of said contractor, or his agents, in the execution of work under the contract.

The contractor shall be responsible for adherence to all OSHA regulations for trenching and shoring. In addition, contractor shall provide necessary traffic control, signage, barricades, etc., in compliance with City, County, and State traffic control regulations.

The contractor will be responsible for all restoration, including but not limited to the repair of all asphalt, concrete, curbing, sidewalk and park strip areas which are affected at the job site.

[The text in this block is extremely faint and illegible. It appears to be a multi-paragraph document with several lines of text per paragraph. The content is not discernible.]

Repair Materials:

All materials used in the repair of the water distribution system and sewer/stormwater collection system will be provided at the City's expense by the Utility to the contractor unless otherwise specified. Materials will be made available to the contractor at the Water Maintenance and Service or Water Pollution Control Maintenance Departments located at 415/515 East Wallace Street, or at supplier's yard or delivered to the job site, at the City's discretion. Said materials shall include but not be limited to repair clamps, sleeves, pipe fittings, pipe, hydrants, valves, manholes, drains, culverts, tiles, concrete pipe, and water service material.

Materials used in the restoration of the cut, such as stone and cold mix will be provided at the City's expense to the contractor for use after normal working hours. Materials will be made available to the contractor at the Water Maintenance & Service or Water Pollution Control Maintenance Departments located at 415/515 East Wallace Street during normal working hours. A determination by Utility Staff will be made as to which party shall deliver materials to the job site.

If the City does not have the required materials to complete the repair of the infrastructure or to restore the cut to useful condition the Contractor can supply said material at cost plus agreed to mark up.

Spoil from the cut shall be disposed of at the Old Lagoon Site on Dwenger Avenue or the BioSolids Facility on Lake Avenue for materials that were removed from cuts that occurred after normal working hours. If access is not established to these sites then spoils can be dumped at the Maintenance Department yards if authorized by Utility personnel.

Transportation of materials to and from 415/515 East Wallace Street to the job site shall be the responsibility of the contractor. Equipment for loading of materials shall be made available to the contractor by the City at the Maintenance Department yards.

Statements of Conditions

Equipment owned by the contractor will be ordered out only when the Utility determines there is sufficient reason to warrant use of such equipment to supplement the Utility's work forces.

Equipment and operation therefore shall comply with all Federal, State, County, and City regulations governing such equipment and its operation. The contractor shall not proceed with any work contrary to law. All equipment shall be in good mechanical condition when reporting for work. The Utility will not pay for any lost time due to mechanical defects or time spent performing necessary repairs. The contractor shall report all breakdowns immediately to the Utility supervisor. No payment will be made for the equipment while it is off the job for servicing, however, payment will continue during the time equipment is being fueled and oiled providing such service is performed on the site by a mobile service unit.

The City of Fort Wayne reserves the right to make a rigid inspection as to mechanical and safety features of any and all construction equipment dispatched to work sites at any time during the period of the contract. Such inspections shall in no way relieve the contractor of the responsibility to furnish equipment in compliance with all requirements of the specifications. All equipment which, in the opinion of the City of Fort Wayne, is in poor mechanical condition or otherwise does not comply with these specifications, will be rejected and shall not be used on any Utility project until repaired or replaced. No payment will be made by the Utility for time or labor expended by the Contractor if said equipment is rejected as a result of such an inspection, until repair or replacement is established to the Utility's satisfaction.

Equipment and its operation shall be subject to supervision by Utility supervisory personnel as to the work to be performed. The Utility will not instruct the operation of equipment in any way contrary to law or good equipment practice. The contractor and/or the operator shall be solely responsible for any and all damage to equipment while operating under this specification.

Equipment under contract shall be subject to call any time of the day or night. Equipment shall be delivered by the contractor to a location as specified by the Utility.

The contractor is responsible for providing the Utility, in writing, the names and telephone numbers (for day and night contact) which may be used to call regarding contract equipment.

Payment will be based on the hourly rate bid for each piece of equipment under contract including operator and also for laborer(s) on an hourly basis. The time clock for payment shall run from the time of acceptance of the assignment, as long as the time of arrival to the job site from the time of the verbal acceptance is not longer than one (1) hour. If this time exceeds one (1) hour, that excess time will not be accepted for payment by the Utility. The designated work site shall be specified by the Utility. Time clock for payment will terminate when equipment is released by the Utility. Payment is subject to an inspection of the work that has been completed. Payment for work performed and/or deductions from the guaranteed minimum payment will be computed to the nearest one-quarter hour. Payments will be made to the contractor within forty five (45) days following receipt of invoice. Invoices are to be mailed directly to contracting department of the Utility.

Contract Compliance

The contractor shall comply with requirements of the Fort Wayne Contract Compliance Department in regard to EBE Goals, and other documentation, if requested.

Award

Award of work shall be at the sole discretion of the Utility, with consideration for the following factors being part of the determination:

1. Lowest hourly rates per unit price quote;
2. Availability when called. If contact cannot be made with the contractor, or if contractor does not have the necessary equipment and manpower available to perform this work within the time requested, further calling to the contractor for the specific job will not be mandatory.
3. Quality of equipment and efficiency of operation based on previous work observations by the Utility personnel;
4. In cases where bids are equal, the contractors will be rotated as to call-out priority.

This agreement may be terminated in part or in whole, if any work performed is not in accordance with the standards established by the Utility.

The contractor hereby agrees that when notified by the Utility, the contractor will supply the equipment, manpower, and materials as necessary at the price indicated on exhibits "A, B, C, and D," attached hereto and made a part hereof.

CITY UTILITIES ANNUAL ON-CALL EMERGENCY CONSTRUCTION SERVICES

REQUIREMENTS TO PROVIDE LABOR AND EQUIPMENT FOR REPAIRS TO FORT WAYNE UTILITY SYSTEMS

Scope of Work:

Fort Wayne Utilities is requesting time and material quotes for contracting various types of labor and equipment for repairs to Asphalt Cuts made by the Utilities in the repair of the distribution and collection systems. Such repairs may include, sawing the original cut, excavating cold patch and fill, adding and compacting binder and Asphalt top coat per City street specifications, to bring the repair back to specification and proper level with minimal level differential to cause issues with traffic...

It is the intent of the Utility, for purposes of emergencies, to have a list of available contractor(s) names, emergency numbers, and equipment accessible to the Utility.

Term of agreement: **January 1, 2015** through **December 31, 2015**, on an "as needed" basis. This quote does not guarantee work to any contractor within the above time frame. On planned / scheduled work, the contractor shall be required to contact IUPPS with the pertinent information regarding the proposed excavation.

The contractor shall furnish experienced and competent operators, laborers, and supervisors having sufficient knowledge of Fort Wayne Utility Standards and Specifications and Street Standards and Specifications. Supervisors/forepersons shall be able to follow verbal and/or written instructions on the type of repairs required. Laborers shall be experienced with Asphalt installation and repair techniques. All operators shall be properly licensed.

The contractor shall indemnify and hold harmless the City of Fort Wayne, Indiana, its officers and employees, from all damages, claims, suits, and actions of any descriptions, for or resulting from injuries or damages received or sustained by any party or parties arising out of any act or failure to act, of said contractor, or his agents, in the execution of work under the contract.

The contractor shall be responsible for adherence to all OSHA regulations for trenching and shoring. In addition, contractor shall provide necessary traffic control, signage, barricades, etc., in compliance with City, County, and State traffic control regulations.

Repair Materials:

All materials used in the repair of the cut will be the responsibility of the Contractor.

Contract Compliance

The contractor shall comply with requirements of the Fort Wayne Contract Compliance Department in regard to EBE Goals, and other documentation, if requested.

Award

Award of work shall be at the sole discretion of the Utility, with consideration for the following factors being part of the determination:

1. **Lowest rates per Sq Ft price quote; based on 50 sq ft and smaller, 51 to 100 sq ft, and 101 sq ft or larger**
2. Availability when called. If contact cannot be made with the contractor, or if contractor does not have the necessary equipment and manpower available to perform this work within the time requested, further calling to the contractor for the specific job will not be mandatory.
3. Quality of equipment and efficiency of operation based on previous work observations by the Utility personnel:
4. In cases where bids are equal, the contractors will be rotated.

This agreement may be terminated in part or in whole, if any work performed is not in accordance with the standards established by the Utility.

The contractor hereby agrees that when notified by the Utility, the contractor will supply the equipment, manpower, and materials as necessary to complete work based on Square ft of repair at the price indicated in their quote, hereto and made a part hereof.
